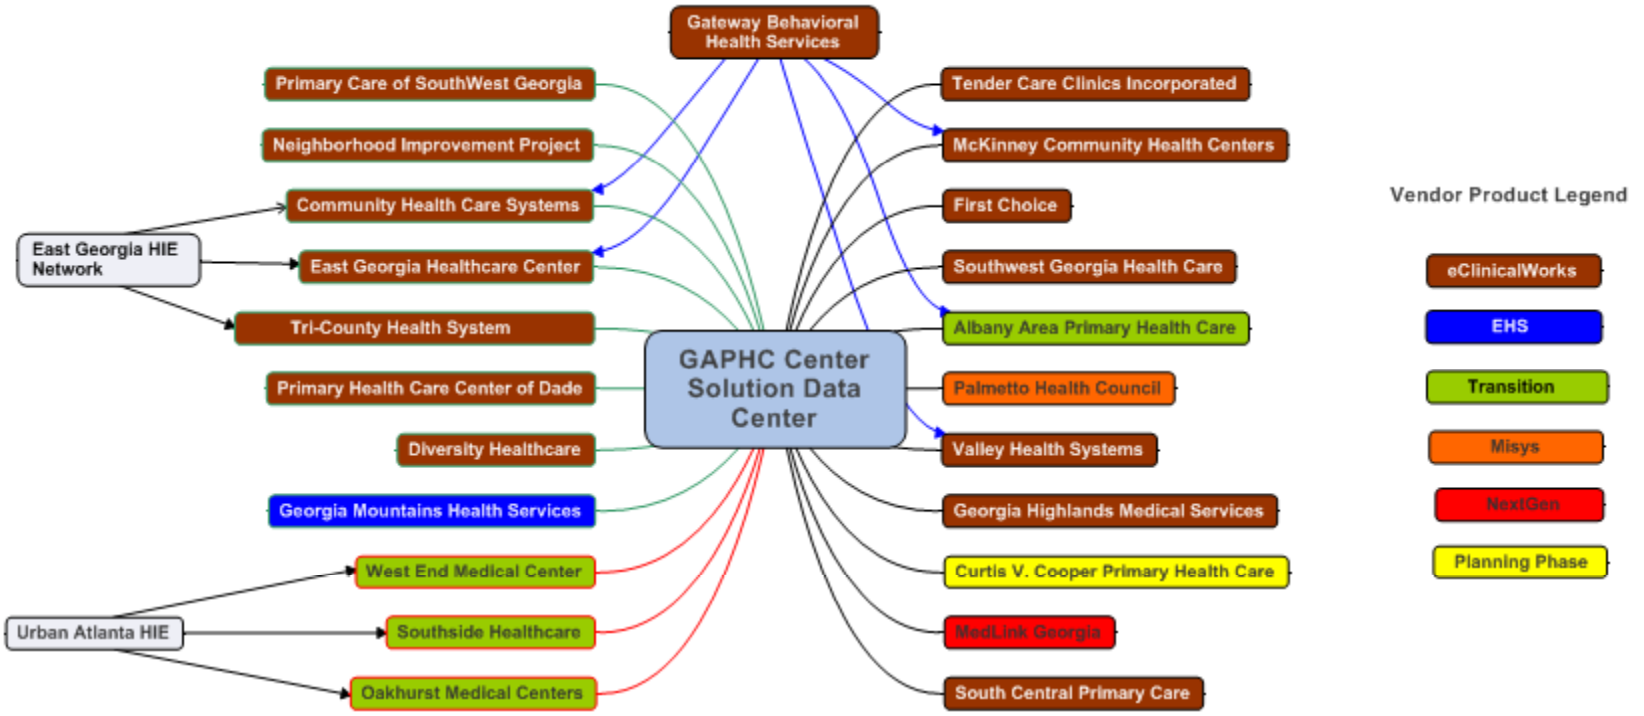
Georgia Association for Primary Health Care

