<p>**Eligible for a 25% discount if currently accredited by a nationally recognized accreditation organization approved by the department as having standards comparable to specific state licensure requirements, and complete copy of current decision is submitted to the department at the time of renewal or is already on file with the department. <a href="#">Currently, the Division will accept current accreditation at the level Medicare (CMS) accepts for deemed status from a CMS-approved organization (at this time, this applies only to hospitals (acute care and critical access), ambulatory surgical centers, hospices, and home health agencies).</a> If a provider/facility holds such status, they must provide to the Division evidence of such status as well as a copy of the complete survey results from the most recent accreditation survey before the discount can be applied. (Survey summaries are not acceptable.)</p> <p>***FTEs Full-time equivalent (40 hours/week) employees/contract workers rules, so a provider with less than 50 FTEs could utilize up to 99 half-time (20 hours/week) employees/contract workers.</p>
