

Listed below are Preferred Drug List changes for the State of Georgia Fee-For-Service Medicaid and PeachCare for Kids Programs

Effective April 1, 2026 (see chart below)*

DCH rebate vendor, Prime Therapeutics, has reviewed specific drugs at the **January 2026** Drug Utilization Review Board (DURB) meeting and corresponding supplemental rebate offers. The Preferred Drug List (PDL)/Providers' Administered Drug List (PADL) decisions/changes for categories reviewed are outlined below. For a full listing of our PDL, go to www.dch.georgia.gov/pharmacy and select the "Preferred Drug Lists" option; for the PADL, go to <https://www.mmis.georgia.gov/portal/> and select "Provider Information", "Fee Schedule", then "Providers' Administered Drug List."
