INSTRUCTIONS FOR COMPLETING AFFIDAVIT REQUIRED TO BECOME LICENSED

In order to obtain a license from the Department of Community Health to operate your business, Georgia law requires every applicant to complete an affidavit (sworn written statement) before a Notary Public that establishes that you are lawfully present in the United States of America. This affidavit is a material part of your application and must be completed truthfully. Your application for licensure may be denied or your license may be revoked by the Department if it determines that you have made a material misstatement of fact in connection with your application to become licensed. If a corporation will be serving as the governing body of the licensed business, the individual who signs the application on behalf of the corporation is required to complete the affidavit. Please follow the instructions listed below.

1. Review the list of Secure and Verifiable Documents under O.C.G.A. §50-36-2 which follows these instructions. This list contains a number of identification sources to choose from that are considered secure and verifiable that you can use to establish your identity, such as a U.S. driver's license or a U.S. passport. Locate one original document on the list to bring to the Notary Public to establish your identity.
2. Print out the affidavit. (If you do not have access to a printer, you can go to your local library or an office supply store to print out the document for a small fee.)
3. Fill in the blanks on the Affidavit above the signature line only—**BUT DO NOT SIGN THE AFFIDAVIT at this time.** (You will sign the affidavit in front of the Notary Public.) Fill in the name of the secure and verifiable document (for example, Georgia driver's license, U.S. passport) that you will be presenting to the Notary Public as proof of your identity. **CAUTION: Put your initials in front of only ONE of the choices listed on the affidavit and described here below:**
 - Option 1) is to be initialed by you if you are a United States citizen; or
 - Option 2) is to be initialed by you if you are a legal permanent resident of the United States. You are not a U.S. citizen, but you have a green card; or
 - Option 3) is to be initialed by you if you are a qualified alien or non-immigrant (but not a U.S. citizen or a legal permanent resident) with an alien number issued by the Department of Homeland Security or other federal immigration agency. Fill in the alien number, as well.
4. Find a Notary Public in your area. Check the yellow pages, the internet or with a local business, such as a bank.

5. Bring your affidavit and the identification you selected (from the list of Secure and Verifiable Documents) to appear before the Notary Public.
