<b>Rule 111-8-63-.14</b>	<b>Emergency Preparedness</b>
<b>Rule 111-8-63-.16</b>	<b>Admission Agreements</b>

### Rule 111-8-63-.03 Definitions

In these rules, unless the context otherwise requires, the words, phrases and symbols set forth herein shall mean the following:

"Personal Services" includes, but is not limited to, individual assistance with or supervision of self-administered medication, assistance, essential activities of daily living such as eating, bathing, grooming, dressing, toileting, ambulation and transfer.

- (ii) "Proxy caregiver" means an unlicensed person ~~or a licensed health care facility that~~ who has been selected by a disabled individual or a person legally authorized to act on behalf of such individual to serve as such individual's proxy caregiver, ~~and meets the requirements contained in the Rules and Regulations for Proxy Caregivers Used in Licensed Healthcare Facilities, Chapter 111-8-100, provided that such person shall receive training and shall demonstrate the necessary knowledge and skills to perform documented health maintenance activities, including specialized procedures for such individual.~~

### Rule 111-8-63-.14 Emergency Preparedness

- (1) An assisted living community must comply ~~with the requirements of Chapter 111-8-16, Rules and Regulations for Disaster Preparedness Plans, develop and maintain a building evacuation plan which contains procedures and mechanisms for alerting and escorting residents to safety when the building must be evacuated as a result of an emergency.~~
- (2) ~~Lists of residents with room number designations that require assisted self-preservation must be readily accessible to staff responsible for evacuating residents.~~
- (23) Building evacuation maps with routes of escape clearly marked must be posted conspicuously on each floor of the assisted living community. Assisted living communities must have a clearly accessible route for emergencies throughout the common areas of the assisted living community.
- (4) ~~In addition to the building emergency evacuation plan, each assisted living community must develop and utilize a comprehensive emergency preparedness plan for responding to internal and external disasters and emergency situations which address obtaining emergency transportation, sheltering in place, loss of power and water, evacuation and transporting the residents away from the community utilizing a plan format acceptable to the Department.~~
- (35) The disaster preparedness plan must be readily accessible to staff, residents and their families at the assisted living community and identify the staff position(s) responsible for implementing the plan, obtaining necessary emergency medical attention or intervention for residents.
- (6) ~~The plan must describe clearly how the emergency procedures will be carried out for potential emergency situations or disasters which might likely occur, such as forced evacuation, utility outage or sheltering in place as a result of a hurricane or tornado. The~~

~~emergency procedures must answer the questions of "who, what, when, where, and how" the assisted living community will be ready to act effectively and efficiently in an emergency situation.~~

- ~~(7) The entire plan must be rehearsed at least annually with the exception of fire evacuation which must be rehearsed in compliance with fire safety standards. Written and accurate records of rehearsals, including the names of all residents, staff and volunteers participating and times necessary to execute the evacuation rehearsals must be maintained.~~
- ~~(8) The assisted living community must maintain written records of all incidents which require implementation of the emergency preparedness plan, including a written critique of the performance under the plan.~~
- ~~(9) The plan must be made available to the local emergency management agency and shared with other organizations involved in disaster preparedness and recovery upon request.~~
- ~~(10) The plan must be reviewed and updated as changes in circumstances require and at least annually. Written records of plan reviews, incidents, critiques and rehearsals, must be maintained for two years following the action being recorded.~~
- ~~(11) The assisted living community must notify the Department as soon as practicable when an emergency situation occurs which requires implementation of the emergency preparedness plan, but in no event later than one business day after the emergency situation. Such notification to the Department may be verbal initially and must be followed up in writing within three business days.~~
- ~~(412) The assisted living community must provide timely notification of the relocation address to the residents, their family contacts and representatives, if any, and the Department whenever the assisted living community must relocate the residents as a result of an emergency situation which disrupts the provision of room and board for the residents at the licensed location.~~
- ~~(13) Emergency Suspension of Rules. The Department may suspend the requirements of these rules where the Governor of the State of Georgia has declared an emergency or disaster and authorizes the suspension of laws and rules as deemed necessary.~~

#### **Rule 111-8-63-.16 Admission Agreements**

- (1) **Contents of the Written Admission Agreement.** The assisted living community must ensure that the admission agreement is written in plain and understandable language and is consistent with the information contained on the licensed residential care profile.
  - (a) The admission agreement must include a current statement of all fees and daily, weekly or monthly charges; the services covered by those basic fees and any other services which the assisted living community provides on an additional fee basis.

- (b) The admission agreement must contain a statement that residents and their representatives or legal surrogates shall be informed, in writing, at least ~~360~~ days prior to any increasechanges in established charges related to the provision of personal services and at least 60 days prior to any increase in charges for room and boardcharges and services.
- (c) The admission agreement must contain provisions for the administrator or on-site manager's continuous assessment of the resident's needs, referral for appropriate services as may be required if the resident's condition changes and referral for transfer or discharge if required due to a change in the resident's condition.
- (d) The admission agreement must contain a description of how the community responds to formal complaints received from residents and their representatives and how to file a complaint within the community.
- (e) The admission agreement must contain provisions for transportation of residents for shopping, recreation, rehabilitation, medical services. Such transportation service may be provided by the assisted living community as either a basic service or on a reimbursement basis; with transportation for emergency use available at all times.
- (f) The admission agreement must include the assisted living community's refund policy when a resident dies, is transferred or discharged.
- (g) The admission agreement must include a statement that a resident may not be required to perform services for the assisted living community.
- (h) The admission agreement must include a copy of the house rules, which must be in writing and also posted in the assisted living community and explain how violations of the house rules will be addressed by the community. House rules must be consistent with residents' rights.