Building HIE Communities

November 4, 2010

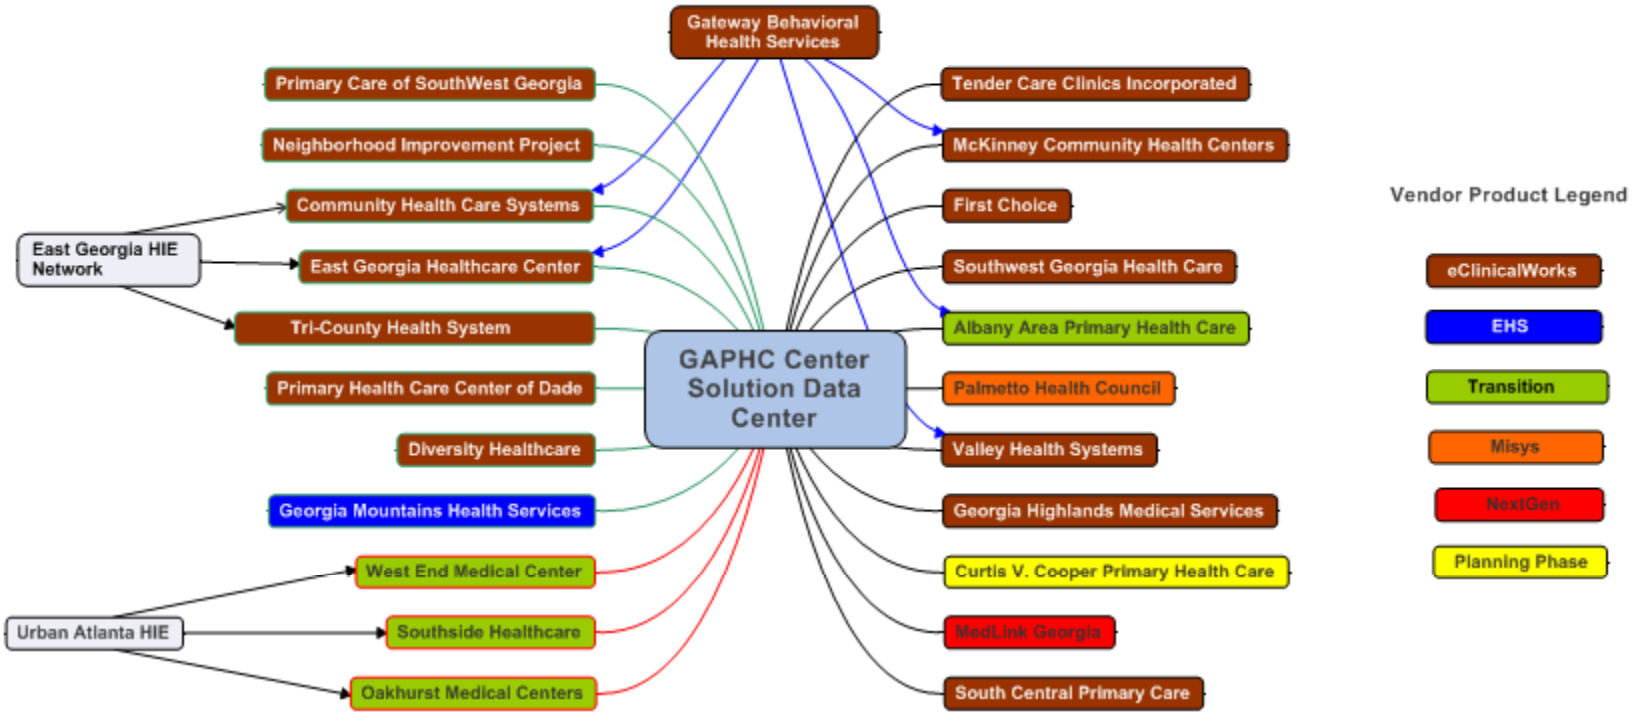
A Strong Foundation For HIE



A Strong Foundation For HIE

- Data Center (Primary & Secondary)
- Adequate Connectivity
- Strong Local IT
- Certified and Sound HIE Compliant EMR
- Implementation and Training
- Support and Assistance

