~~(ff)~~ "Self-administration of medications" or "self-administered medications" means those prescription or over-the-counter drugs that the resident personally chooses to ingest or apply where the resident has been assessed and determined to have the cognitive skills necessary to articulate the need for the medications and generally knows the times the medications are to be taken, and physical characteristics of medications to be taken.

~~(ggmm)~~ "Self-preservation" means the ability to respond to an emergency condition, whether caused by fire or otherwise, and escape the emergency without physical, hands-on assistance from staff. The resident may move from place to place by walking, either unaided or aided by prosthesis, brace, cane, crutches, walker or hand rails, or by propelling a wheelchair or scooter.

~~(nn)~~ "Unsatisfactory criminal history background check determination" means a written determination that a person for whom a records check was performed has a criminal record which indicates an arrest, charge or conviction of one of the covered crimes outlined in O.C.G.A. § 31-7-250 et seq., if applicable, or as outlined in O.C.G.A. § 31-2-9, if applicable.

**Authority:** O.C.G.A. §§ 31-2-7, 31-2-8, 31-2-9, 31-7-2.1, 31-7-3, 31-7-12, 31-7-12.2, 31-7-12.3 and 31-8-80 et seq.

**Rule 111-8-62-.09 Workforce Qualifications and Training**

- (1) **Age Requirements.** The on-site manager and all other direct-care supervisory staff working in a personal care home must be at least 21 years of age. Non-supervisory staff providing hands-on care to the residents must be at least 18 years of age.
- (2) The administrator or on-site manager must be responsible for ensuring that any person working in the home as an employee, under contract or otherwise, receives work-related training within the first sixty days of employment. Such training must include, at a minimum, the following:
  - (a) Evidence of current certification in emergency first aid except where the staff person is a currently licensed health care professional~~;~~
  - (b) Evidence of current certification in cardiopulmonary resuscitation where the training course required return demonstration of competency~~;~~
  - (c) Emergency evacuation procedures~~;~~
  - (d) Medical and social needs and characteristics of the resident population~~;~~
  - (e) Residents' rights~~;~~
  - (f) Identification of conduct constituting abuse, neglect or exploitation of a resident and reporting requirements to include the employee's receipt of a copy of the Long-Term Care Facility Resident Abuse Reporting Act as outlined in O.C.G.A. § 31-8-81 et seq.; and
  - (g) General infection control principles including the importance of hand hygiene in all settings and attendance policies when ill.
- (3) At least one staff person having completed the minimum training requirements of Rule 111-8-62-.09(2)(a) through (g~~f~~) above must be present in the home at all times resident(s) are present in the home. Where the home provides a secure unit, the unit itself must have at least one person present in the unit who has completed all the required training.
- (4) All persons, including the administrator or on-site manager, who offer direct care to the residents, must satisfactorily complete continuing education each year, in courses, relevant to their job

duties, including, but not limited to, appropriate medication assistance, working with the elderly, working with residents with Alzheimer's or other cognitive impairments, working with the mentally retarded, mentally ill and developmentally disabled, social and recreational activities, legal issues, physical maintenance and fire safety, housekeeping, or other topics as needed or as determined by the Department.

- (5) All directors and employees involved with the provision of personal services to the residents must have at least sixteen (16) hours of training per year.
- (6) The administrator, on-site manager, and each employee must have received a tuberculosis screening and a physical examination by a licensed physician, nurse practitioner or physician assistant within twelve months prior to their employment with the home which examination was sufficiently comprehensive to assure that the employee is free of diseases communicable within the scope of employment and physically qualified to work. Follow-up examinations must be conducted by a licensed physician, nurse practitioner or physician assistant of each administrator or staff person to determine readiness to return to work following a significant illness or injury. Copies of information regarding staff member health must be kept in the staff person's file accessible at the licensed home or within one hour of the request.
- (7) **Criminal History Background Checks for Owners Required.** Prior to the issuance of any new license, the owner of the business or agency applying for the license must comply with the requirements of the Rules and Regulations for Criminal Background Checks, Chapter 111-8-12~~submit a fingerprint records check application so as to permit the Department to obtain a criminal history background check.~~
  - ~~(a) In lieu of a records check application, the owner may submit evidence, satisfactory to the Department, that within the immediately preceding 12 months the owner has received a satisfactory criminal history background check determination.~~
  - ~~(b) A personal care home license must not be issued, and any license issued must be revoked where it has been determined that the owner has a criminal record as defined in O.C.G.A. § 31-2-9 or specific rules passed pursuant to the statute.~~

