For your convenience, an application checklist has been created to outline the required documents for each application submission. Please upload all required documents in the Drug Abuse Treatment and Education Program (DATEP) application packet. As a reminder, all policies and procedures must be established as part of the requirements for regulations and readily available upon request.

Upon application submission and payment, if required, you will receive an acknowledgement email. Applications are reviewed in the order they are received by our office. The initial review timeframe is **30 business days** from the application submission date.

The official rules for Drug Abuse Treatment and Education Program are on record with the Georgia Secretary of State's Office at <http://rules.sos.state.ga.us/>.
