Subject: FY 2014 Disproportionate Share Hospital (DSH) Data Survey

BY ELECTRONIC MAIL

As required by federal guidelines, the Department will use updated source data to determine a hospital's eligibility to receive funds from the Disproportionate Share Hospital (DSH) and Upper Payment Limit (UPL) programs for State Fiscal Year 2014. While some required data elements may be available from the Department's records or from hospital cost reports, other data elements can only be obtained by survey. The "ICTF/DSH Survey" form is now available for use in collecting data regarding hospital fiscal years ending (FYE) in 2012.

SURVEY INSTRUCTIONS:

A blank copy of the survey can be obtained from the Department's web site at www.dch.georgia.gov by selecting links for "Providers," "Provider Types," "Hospital Providers" and "Indigent Care Trust Fund." Please note the survey is broken down into two parts and both parts must be completed. To assist in the completion of the survey, hospital-specific surveys containing HCRIS data will be emailed to the applicable hospital contacts. These surveys can be used if the hospital completes the survey using the Medicare version of its cost report. Instructions about how to submit the completed form can be found on a tab in the survey file. FYE 2012 Hospital Statistical & Reimbursement (HS&R) reports will be available later next week at the bottom of the website location referenced above. Hospitals have the option of requesting CMO HS&Rs from the CMOs directly or they may use self-reported CMO HS&R data. Medicare/Medicaid crossover and CMO reports will be emailed to hospitals by Myers and Stauffer next week. These reports may be used to reconcile to the hospitals' crossover and CMO internal data. The FY 2014 survey contains historical information linked to your hospital's facility name such as ownership status and Medicare and Medicaid provider number. **Please verify this**

information is correct when completing the survey. If this information is incorrect or has changed during the year, please make a note on the survey.

Last date to submit the survey is November 8, 2013.

Please note that a hospital **must** submit a completed ICTF/DSH Survey **in order to be eligible** for consideration to receive available DSH funds.

If you have any questions during the completion of the surveys, please contact Myers & Stauffer at (800)374-6858 and indicate that you have a Georgia DSH question. If you prefer e-mailing your questions, you can contact Myers and Stauffer by e-mail at gadsh@mslc.com.

If you have any questions about this notice, please contact Annetta Smith, Program Director for Supplemental Reimbursement, at (404) 463-6669.
