

END STAGE RENAL DISEASE FACILITY APPLICATION CHECKLIST

For your convenience, an application checklist has been created to outline the required documents for each application submission. Please upload all required documents in the End Stage Renal Disease (ESRD) Facility application packet. As a reminder, all policies and procedures must be established as part of the requirements for regulations and readily available upon request.

Upon application submission and payment, if required, you will receive an acknowledgement email. Applications are reviewed in the order they are received by our office. The initial review timeframe is **30 business days** from the application submission date.

The official rules for End Stage Renal Disease Facilities are on record with the Georgia Secretary of State's Office at <http://rules.sos.state.ga.us/>.

The online application portal can be accessed at <https://gahles.dch.georgia.gov/>. All correspondence regarding the status of your application will be sent to the email address provided for the contact person on your application. If additional documentation is required, you will receive an email from HFRD_do_not_reply@dch.ga.gov containing a link to the application portal and a verification code. Please open the email, copy the invitation code, and paste it into the link provided to check your application status. Upload the requested documents, confirm that all documents have been uploaded, and click submit. You will receive a confirmation email acknowledging that we have received your documents. Failure to upload the requested documents will result in the denial of your application.
