

Data Geek Week Frequently Asked Questions (FAQs)

1. What is Data Geek Week?

Data Geek Week (DGW) is an annual event organized by the Georgia Department of Community Health (DCH) focused on enhancing data literacy, fostering collaboration, and promoting data-driven decision-making within the organization. The event includes workshops, panels, networking opportunities, and hands-on training sessions.

2. Who can attend Data Geek Week?

Everyone! Data Geek Week is for every DCH employee. Whether you are a beginner or an experienced data professional, there are sessions designed for every level.

3. Why should I attend Data Geek Week?

Data Geek Week offers a unique opportunity to enhance your data skills, learn about the latest tools and trends, and network with fellow data enthusiasts. The sessions will provide valuable insights that can help you make more informed decisions in your work.

4. When is Data Geek Week?

DGW 2024 will take place from Monday, September 9 to Friday, September 13.

5. Where is Data Geek Week taking place?

Data Geek Week will be held in a hybrid format, with sessions taking place both virtually and in-person at the DCH office on the 16th Floor - Conference Room 1658.

6. How can I register for Data Geek Week?

You can register for Data Geek Week by visiting the Geek Week website and filling out the registration form. Be sure to RSVP to secure your spot in the sessions you are interested in and for teaser messages. (We're talking secret messages, sneak peeks, and hints about the awesome things we have brewing for Data Geek Week. It's like being a data detective, collecting those data facts to unlock a treasure trove of geeky goodness!) So don't miss out, RSVP and get ready to be surprised (in the best way possible).

7. What types of sessions will be offered during Data Geek Week?

DGW 2024 will feature a variety of sessions, including interactive presentations, panel discussions, hands-on workshops, and networking events. Topics will cover data-driven decision-making, data visualization, collaboration strategies, and more. A detailed schedule will be available on the DGW 2024 event page.

8. Will there be opportunities for networking during Data Geek Week?

Yes, there will be designated mingling sessions on Tuesday and Wednesday mornings where you can connect with colleagues, share ideas, and build your professional network. Enjoy donuts and participate in fun games to make these sessions even more engaging and enjoyable.

9. How can I stay updated on the latest news and updates about Data Geek Week?

Keep an eye on your email for updates, fun data facts, and sneak peeks leading up to the event. You can also visit the Geek Week Landing Page for the latest information and to see the full event agenda.

10. Who can I contact if I have questions about Data Geek Week?

If you have any questions or need further information about Data Geek Week, please contact dss.questions@dch.ga.gov and make sure to put "Data Geek Week" in the subject line. We are here to help and ensure you have a great experience during the event. You can also visit the DGW 2024 event page on the DCH intranet for more information.
