

**STATE HEALTH BENEFIT PLAN (SHBP)  
2017 RETIREE TOBACCO USERS CESSATION POLICY  
FOR NON-MEDICARE ADVANTAGE  
BLUE CROSS AND BLUE SHIELD OF GEORGIA (BCBSGa)  
AND  
UNITEDHEALTHCARE MEMBERS**

**It takes 6 to 8 weeks to complete the Tobacco Surcharge Removal Requirements.  
You must complete the Healthways Well Being Assessment and a telephonic well-being coaching program or any online tracking by December 15, 2017.**

This policy applies to non-Medicare Advantage BCBSGa and UnitedHealthcare members who are tobacco users and paying the tobacco surcharge. This policy allows you to have the tobacco surcharge removed by completing the Tobacco Surcharge Removal Requirements through your well-being vendor Healthways as outlined below.

The surcharge (\$80 per month) applies if the member or any of the member's enrolled dependents are not tobacco-free or do not complete the Tobacco Surcharge Removal Requirements.

Healthways offers telephonic tobacco cessation coaching programs to assist SHBP members and their dependents to quit using tobacco products. SHBP members are allowed to participate in tobacco cessation coaching at no additional cost to them. For complete details or to sign-up for the telephonic tobacco cessation coaching, please call Healthways at: 888-616-6411 or for the online tobacco cessation program go to [www.BeWellSHBP.com](http://www.BeWellSHBP.com) and select Tobacco Cessation.

If you and your enrolled dependents complete the Tobacco Surcharge Removal Requirements, you will be able to avoid the surcharge for the entire year. This means that all of the tobacco surcharge you paid in 2017 may be refunded after the completion all of the Tobacco Surcharge Removal Requirements. All Tobacco Surcharge Removal Requirements must be completed in 2017.

### **Qualifying Events**

Members currently paying the tobacco surcharge due to a covered dependent (spouse or child) utilizing tobacco who experience a qualifying event may be eligible to have the tobacco surcharge removed if no other covered dependent is utilizing tobacco.

To be eligible for a refund of 2017 tobacco surcharges paid prior to the qualifying event, the tobacco user must have completed all Tobacco Surcharge Removal Requirements prior to the qualifying event.

### **Tobacco Surcharge Removal Requirements**

**The following steps are for SHBP members covered under non-Medicare Advantage BCBSGa and UnitedHealthcare Plan Options ONLY and will not satisfy surcharge removal requirements for members enrolled in other Plan Options.**
