Mission

The Georgia Department of Community Health

We will provide Georgians with access to affordable, quality health care through effective planning, purchasing and oversight.

We are dedicated to A Healthy Georgia.

MFP CBAY Overview

MFP CBAY provides community alternatives for-

- Youth (5 to 17 years old);
- Young adults (18 to 21 years old) with serious emotional and behavioral disturbances;
- Youth must have a primary diagnosis of mental illness as identified in the DSM-IV and are placed in a PRTF.

MFP CBAY eligibility criteria -

- Youth must meet level of care and have been in a PRTF for 90 days or more at the time of submitting the MFP CBAY enrollment packet to APS.
- Of those 90 or more days, youth has at least one day being Medicaid eligible.
- The youth will discharge from the PRTF to their family or a placement with no more than 4 unrelated youth

Current Happenings with MFP CBAY

As of July 18, 2014,

- MFP CBAY is serving 74 youth statewide.
- 63 of those youth have transitioned back into the community from PRTF.
- Currently, MFP CBAY participants utilize the care management, family peer support, respite and behavioral assistance services the most to assist with maintaining sustainability within the community.
