MFP MONEY FOLLOWS THE PERSON

- Key:
  - **MDSQ**= referral received at one of the 12 ADRC locations through the Nursing Home completion of a referral based on Section Q of the Minimum Data Set (MDS)
  - **MFP**= screening for MFP completed by MDSQ Options Counselor due to a Section Q referral and individual met eligibility criteria for MFP
  - **non-MDSQ**= referrals received at the ADRC by means other than the completion of Section Q of the MDS (I.e. self referral, ombudsman referral, family referral, etc.

- Key continued:
  - **nonMDSQ/MFP**= individuals who were screened for MFP by the MDSQ Options Counselor who came in as a nonMDSQ referral.
  - **Outreach**= number of outreach activities completed by the MDSQ Options Counselors statewide in a month to raise awareness of the ADRC, Options Counseling, the MDS Section Q referral process and the MFP program.
  - **STR**= short-term rehabilitation referrals. Tracks the number of MDSQ referrals that come to the ADRC each month that are individuals in the facility for short-term rehab and not eligible MFP and thus not screened for the program.