A Strong Foundation For HIE

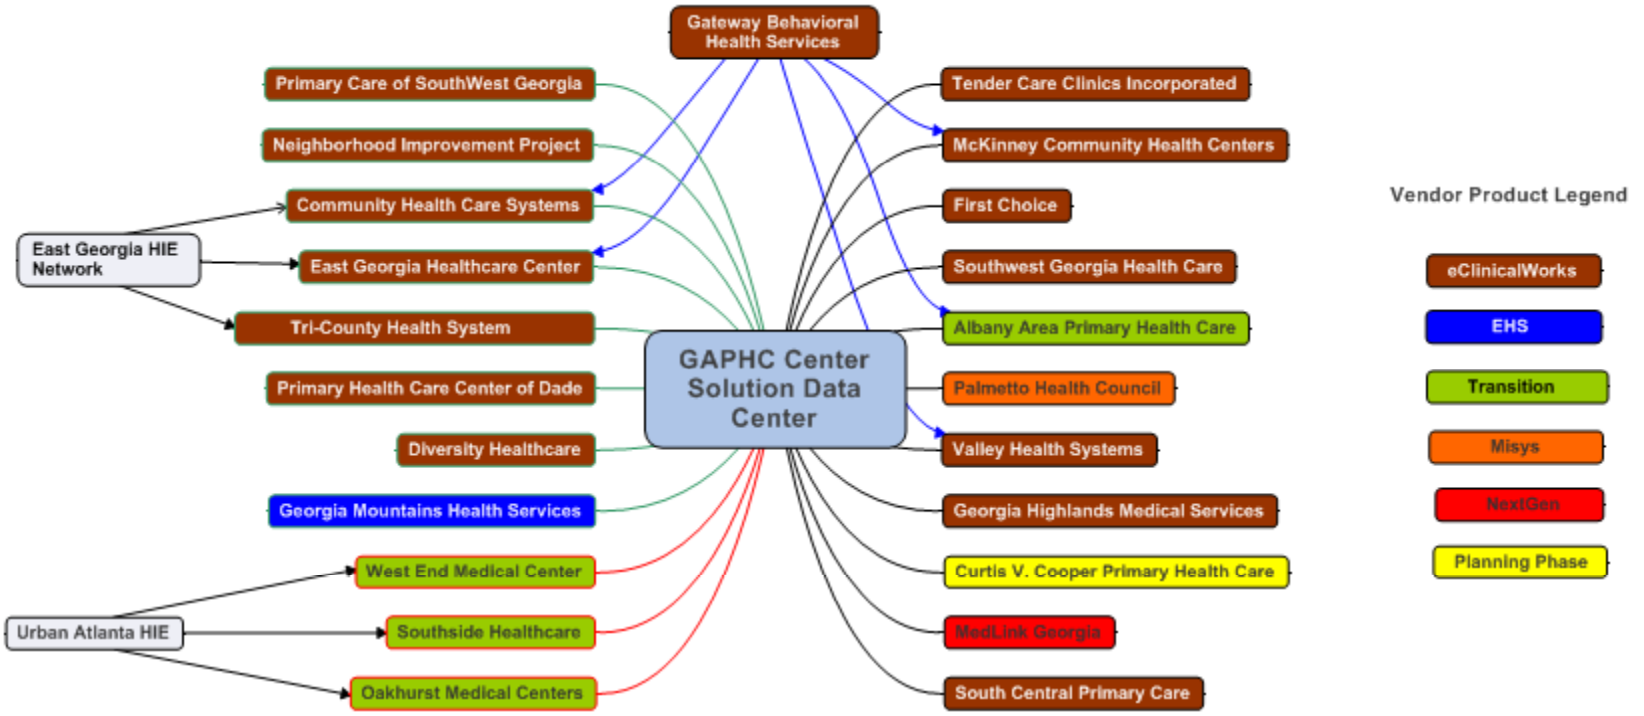


Our Greatest Challenges are not Technological.

Our Greatest Challenges are Cultural, Social and Political.

