**TO:** All Boards of Education, RESAs, Charter Schools and Georgia Military College

**FROM:** State Health Benefit Plan

**SUBJECT:** Correction to the SHBP Public School Employee Plan Employer Contribution Rates for Non-Certificated Employees for PY 2018 approved by the Board of Community Health in the August 10, 2017 Board Meeting

**DATE:** August 10, 2017

---

Please note that the resolution entitled “SHBP Teachers Plan Employer Contribution Rates and Public School Employee Plan Employer Contribution Rates” presented to the Board of Community Health today, August 10, 2017, contained an error in reference to the Public School Employee Plan Employer contribution rate for Non-Certificated Employees. This rate should have been \$945 monthly (i.e., PMPM), rather than the \$846.20 monthly (i.e., PMPM) that was included in the Resolution. The \$945 monthly rate was included in the approved Appropriations Act of Fiscal Year 2018 as an increase scheduled to occur on January 1, 2018, which will bring the contribution rate to the Public School Employer Plan in parity with the Teacher’s Plan.

A corrected Resolution will be presented to the Board of Community Health at a future DCH Board meeting for approval. This corrected Resolution will contain the \$945 monthly rate in conformity with the FY18 Appropriations Act, and will be effective on January 1, 2018.

Please note this memo reflects the corrected rate that was provided to you in the Memorandum dated June 20, 2017, attached for your reference.
