New Drugs for Review

Hemlibra

Rebinyn

Symproic

Drug Classes for Review

Absorbable Sulfonamides

Acne Agents, Oral

Acne Agents, Topical

Alpha-adrenergic Blocking Agents

Aminoglycosides

Analgesics, Narcotic Injectable

Analgesics, Narcotics Long

Analgesics, Narcotics Short

Analgesics, Non-Sal/Barbiturate

Analgesics, Non-Sal/Barbiturate/Xanthine

Analgesics, Salicylates

Analgesics, Urinary Tract

Androgenic Agents

Androgenic Agents, Injectable

Androgenic Agents, Oral

Anesthetics, Topical

Angiotensin Modulator Combinations

Angiotensin Modulators

Anti-Alcoholic Preparations

Antianginal and Anti-Ischemic

Antiarrhythmics, Oral

Antibiotics, GI

Antibiotics, Inhaled

Antibiotics, Topical

Antibiotics, Vaginal

Anticholinergics / Antispasmodics

Anticoagulants

Antidiarrheals

Antidiuretic Hormone Replacement, Oral and Nasal

Antiemetic/Antivertigo Agents

Antifibrinolytic Agents

Antifungals, Injectable

Antifungals, Oral

Antifungals, Topical
Antifungals, Vaginal
Antihypertensives, Vasodilators
Antimigraine Agents, Other
Antimigraine Agents, Triptans
Antimycobacterium Agents
Antiparasitics, Topical
Antiprotozoals
Antithyroid Preparations
Anti-Ulcer Protectants
Antivirals, General
Antivirals, Oral
Antivirals, Topical
Beta-Blockers
Bladder Relaxant Preparations
Bone Resorption Inhibitors, IV
Bone Resorption Suppression and Related Agents
Botulinum Toxins
BPH Treatments
Calcium Channel Blockers
Carbapenems, Injectable
Cephalosporins and Related Antibiotics
Cephalosporins, Injectable 3 rd Generation
Cephalosporins, Injectable 4 th Generation
Cephalosporins, Injectable 5 th Generation
Contraceptives, Oral
Contraceptives, Other
Cyclic Lipopeptides
Cystic Fibrosis, Oral
Cytokine and CAM Antagonists
Diuretics
Estrogen Agents, Combination
Estrogen Agents, Injectable
Estrogen Agents, Oral/Transdermal
Fabry's Disease
Fluoroquinolones, Injectable
Fluoroquinolones, Oral
Folic Acid Preparations
GI Motility, Chronic
Growth Factors
Growth Hormone
H. Pylori Treatment
HAE Treatments
Hemophilia Treatment
Hemorrhoidal Preparations

Hepatitis B Agents
Hepatitis C Agents
HIV / Aids
Hyperparathyroid Agents
Hypoglycemics, Alpha-Glucosidase Inhibitors
Hypoglycemics, Incretin Mimetics/Enhancers
Hypoglycemics, Insulin And Related Agents
Hypoglycemics, Meglitinides
Hypoglycemics, Metformins
Hypoglycemics, SGLT2
Hypoglycemics, Sulfonylureas
Hypoglycemics, TZD
Immunosuppressives, Oral
Intermittent Claudication
Laxatives and Cathartics
Lincosamides/Oxazolidinones/Streptogramins
Lipotropics, Other
Lipotropics, Statins
Macrolides/Ketolides
Multiple Sclerosis Agents
Nitrofurantoin Derivatives
Octreotides and Related
Opiate Dependence Treatments
PAH Agents, Injectable
PAH Agents, Oral and Inhaled
Pancreatic Enzymes
Parasympathetic Agents
Penicillins
Phenylketonuria
Phosphate Binders
Pituitary Suppressive Agents
Pituitary Suppressive Agents, LHRH
Platelet Aggregation Inhibitors
Prenatal Vitamins
Progestins for Cachexia
Proton Pump Inhibitors
Proton Pump Inhibitors, Injectable
Sinus Node Inhibitors
Skeletal Muscle Relaxants
Smoking Cessation Agents
Spinal Muscular Atrophy
Sulfonamides, Topical
Tetracyclines
Thyroid Hormones
Ulcerative Colitis Agents

Vaginal Estrogen Preparations
Vasodilators, Coronary
