

STATE HEALTH BENEFIT PLAN (SHBP) 2016 ACTIVE EMPLOYEE TOBACCO USERS CESSATION POLICY FOR KAISER PERMANENTE (KP) MEMBERS

This policy applies to Kaiser Permanente members who are tobacco users and paying the tobacco surcharge. This policy allows you to have the tobacco surcharge removed by completing the Tobacco Surcharge Removal Requirements through Kaiser Permanente.

The surcharge (\$80 per month) applies if the member or any of the member's enrolled dependents are not tobacco-free or do not complete the Tobacco Surcharge Removal Requirements.

If you and your enrolled dependents complete the Tobacco Surcharge Removal Requirements, you will be able to avoid the surcharge for the entire year. This means that all of the tobacco surcharge you paid in 2016 may be refunded after the completion of all of the Tobacco Surcharge Removal Requirements. All Tobacco Surcharge Removal Requirements must be completed in 2016.

Kaiser Permanente offers a variety of options to assist SHBP member's efforts to quit using tobacco products. Such options include:

- **Quit Tobacco** – Telephonic Wellness Coaching
- **Breathe** – Online Healthy Lifestyle Program
- **QuitSmart** - Onsite group support

The following steps for Tobacco Surcharge Removal are for SHBP members covered under the Kaiser Permanente Plan Option ONLY and will not satisfy surcharge removal requirements for members enrolled in other Plan Options.

Tobacco-Free means that you have not used tobacco products within the last 60 days.
