ANNUAL LICENSE RENEWAL PAYMENTS

The Rules and Regulations for General Licensing and Enforcement Requirements, Chapter 111-8-25, require licensed providers to pay licensure activity fees **annually**. The department no longer mails annual licensing fee invoices. ***The annual fees are due October 31st and collected through December 31st each year without penalty.*** A late fee of \$150 is automatically added to your balance on January 1st each year.

A new and simplified way to view and understand annual fees:

Fees paid between October and December 31st are good for the following **calendar** year. For example, if your annual fees are current, fees paid in November 2021 are good for Calendar year 2022.

Regardless of when your initial licensing fee was paid, the payment is good for that **calendar** year. For example, if you pay your initial license fee in June and are licensed in August 2021- The initial license fee is good for **calendar** year 2021. The renewal fee due in October 2021 is for calendar year 2022.

How and where to pay annual licensing fees:

You must pay your annual licensing fees in our payment web portal. This link is permanently located on the Healthcare Facility Regulation Home page. Here is the direct link for your convenience.

<https://forms.dch.georgia.gov/Forms/Payments>

The department accepts Visa, Mastercard, Discover and American Express. ACH payments are also accepted using your checking account.

LICENSURE ACTIVITY FEES COLLECTED BY THE DEPARTMENT ARE NOT REFUNDABLE.

If you have questions regarding annual licensing activity fees, please send your inquiry to:
