

STATE HEALTH BENEFIT PLAN NON-TOBACCO USERS SURCHARGE WAIVER POLICY

Non-tobacco users have the opportunity to have their tobacco surcharge removed by completion of a wellness requirement. Members will need to answer a Health Assessment Questionnaire and access wellness information on their Health Plan's Web site. Removal is on a prospective basis only and SHBP will NOT make refunds for previous health deduction premiums as Internal Revenue Service (IRS) rules do not allow premium changes to be made retroactively.

Specific instructions for accessing the Health Assessment Questionnaire and wellness information are attached. Members will need to access the Web site offered by the Health Plan Option in which they are enrolled.

Members who have not used tobacco products in the past 12 months and complete this program will have the tobacco surcharge removed from future premium payments for the Plan Year.

Upon completion of the wellness requirement, members should obtain the Non-Tobacco User's Affidavit Form available online at www.dch.georgia.gov/shbp. Once the member has read and signed the affidavit, he/she must submit it to his/her payroll location benefit coordinator for submission to the SHBP.
