NURSING HOME APPLICATION CHECKLIST

For your convenience, an application checklist has been created to outline the required documents for each application submission. Please upload all required documents in your Nursing Home (NH) Application Packet. As a reminder, all policies and procedures must be established as part of the requirement for regulations and readily available upon request. To prevent any delays in the review process, please submit all documents at once.

Upon application submission and payment, if required, you will receive an acknowledgement email. Applications are reviewed in the order they are received. The initial review period is 60 days from the date of receipt. Failure to submit documents accurately and timely can result in a longer review period.
