

DGW Scavenger Hunt: Multiple Ways to Participate!

This year, we've added even more fun to Data Geek Week with both in-person and virtual scavenger hunts! Whether you're on-site or working remotely, you can join in the excitement:

In-Person Scavenger Hunt

How to Play In Person:

1. Search for DGW Geek Glasses hidden in common areas throughout the building.
2. **Claim Your Prize:** If you find a pair of glasses, bring them to one of the in-person sessions on Tuesday, September 10, or Wednesday, September 11, to claim your prize in person.

Winner Announcement:

Participants who find the glasses will be acknowledged in a follow-up email or during the closing session of DGW.

Virtual Scavenger Hunt

Can't be there in person? No problem! Participate in our virtual scavenger hunt. Virtual participants will also have the chance to win prizes!

How to Play Virtually:

1. **Daily Item:** Each day of Data Geek Week, a specific item or theme will be announced.
2. **Submission:** Take a photo of the item and email it, along with your name, email address, and the date, to dss.questions@dch.ga.gov with "**Scavenger Hunt**" in the subject line. Please note that submissions are only accepted on the same day the item is announced (e.g., you cannot submit Monday's item on Wednesday). Only one submission per day is allowed.
3. **Participation:** Submit a photo for each day to be eligible to be entered into the raffle to win a prize.
4. **Raffle:** Participants who submit all required photos will be entered into a raffle for a prize. The more days you play the more chances to have your name entered into the raffle.
5. **Prizes:** A prize will be given to the winner.

Communication:

- **Announcements:** The "Item of the Day" will be announced daily via email.
- **Reminders:** Daily reminders will be sent to encourage participation.
- **Winner Announcement:** The raffle winner will be announced during the closing session and via email.

No matter where you are, there's a way to get involved and win during DGW!!
