* Component Plans/Rules and associated need projection methodologies for CON regulated services and facility types were amended effective April 1, 2003 to use Resident Population Projections as their population basis. The 4/06 and 4/11 projection series are different projection methodologies using different base years. The 4/11 Release becomes effective April 1, 2011 and the 4/06 Release will be discontinued on that day.			
** Recipients of Market Share Databases must sign a data agreement before the database can be transmitted.			

Ad Hoc Reports, Queries, and Analytical Services:

Although many standardized reports are available from DHP databases, some requests may require customized reports and queries. Customized reports and queries can be produced upon request using at a rate of \$50 per hour of staff time, with a minimum charge of \$50 per report.

Short-Stay Hospital Bed Need - General hospital short-stay bed need projections for new or expanding hospitals can be provided for \$50 per need projection.

PLEASE NOTE THE FOLLOWING CONDITIONS

Unpaid Balances - Existing customers with unpaid overdue bills will NOT be allowed to place new orders for documents or data products until all overdue balances are paid in full to DCH.

Public Document Viewing – The Division of Health Planning allows public viewing of official documents and access to certain databases in person at our 2 Peachtree Street office at no charge. Public viewing is by appointment only. Call 404-656-0409 to make arrangements.
