Such requests will be accepted only on the Department's Determination Request form with the required filing fee of \$250. Requirements for Verification of Lawful Presence within the United States

Agencies or political subdivisions of the State of Georgia providing or administering a public benefit are required to verify that applicants for a public benefit are in the United States in a lawful manner. See O.C.G.A. § 50-36-1(e). Certificates of Need (CON) are considered a public benefit under the new provisions.