- ~~(c) An owner with a valid personal care home license who acquires a criminal record for any of the crimes as defined in O.C.G.A. § 31-2-9 or rules passed pursuant to the statute subsequent to the effective date of these rules must disclose the criminal record to the Department.~~
- ~~(d) If at any time the Department has reason to believe an owner holding a license has a criminal record where mitigation has not been determined as described in O.C.G.A. § 31-2-9 or rules passed pursuant to the statute, the Department shall initiate a revocation action.~~

(8) **Criminal History Background Checks for Directors, Administrators and Onsite Managers Required.** The home must obtain a satisfactory fingerprint records check determination for the person being considered for employment as a director, administrator or onsite manager. The records check determination must be done in compliance with the Rules and Regulations for Criminal Background Checks, Chapter 111-8-12 provisions of O.C.G.A. § 31-7-250 et seq. or specific rules passed pursuant to the statute.

- ~~(a) In lieu of a records check application, the director, administrator or onsite manager may submit evidence, satisfactory to the Department, that within the immediately preceding 12 months the above personnel have received a satisfactory records check determination or a satisfactory preliminary records check determination, whichever is applicable.~~
- ~~(b) A person with an unsatisfactory criminal history background check determination must not serve as a director of a licensed personal care home if it is determined that such person has a criminal record, as defined in O.C.G.A. § 31-7-250 or specific rules passed pursuant to the statute.~~
- ~~(c) The director, administrator or onsite manager of the home must immediately submit to an additional fingerprint records check when the Department provides the director, administrator or onsite manager with written notice of any one of the following:~~
  - ~~1. There is reason to believe that director, administrator or onsite manager has acquired a criminal record as defined in O.C.G.A. § 31-7-250 or~~

~~specific rules passed pursuant to the statute subsequent to the Department's issuance of the permit.~~

~~2. The fingerprint record check is required to confirm identification for record search purposes.~~

~~3. The fingerprint record check is required in connection with an abuse, neglect or exploitation investigation.~~

- (9) **Criminal History Background Checks for Direct Access Employees Required.** Prior to serving as an direct access employee ~~other than a director of a licensed personal care home~~, the home must obtain a satisfactory fingerprint records check determination for the person to be hired in compliance with the Rules and Regulations for Criminal Background Checks, Chapter 111-8-12 ~~provisions of O.C.G.A. § 31-7-250 et seq. or specific rules passed pursuant to the statute.~~

~~(a) A person with an unsatisfactory criminal history background check determination must not serve as an employee of a licensed personal care home if it is determined that such person has a criminal record, unless an administrative law judge has determined that the employee is authorized to work in the personal care home.~~

~~(b) Where an applicant for employment has not been a resident of the state for three (3) years preceding the application for employment, the personal care home must attempt to obtain a criminal history background check from the local law enforcement agency of the applicant's previous state of employment.~~

~~(c) A personal care home must require its employee to immediately submit to a fingerprint records check when the Department provides the personal care home with written notice of any one of the following:~~

~~1. There is reason to believe that the employee has acquired a criminal record as defined in O.C.G.A. § 31-7-250 or specific rules passed pursuant to the statute subsequent to the Department's issuance of the permit.~~

~~2. The fingerprint record check is required to confirm identification for record search purposes.~~

~~3. The fingerprint record check is required in connection with an abuse, neglect or exploitation investigation.~~

