

# Guía práctica para informar una adaptación razonable de Gateway

Para miembros de Georgia Pathways to Coverage™ (Pathways)

## Cómo informar una adaptación razonable

---

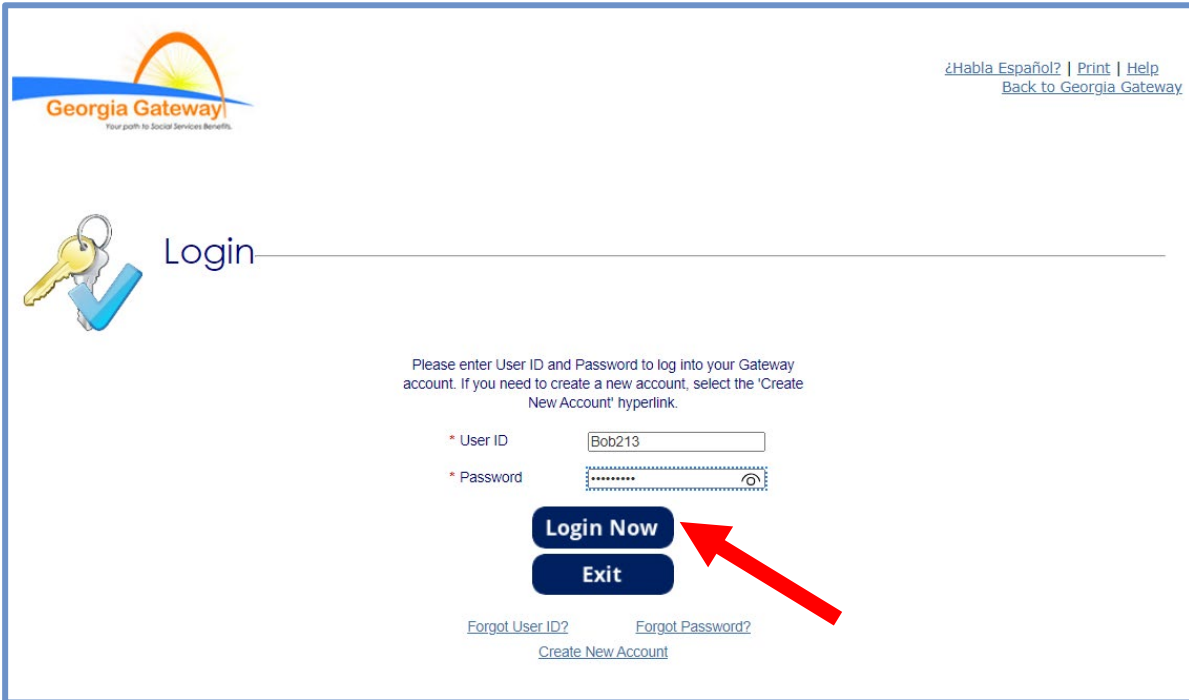

Los miembros de Pathways deben informar una adaptación razonable una vez que tengan un acuerdo de su empleador u organización en el que se explique que, debido a la discapacidad del miembro de Pathways, no pueden completar 80 horas de actividades calificadas por mes.

Los miembros deben solicitar las adaptaciones directamente a su empleador/organización o a través de la Agencia de Rehabilitación Vocacional de Georgia (GVRA, en inglés).

Para obtener más información sobre cómo solicitar una adaptación razonable, llame al Centro de Atención al Cliente al 1-877-423-4746.

### Report My Changes

Keep in mind that you should only report changes that have already happened or are going to happen within the next 30 days. Welcome to Report My Changes! For most changes, you will need to mail, fax, or bring proof to your worker within 10 days of when your agency asks for it. Without this proof, your changes cannot be made and your benefits may end. [Select here to read more about the kinds of proof you may need to give to your worker.](#)
