Any person proposing to develop or offer a new institutional health service or health care facility shall, before commencing such activity, submit a letter of intent and an application to the department and obtain a certificate of need in the manner provided in this chapter unless such activity is excluded from the scope of this chapter.

O.C.G.A. § 31-6-43(a) further provides that:

At least 30 days prior to submitting an application for a certificate of need for clinical health services, a person shall submit a letter of intent to the department. The department shall provide by rule a process for submitting letters of intent and a mechanism by which applications may be filed to compete with and be reviewed comparatively with proposals described in submitted letters of intent.

All parties interested in applying for a certificate of need for new institutional health services **MUST NOTIFY THE DEPARTMENT 30 DAYS PRIOR TO FILING AN APPLICATION** of their intent to do so. This notice must be in writing and must contain the following information:

### **Instructions for Organization of Appendices**

**Appendices** in the application must be separated by **dividing sheets** upon submission to the Office of Health Planning.

For Appendices with multiple documents, each document in that specific appendix must be separated by a **light-colored** dividing sheet containing the name of the document which follows the dividing sheet.

These instructions are listed on Page iv of the CON application form. Compliance with these instructions is required pursuant to Rule 111-2-2-.06(2).

## Requirements for Verification of Lawful Presence within the United States

The Department will no longer require information relating to this topic for Certificate of Need applications.

## Periodic Reporting Requirements

From June 1, 2016 until September 15, 2016, the Department, through the Office of Health Planning, permitted facilities an opportunity to complete outstanding surveys in order to become compliant. Facilities not in compliance after the September deadline received a Notification of Deficiencies which included details regarding the outstanding surveys, where surveys could be completed, and contact information for the Department. To confirm whether your facility has an outstanding survey please contact Steve Cappel, Data Manager, at [steve.cappel@dch.gov](mailto:steve.cappel@dch.gov).
