PUBLIC NOTICE

Invitation for Proposals Released on October 23, 2026 for State Health Benefit Plan Regional Medical Procurement

The Georgia Department of Community Health's (DCH) State Health Benefit Plan (SHBP) issued a Regional Medical - Invitation for Proposals (IFP) on October 23, 2026 for response by interested parties. SHBP is responsible for administration of the health insurance coverage for state employees, teachers, public school system employees and retirees who elected coverage (including annuitants and former employees on extended coverage), and covered dependents.

The IFP also includes a separate opportunity to administer the fully-insured, Regional Medical, Pharmacy and Wellness services for the Board of Regents of the University System of Georgia (USG). USG is responsible for 25 public colleges and universities across the state of Georgia, including four research universities, four comprehensive universities, eight state universities and nine state colleges. It also includes the Georgia Public Library Service and the Georgia Archives. USG manages the administration of healthcare plans on behalf of eligible employees and their families.

SHBP and USG are seeking highly qualified Regional Medical organization(s) that will partner on a multi-year agreement to manage the fully-insured Active and Pre-65 Medical, Pharmacy and Wellness plan options, claims processing and oversight, member services, maintenance of a robust provider and facility network within a defined 32 county service area, supporting clinical and medical management programs, and maintaining compliance with any State and Federal rules and regulations.

Important Next Steps and Deadlines for Organizations Interested in this Bidding Opportunity:

1) Send an email to SHBP.IFP@dch.ga.gov to register for official communications regarding this procurement, if you have not already done so.
2) Plan to join the Virtual Offerors Conference on **October 28, 2026**, which is optional and open only to those organizations who have registered (see step 1 above).
3) Submit a formal Letter of Intent to bid no later than **October 30, 2026**, in order to gain access to the official Statewide Medical TPA IFP.

The anticipated due date for IFP responses is **December 2, 2026 @ 5 p.m. ET.**

The public notification has been posted to the State Health Benefit Plan's website at https://shbp.georgia.gov/regional-medical-and-statewide-medical-third-party-administrator-services-ifp.
