Department of Community Health

Dear Ms. Rhodes:

We are writing to inform you that the Centers for Medicare & Medicaid Services (CMS) is approving Georgia's request to amend the following 1915(c) Home and Community-Based Services (HCBS) waivers with the Emergency Preparedness and Response Appendix K in order to respond to the COVID-19 pandemic:

WAIVER TITLE	CMS AMENDMENT CONTROL NUMBER
Elderly and Disabled Waiver (EDWP)	GA.0112.R07.09
Independent Care Waiver Program (ICWP)	GA.4170.R05.06

The state's approved Appendix K is effective March 1, 2020 through six months after the end of the Public Health Emergency (PHE) for COVID-19. The amendments that the state has requested in the Appendix K are additive to those previously approved; they apply in all locations served by the individual waivers for anyone impacted by COVID-19. Effective July 1, 2021, the state will implement a temporary rate increase as specified in the amendment.

The state has identified its intent to use money realized from section 9817 of the American Rescue Plan (ARP). Approval of this action does not constitute approval of the state's spending plan. The state must have an approved spending plan in order to use the money realized from section 9817 of the ARP.

We have included the approved Appendix K pages with this correspondence. Please utilize the waiver management system for HCBS waivers for any further amendments to these waiver programs other than the Appendix K.
