Letters of Determination

The Department will require that a determination request be submitted for any proposed activity that may be exempt under O.C.G.A. § 31-6-1 et seq. Such requests will be accepted only on the Department's form with the required filing fee of \$250.00. Requests for confirmation of the exemption for equipment below the threshold will be accepted only on the applicable form and will also require a \$250.00 filing fee. Note: Requests for confirmation of the exemptions for a single specialty ambulatory surgical center or a joint venture ambulatory surgical center below the threshold require a \$250.00 filing fee.

Requirements for Verification of Lawful Presence within the United States

The Department will no longer require information relating to this topic for Certificate of Need applications.

Periodic Reporting Requirements

From June 1, 2016 until September 15, 2016, the Department, through the Office of Health Planning, permitted facilities an opportunity to complete outstanding surveys in order to become compliant. Facilities not in compliance after the September deadline received a Notification of Deficiencies which included details regarding the outstanding surveys, where surveys could be completed, and contact information for the Department. To confirm whether your facility has an outstanding survey please contact Steve Cappel, Data Manager, at steve.cappel@dch.ga.gov. To complete a survey, please visit www.georgiahealthdata.info.

CON Thresholds become effective annually on July 1. The current and effective thresholds can be found on the CON Thresholds page: <http://dch.georgia.gov/con-thresholds>.

Special Note

The [Letters of Intent](#) section of the Tracking and Appeals Report provides the date on which the CON Application must be submitted for each potential project. If the CON application is not received on that date, the associated Letter of Intent is considered expired.

Please do not submit Letters of Opposition or Letters of Support prior to the Department's receipt of an actual Certificate of Need application.

LNR Conversion

As of June 1, 2016, absent the proposed undertaking of a reviewable action necessitating prior CON review and approval, the Department will no longer engage in CON review of facilities in possession of an LNR.

DET Review

Pursuant to the Department's adoption of the Facility Guidelines Institute 2018 physical plant updates on April 15, 2018, effective August 1, 2018, the Office of Health Planning will no longer engage in the review or issuance of letters of determination regarding the applicability of the CON laws to those freestanding facilities seeking to perform procedures outside of either an operating room environment or a dedicated non-sterile endoscopy room as they categorically do not meet the definition of a reviewable ambulatory surgical or obstetrical facility.

**IMPORTANT NOTICE RELATED TO EXECUTIVE ORDER NO. 12.08.22.01 REGARDING HEALTH SUPPLY CHAIN
DISRUPTION**

If your hospital received emergency approval of a project pursuant to State of Georgia Executive Order 12.08.22.01, RENEWAL OF STATE OF EMERGENCY FOR SUPPLY CHAIN DISRUPTIONS, (or any renewals thereafter), in compliance with Ga. Comp. Rules & Reg. r. 111-2-2-.07(1)(k), your hospital has ninety (90) days from the expiration of the State of Emergency to cease all services approved under this provision. The State of Emergency expired on March 11, 2023. The 90-day period ends on June 9, 2023, after which your hospital must comply with the following:

- Return to the approved and documented CON authorizations in place prior to the State of Emergency.
- Complete and submit a final report. Additional details regarding the final report will be provided.

NOTE: Expedited review and emergency approval under Ga. Comp. Rules & Reg. r. 111-2-2-.07(1)(k) is not the grant of a CON as contemplated under the State Health Planning and Development Act, O.C.G.A. § 31-6-1, et seq. A hospital that received the emergency authorization must request and receive a CON in order to continue any services offered or expenditures approved under this provision. The Department will separately review any submission of a related CON application.

Thank you for your efforts to ensure access to health care services during the State of Emergency for Supply Chain Disruptions.