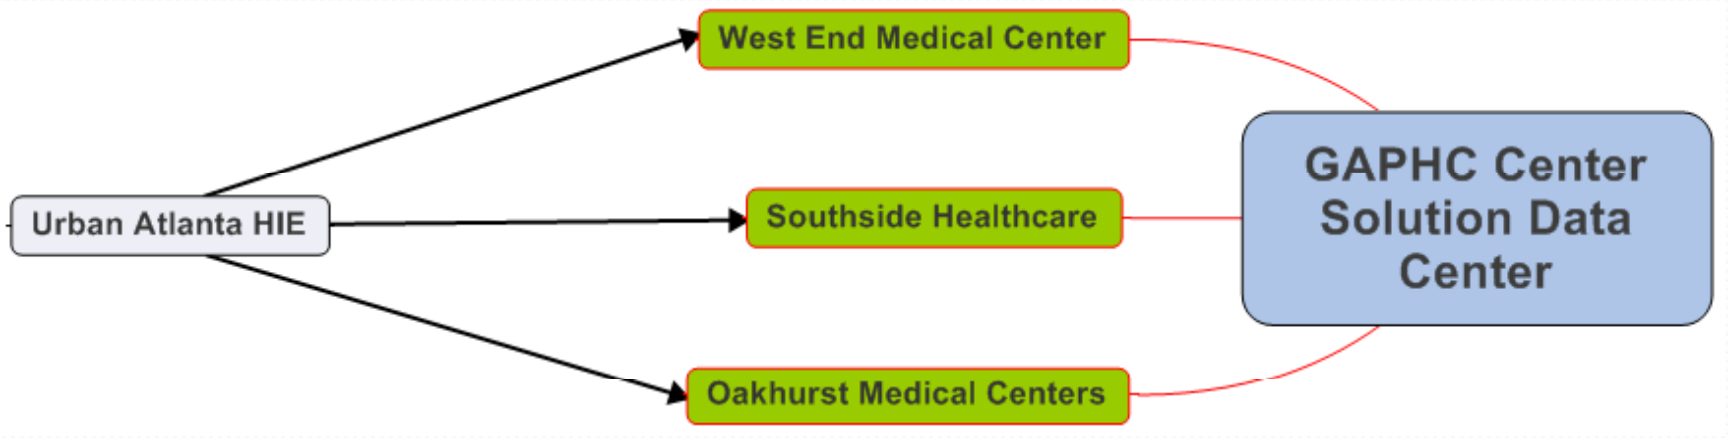
Our Early Successes will occur in Communities with Commonalities where these Challenges are less Dominant.

