

STATE HEALTH BENEFIT PLAN (SHBP) 2011 NON-TOBACCO USERS SURCHARGE POLICY RETIREES (UNDER AGE 65)

This policy applies to non-tobacco users who have been tobacco free for the past 12 months or longer as well as those members who failed to answer the tobacco surcharge questions during open enrollment.

All non-tobacco users have the opportunity to have their tobacco surcharge removed by completing the following wellness requirements through their health plan vendor. Members will need to complete:

- an online or telephonic wellness program

Removal of the tobacco surcharge is on a prospective basis only and SHBP will NOT make refunds for previous health premiums as Internal Revenue Service (IRS) rules do not allow premium changes to be made retrospectively.

Specific instructions for accessing online or telephonic wellness programs and an online Health Assessment (optional) are outlined below. **Upon completion of these requirements, members should obtain the Non-Tobacco User's Affidavit Form available online at www.dch.georgia.gov/shbp under Additional Health Plan Information or by calling SHBP at 404-656-6322 or 800-610-1863. Once the member has read and signed the affidavit, he/she must submit it to SHBP, P.O. Box 1990, Atlanta, GA 30301-1990.**

Members who have been tobacco free as specified above and complete these requirements will have the tobacco surcharge removed from future premium payments for the Plan Year.
