COMMUNITY HEALTH**

Dear CLA Applicant:

Please note that applicants are now required to pay application fees and annual licensure activity fees. For additional information about fees, [click here](#).

All Community Living Arrangements (CLAs) are licensed by the Georgia Department of Community Health (DCH) Healthcare Facility Regulation Division (HFRD) and serve consumers of the Department of Behavioral Health and Developmental Disabilities (DBHDD) services *exclusively*.

Effective January 1, 2011, applicants who will subsequently apply to become a DD provider of Community Residential Alternatives (CRA), and/or existing providers adding new DD CRA sites must submit a CLA license from HFRD.

You must review the DBHDD Policy 02-701, Recruitment and Application to Become a Provider of Developmental Disabilities Services, located at www.dbhdd.georgia.gov to make sure that your agency can meet the requirements to become a developmental disabilities provider. Obtaining a CLA license does not ensure that your agency will be approved through DBHDD to serve individuals with developmental disabilities under the CRA comprehensive waiver services.

Applicants for a CLA permit that are currently licensed as a Personal Care Home (PCH) should submit to HFRD a complete application form and a Letter of Verification signed by the DBHDD Regional Office. Please **see Section VIII** of the "CLA Steps for Successful Application."

Applicants for a CLA permit that are NOT currently licensed as a PCH should follow the instructions in the **INITIAL APPLICATION PACKAGE**. See Section I of the "CLA Steps for Successful Application." All enclosed forms except the "RULES CHECKLIST" must be completed and returned to this office. Follow the steps below.

1. Download and read the Rules and Regulations for Community Living Arrangements, Chapter 290-9-37. Make sure you fully understand all the rules you are responsible for meeting as a licensed CLA provider.
2. Download and read carefully and answer all questions on the "RULES CHECKLIST" for Community Living Arrangements. This form is solely for your use in helping you determine if you meet the rules. **DO NOT RETURN IT.** If there are rules you do not meet, you are to start taking action to meet that rule or rules. After you have determined that you are in compliance with the rules, have obtained all other necessary inspections as identified on the "CLA APPLICATION CHECKLIST," submit your completed application package to HFRD. Staff will call you to schedule an initial on-site inspection. **NOTE:** Failure to demonstrate compliance during the initial survey may delay the issuing of your permit to operate a CLA. You will be given only one follow up visit to show compliance or your application may be denied.

Ensure that you have met all local requirements. Local requirements vary by county and by cities within a county. Your plans may need to be reviewed by a local or state fire safety inspector. You may need to meet local zoning requirements. You may be required to obtain a business license.

There may be fees associated with various reviews, inspections, permits, or licenses. Check these local requirements out carefully.

3. Obtain all necessary criminal history background checks. Fingerprint record check determinations are processed electronically through Cogent-GAPS. **CLA owners** (those owning a 10% or more interest) are required to have a determination made by DCH or provide evidence of a satisfactory fingerprint record check within 12 months of the date of the application. **CLA employees** must obtain a satisfactory fingerprint record check determination through DBHDD or provide evidence of a satisfactory fingerprint record check within 12 months of the date of the application. **NOTE: CLA owners who also are employees must have both a satisfactory determination from DCH and from DBHDD.**

Click here for complete instructions regarding fingerprinting and access to the instructions, "*Fingerprinting Process Using COGENT Instructions*".

6. Complete the application. Be sure to read the application fully, complete all blanks, and date and sign the application. Also carefully review and follow the CLA STEPS FOR SUCCESSFUL APPLICATION. These steps advise you of other inspections or documentation that must be obtained and submitted as part of your application package.
7. Return the application, all applicable fees and payment coupon, DBHDD letter of verification, inspections and other materials required in your application package to the following address:

Personal Care Home Program
Healthcare Facility Regulation Division
Georgia Department of Community Health
2 Peachtree Street, N.W., Suite 31.447
Atlanta, GA 30303-3167

You are responsible for meeting all the Rules and Regulations for CLAs. Your signature on the application form certifies to the HFRD that you have read and that you meet those rules.

HFRD is responsible for inspecting all homes prior to licensure. You may also be inspected on a periodic basis. All complaints received about the operation of a CLA are investigated by unannounced visits.

Your signature on the application form is also your consent for survey staff to visit your home at any time to investigate complaints or inspect the CLA as appropriate. Please note that while most complaints may be investigated during normal business hours, some complaints may require visits on weekends or at night. You are expected to cooperate with all investigations.

When your application has been deemed complete, all fees have been paid, and the residence is in compliance with all requirements, you will receive a permit. Receipt of this permit is your authorization to begin operation of the CLA. Please allow adequate time for processing of your application.

If you cease operation of the CLA or if you move, your permit is not transferable and should be returned to HFRD. If you cease providing services exclusively to residents funded by DBHDD, you no longer meet the requirements of a CLA and you should return your permit to HFRD and obtain an appropriate license.

If you have questions about the licensing process, you may contact HFRD at 404-657-4076 or check the HFRD web site at www.dch.georgia.gov for further information.

INSTRUCTIONS FOR COMPLETING AFFIDAVIT REQUIRED TO BECOME LICENSED

In order to obtain a license from the Department of Community Health to operate your business, Georgia law requires every applicant to complete an affidavit (sworn written statement) before a Notary Public that establishes that you are lawfully present in the United States of America. This affidavit is a material part of your application and must be completed truthfully. Your application for licensure may be denied or your license may be revoked by the Department if it determines that you have made a material misstatement of fact in connection with your application to become licensed. If a corporation will be serving as the governing body of the licensed business, the individual who signs the application on behalf of the corporation is required to complete the affidavit. Please follow the instructions listed below.

1. Review the list of Secure and Verifiable Documents under O.C.G.A. §50-36-2 which follows these instructions. This list contains a number of identification sources to choose from that are considered secure and verifiable that you can use to establish your identity, such as a U.S. driver's license or a U.S. passport. Locate one original document on the list to bring to the Notary Public to establish your identity.
2. Print out the affidavit. (If you do not have access to a printer, you can go to your local library or an office supply store to print out the document for a small fee.)
3. Fill in the blanks on the Affidavit above the signature line only—**BUT DO NOT SIGN THE AFFIDAVIT at this time.** (You will sign the affidavit in front of the Notary Public.) Fill in the name of the secure and verifiable document (for example, Georgia driver's license, U.S. passport) that you will be presenting to the Notary Public as proof of your identity. **CAUTION: Put your initials in front of only ONE of the choices listed on the affidavit and described here below:**
 - Option 1) is to be initialed by you if you are a United States citizen; or
 - Option 2) is to be initialed by you if you are a legal permanent resident of the United States. You are not a U.S. citizen but you have a green card; or
 - Option 3) is to be initialed by you if you are a qualified alien or non-immigrant (but not a U.S. citizen or a legal permanent resident) with an alien number issued by the Department of Homeland Security or other federal immigration agency. Fill in the alien number, as well.
4. Find a Notary Public in your area. Check the yellow pages, the internet or with a local business, such as a bank.
5. Bring your affidavit and the identification you selected (from the list of Secure and Verifiable Documents) to appear before the Notary Public.