A Strong Foundation For HIE

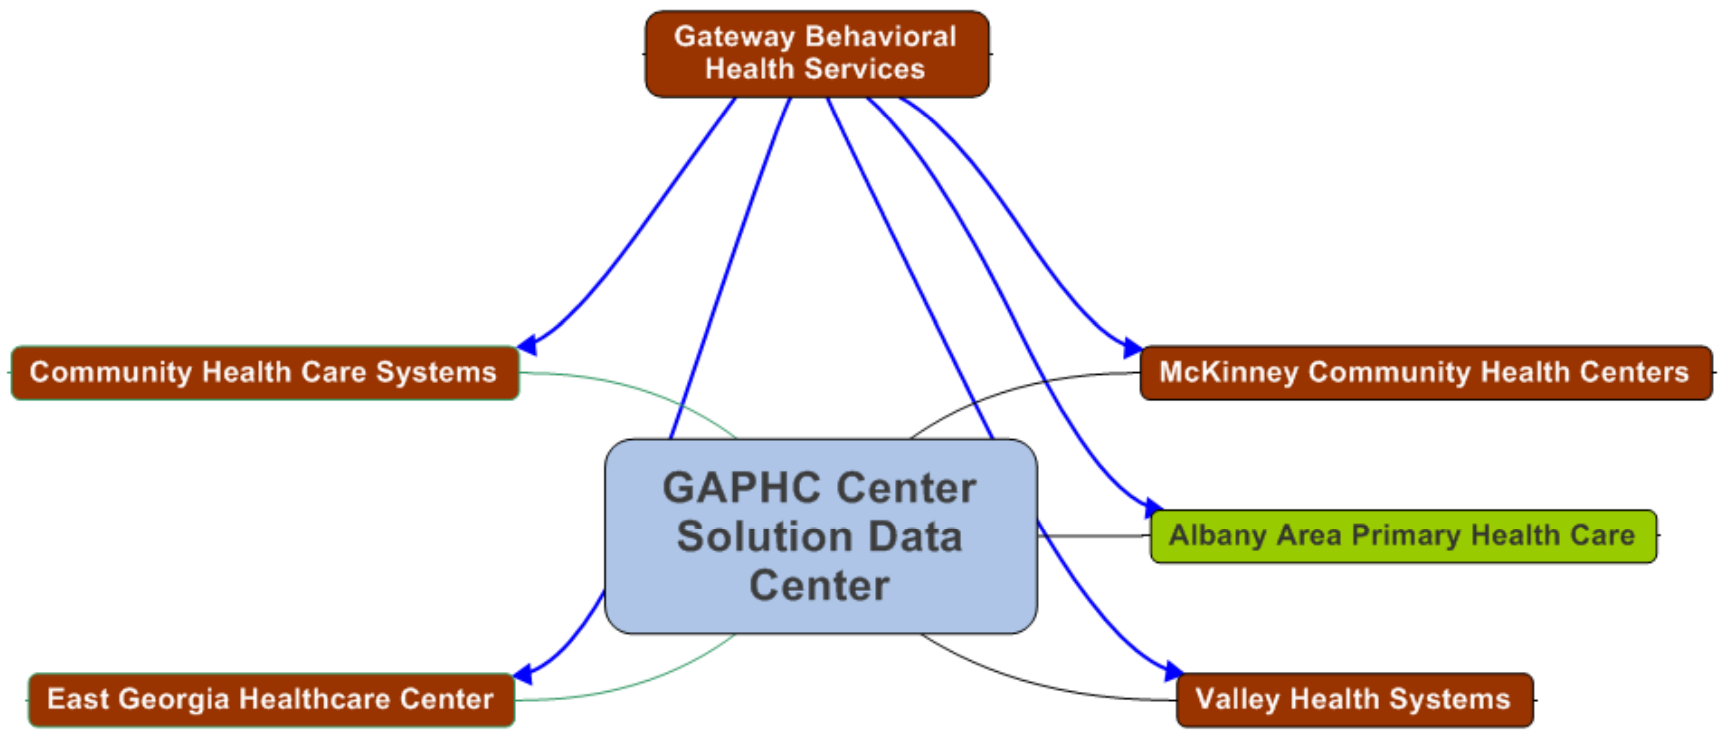


Rural Model Primary Care HIE

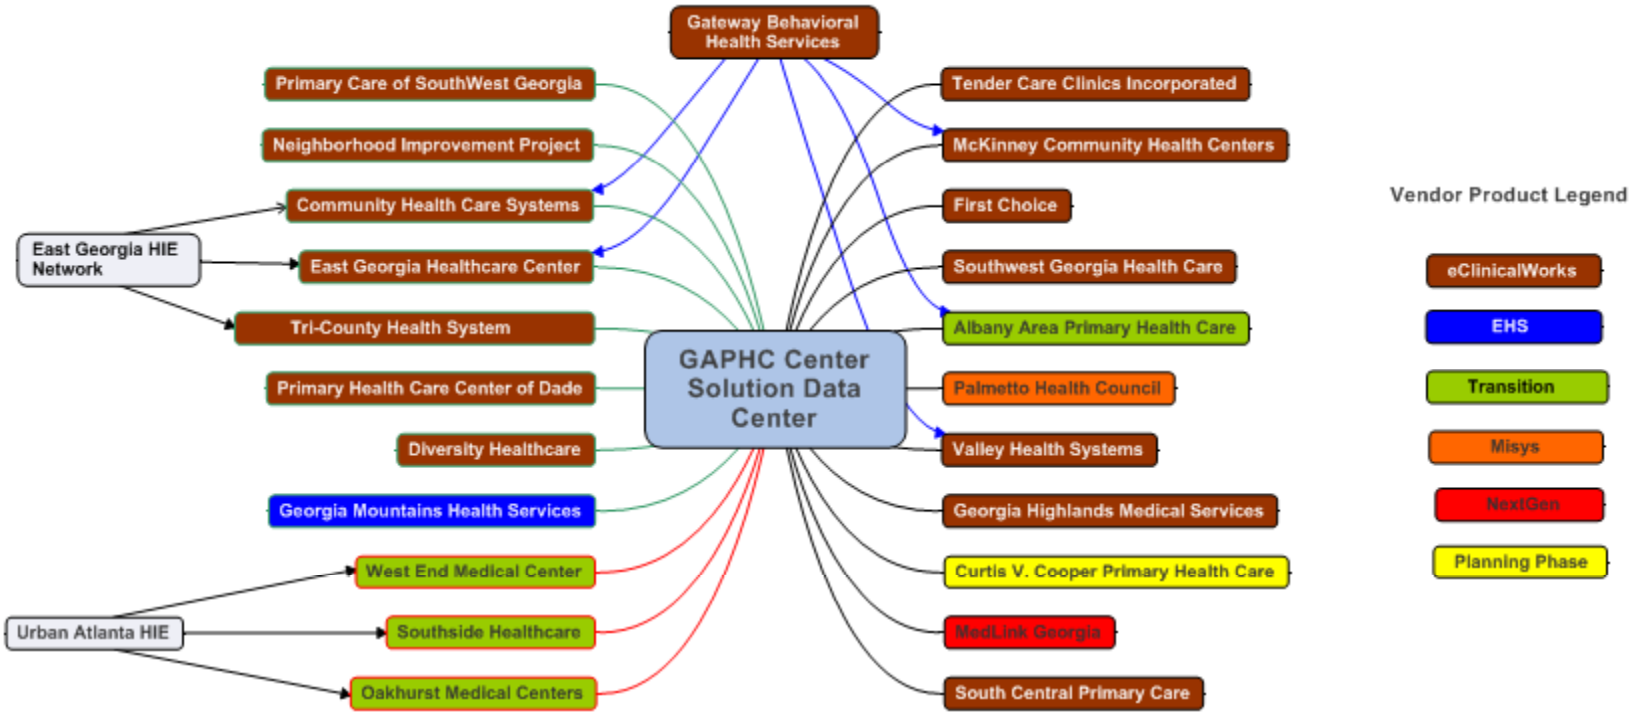
Urban Model Primary Care HIE



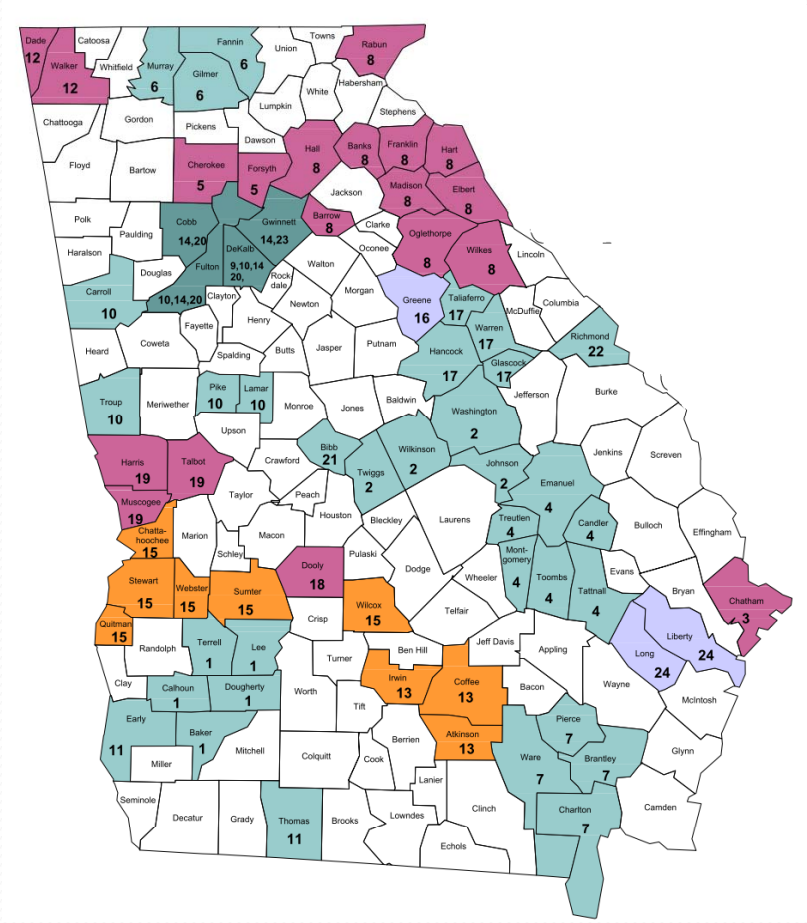
Specialty Service Model HIE



Communities Build State-Wide HIE



Opportunities for Growth

- Expanding Existing Communities
  - Horizontal
  - Vertical
- Linkages to other HIE Communities
  - Geographic Communities
  - Service Communities
  - Unrelated Communities


Positioned for HIE Across GA
