

## NARCOTIC TREATMENT PROGRAM APPLICATION CHECKLIST

For your convenience, an application checklist has been created to outline the required documents for each application submission. Please upload all required documents in the Narcotic Treatment Program (NTP) application packet. As a reminder, all policies and procedures must be established as part of the requirements for regulations and readily available upon request.

Upon application submission and payment, if required, you will receive an acknowledgement email. Applications are reviewed in the order they are received by our office. The initial review time frame is **30 business days** from the application submission date.

The official rules for Narcotic Treatment Programs are on record with the Georgia Secretary of State's Office at <http://rules.sos.state.ga.us/>. A courtesy copy of the rules for Narcotic Treatment Programs can be found on Healthcare Facility Regulation Division website at <https://dch.georgia.gov/divisionsoffices/healthcare-facility-regulation/hfr-laws-regulations>.

The online application portal can be accessed at <https://gahles.dch.georgia.gov/>. All correspondence regarding the status of your application will be sent to the email address provided for the contact person on your application. If additional documentation is required, you will receive an email from [hfrd.applicationswaivers@dch.ga.gov](mailto:hfrd.applicationswaivers@dch.ga.gov) containing a link to the application portal and a verification code. Please open the email, copy the invitation code, and paste it into the provided link to check your application status.
