

PRIVATE HOME CARE PROVIDERS APPLICATION CHECKLIST

For your convenience, an application checklist has been created to outline the required documents for each application submission. Please upload all required documents in the Private Home Care Providers (PHCP) application packet. As a reminder, all policies and procedures must be established as part of the requirements for regulations and readily available upon request.

Upon application submission and payment, if required, you will receive an acknowledgement email. Applications are reviewed in the order they are received by our office. The initial review timeframe is **30 business days** from the application submission date.

The official rules for Private Home Care Providers are on record with the Georgia Secretary of State's Office at <http://rules.sos.state.ga.us/>.

The online application portal can be accessed at <https://gahles.dch.georgia.gov/>. All correspondence regarding the status of your application will be sent to the email address provided for the contact person on your application. If additional documentation is required, you will receive an email from [HFRD do not reply@dch.ga.gov](mailto:hfrd_do_not_reply@dch.ga.gov) containing a link to the application portal and a verification code. Please open the email, copy the invitation code, and paste it into the provided link to check your application status. Upload the requested documents, confirm that all documents have been uploaded, and click submit. You will receive a confirmation email acknowledging that we have received your documents. Failure to upload the requested documents will result in the denial of your application.

For information regarding Change of Ownership (CHOW), review Frequently Asked Questions on DCH website - <https://dch.georgia.gov/divisionsoffices/hfrd/facilities-provider-information/hfrd-chow-faq>.

For questions regarding regulations, adding counties to an existing permit, surveys, plan of corrections, permits, facility letters, administrator and/or contact information update, i.e., email address, phone numbers, email the Private Home Care Team at hfrd.phcp@dch.ga.gov.

For general application questions, email the HFRD Applications and Waivers Team at hfrd.applicationswaivers@dch.ga.gov.

Note: Please do not submit your application unless all required documents are complete and ready for upload in the GAHLES portal. The only exception applies to the "Executed Closing Documents" for a Change of Ownership application. Failure to provide this information at the time of submission may result in delays and rejection of your application and it may also result in the forfeiture of application fees.

Application fees are non-refundable. All licensure fees must be paid in full prior to receiving a permit or license (for change of ownership applications, this includes the previous owner's past due fees). If you encounter payment issues during the application process, email the HFRD Finance Team at hfrd.payments@dch.ga.gov for assistance.

7. **Satisfactory determination letter, dated within 12 months of the application submission date**, from the DCH Georgia Criminal History Check System (GCHEXS). All administrators and individual owners with 10% or more ownership interest must complete a fingerprint-based background check through GCHEXS. The owner of the facility may request access to GCHEXS by going to [GCHEX](#). For Fingerprint Background Check rules and regulations, visit the Secretary of State website at [111-8-12](#). For additional information, please visit [DCH OIG](#), or by calling at 404-463-7154 or by emailing at gchexs.user@dch.ga.gov
Note: If there are no individuals that own 10% or more interest, provide a letter on the company letterhead stating this information. The letter must be signed by the owner or owner's representative.

The Administrator and a Registered Nurse (RN) are required to open a PHCP. An RN is permitted to hold the positions of Administrator, Owner, and Certified Nursing Assistant. Regardless of the service level provided, an RN is required for the initial application.

<https://dch.georgia.gov/divisionsoffices/hfrd/hfrd-payment-portal>

Note: Once the initial application is approved, a provisional license will be issued. The Private Home Care Provisional license will be active for three (3) months by which you must become operational and have admitted at least 3 clients. Prior to the end of this 3-month period, you are required to notify the Private Home Care Unit by email at hfrd.phcp@dch.ga.gov to request your initial survey. The survey is required to confirm your operational compliance with applicable rules and regulations. After the successful completion of the initial survey, your agency will be issued the permanent permit.

Failure to notify the Department that your agency is ready for the initial survey within three (3) months of the effective date of the provisional license will result in the license being automatically voided due to the expiration. The Department will consider your agency non-operational and will be unable to complete a survey to verify compliance. Once a provisional license is revoked for failure to become operational, a new application and full review process will be required to reestablish services. Exceptions or extensions will not be granted without prior written approval and documented justification submitted before the 3-month deadline.

In addition, re-licensure surveys are conducted with an approximate frequency of 18-24 months. If you have not had a client within three (3) months of the date of the scheduled survey, you will have 30 days from the date of notification of the scheduled survey to admit a client for services, so the survey can be conducted. If not, your permit will be considered void due to not providing services for greater than a 3-month period. Your agency will be considered closed due to being non-operational, a new application and full review process will be required to reestablish services.