- (10) The administrator or on-site manager must obtain and verify a five-year employment history when possible for each employee and maintain documentation in the employee's file. If the potential employee has no prior employment history, then the home must retain documentation of a satisfactory personal reference check.
- (11) Personnel file(s) for each employee must be maintained either in the home or available for inspection by departmental staff within one hour of request or prior to the end of the on-site survey and for three years following the employee's departure or discharge. These files must include all of the following:
  - (a) Evidence of a satisfactory fingerprint record check determination, ~~if applicable or a satisfactory criminal history background check determination.~~
  - (b) Report of a physical examination completed by a licensed physician, nurse practitioner or physician assistant.
  - (c) Evidence of trainings, skills competency determinations and recertifications as required by these rules and, if applicable, the Rules for Proxy Caregivers, Chapter 111-8-100.
  - (d) Employment history, if previously employed, including places of work, employers and telephone contacts with previous employers.
  - (e) Supporting documentation reflecting that the employee has the basic qualifications as represented, e.g. personal references, documentation of good standing by nursing board, no findings of abuse, neglect or exploitation entered against the individual in the nurse aide registry, satisfactory report of motor vehicle driving record where the employee may be transporting residents.

- (f) Written evidence of satisfactory initial and annual work performance reviews, which can take the form of skills competency checklists, for unlicensed staff providing hands-on personal care. Where the unlicensed staff performs specialized tasks, such as health maintenance activities, such performance reviews must include the satisfactory completion of skills competency checklists as specified in applicable rules. Such reviews must be conducted by staff or contractors qualified by education, training and experience to assess that the assigned duties are being performed in accordance with applicable rules and accepted health and safety standards.
- (12) Where the home permits a resident to hire his or her own companion-sitter, proxy caregiver to perform health maintenance activities or aide of any sort, the home must require assurance that the companion-sitter, proxy caregiver or aide so hired is familiar with emergency evacuation routes and has documentation reflecting compliance with the provisions of the Rules for Proxy Caregivers, Chapter 111-8-100, as applicable.

**Authority:** O.C.G.A. §§ 31-2-7, 31-2-9, 31-7-2.1, 31-7-12 and 31-7-350.

**Rule 111-8-62-.11 Home Accountability and Inspections**

- (1) The home and its records must be available for review and examination by properly identified representatives of the Department. Inspections may be conducted both on an announced and unannounced basis. Unannounced inspections shall be conducted as needed.
- (2) Where the Department identifies rule violations, the home will receive a written report of inspection. Within 10 days of receipt of the written report of inspection, the home must develop a written plan for correcting any rule violations identified. The plan of correction must identify the specific actions the home will take promptly to come into compliance with each rule for which a deficient practice was identified and file the plan with the Department as directed.
- (3) If the home disagrees with the facts and conclusions stated in the inspection report, the home may include with its plan of correction a written statement explaining its disagreement and any evidence supporting the disagreement to the Department. Where the Department concurs with the written statement of disagreement, the Department will issue a revised inspection report to the home.

- (4) A copy of the most recent inspection report and plan of correction must be displayed in the home in a location that is routinely used by the home to communicate information to residents and visitors. Additionally, if the home maintains a website, it shall post a web link in a prominent location on the main page of the website that provides access to copies of all inspection reports and plans of correction from the previous 18 months. ~~When~~ the Department develops a web site for receiving plans of correction electronically and notifies the home on the inspection report of the appropriate internet address, the home also must file its plan of correction electronically on the Department's web site within 10 days of receipt of the written report of inspection ~~or submit it in writing to the Department within 10 days.~~
- (5) The home must assess the effectiveness of its plan of correction in correcting the deficient practice and modify the plan of correction as necessary to ensure compliance with the rules.
- ~~(6) The home must complete and maintain an accurate and current licensed residential care profile using the specific form made available by the Department. The licensed residential care profile must be made available by the home for inspection upon request by any person.~~
- ~~(67)~~ The home must complete and maintain an accurate and current licensed residential care profile on file with the Department when the Department makes available a system for the submission and collection of such information electronically.
- ~~(78)~~ The home must provide services that are consistent with the information reported on its licensed residential care profile, its license and these rules.
- ~~(89)~~ A personal care home which is not licensed as an assisted living community must not use the term "assisted living" in its name or marketing materials.

**Authority:** O.C.G.A. §§ 31-2-7, 31-7-1, 31-7-3, 31-7-2.1, 31-7-12, 31-7-12.2 and 31-7-12.3.
