

REVISED

**NURSING FACILITY SERVICES – GENERAL AND PROFESSIONAL LIABILITY
INSURANCE RATE INCREASE**

Pending Centers for Medicare and Medicaid Services (CMS) approval and effective for services provided on or after July 1, 2018 and subject to payment at fee for service rates, the Department proposes to modify and increase the payment for nursing facility services as follows:

- Remove applicable FY 2012, 2013, or 2014 general and professional liability insurance costs from the Administrative and General Cost Center for each nursing facility and recalculate a new Administrative and General Cost Center standard per diem.
- Create a supplemental Administrative and General - General and Professional Liability Insurance Cost Center. This new cost center will include each nursing facility's FYE June 30, 2018 general and professional liability insurance costs that are not subject to a standard per diem, but limited to available funds.

This change is estimated to increase nursing facility expenditures for SFY 2019 as follows:

<u>Program</u>	<u>State Funds</u>	<u>Federal Funds</u>	<u>Total Funds</u>
