

PUBLIC NOTICE

REQUEST FOR COMPETITIVE GRANT AWARD

ISSUED BY

GEORGIA DEPARTMENT OF COMMUNITY HEALTH

The State of Georgia's Department of Community Health (DCH) is announcing the official notification that the Georgia Association for Primary Health Care (GAPHC) has been determined as the Apparent Successful Grantee for DCH's Federally Qualified Health Center (FQHC) Development and Expansion Grant. The award of the grant is contingent upon the signing of the Agreement by both parties. Please note that until the signatures of both parties are affixed in the grant Agreement the procurement is still considered in "under evaluation status."

Once the Agreement has been signed by both parties an issuance of Notice of Award (NOA) will be posted. Please note the pending grant award information is confidential until all parties have signed the Agreement including all attachments and the NOA is posted to the DCH website.

If you have any questions, please contact me via email at awatson@dch.ga.gov or by phone at (404) 651-6184. Thank you for your interest in the State of Georgia.
