

The 2014 State Health Benefit Plan Coinsurance Waiver Medication List

As a State Health Benefit Plan member, if you enroll and actively participate in a Blue Cross and Blue Shield Personal Health Coaching program for asthma, diabetes or cardiac disease management (DM), you may be eligible to receive the drugs listed below at no cost. Please call the BCBSGa Member Services number 855.641.4862 for more details about program participation requirements.

For more information regarding these medications call Express Scripts Member Services toll-free at 877.841.5227.

Please Note: The Accu-Chek meters and test strips are no longer part of the coinsurance waiver program. They will be covered under tier 3, however if you are enrolled and actively participate in the BCBSGa diabetes disease management program and want your coinsurance waived for your meters and strips, it will be necessary to switch to a One-Touch or SureStep Meter. A meter to replace your current Accu-check meter will be mailed out for free with no cost to the member or the plan. Additional information on how to obtain your free meter will be mailed to you prior to January 1, 2014.
