

PUBLIC NOTICE

Pursuant to 42 C.F.R. § 447.205, the Georgia Department of Community Health is required to give public notice of any significant proposed change in its methods and standards for setting payment rates for services.

MEDICAID CARE MANAGEMENT ORGANIZATIONS (CMOs) HOSPITAL DIRECTED PAYMENTS FOR PRIVATE HOSPITALS RATE INCREASE

Pending Centers for Medicare and Medicaid Services (CMS) approval, the Department of Community Health (DCH) proposes an increase in reimbursement for the hospital state directed payment program for eligible private hospitals, effective July 1, 2024. Eligible private hospitals are defined as all private, acute hospitals excluding general cancer hospitals, free-standing children's hospitals, rehabilitative/psychiatric/long term acute hospitals, and rural emergency hospitals. All critical access hospitals are excluded.

The program currently provides for the aggregate difference between Medicare reimbursement and Medicaid managed care base payments. DCH proposes an additional 10% increase on Medicaid managed care base payments for those eligible hospitals in Pool 2 of the Disproportionate Share Hospital (DSH) program.

This program is estimated to increase provider funding of critical services for the Medicaid population and strengthen Georgia's healthcare workforce. The below funding represents the estimated total SFY2025 payments for participating private hospitals:

	State Funds	Federal Funds	Total Funds
SFY2025	\$6,106,676*	\$11,855,456	\$17,962,132

*Funded via provider payments

This public notice is available for review at each county Division of Family and Children Services office. An opportunity for public comment will be held on **May 16, 2024 at 12:30 p.m., via Zoom audio**. There will be **no in-person** attendance at the Department of Community Health (DCH).

Individuals who are disabled and need assistance to participate during this meeting should call (404) 656-4479 at least three (3) business days prior to the scheduled public hearing to ensure any necessary accommodations can be provided.
