Such requests will be accepted only on the Department's form with the required filing fee of \$250.00. Requirements for Verification of Lawful Presence within the United States

The Department will no longer require information relating to this topic for Certificate of Need applications.

Periodic Reporting Requirements

From June 1, 2016 until September 15, 2016, the Department, through the Office of Health Planning, permitted facilities an opportunity to complete outstanding surveys in order to become compliant. Facilities not in compliance after the September deadline received a Notification of Deficiencies which included details regarding the outstanding surveys, where surveys could be completed, and contact information for the Department. To confirm whether your facility has an outstanding survey please visit www.georgiamap2care.info To complete a survey, please visit www.georgiahealthdata.info.
