- Pedestrian detours will also be in place.
- Peachtree Street entrances to the No. 2 Peachtree Street Building, the Wachovia Bank Building and the 5 Points Plaza Building will be closed during construction, however, entrances to those buildings along adjacent streets will be available. MARTA's Five Points Station Peachtree Street Entrance will remain open throughout construction.
- There will be an aesthetically pleasing security fence, as well as concrete barrier around the work area. A 5-foot pedestrian passage will be maintained, but limited, around the exterior of the security fence. No pedestrian traffic will be allowed underneath the bridge during construction.
- Lower Wall Street will be closed throughout the construction phase. A temporary loading dock for the No. 2 Peachtree Street building will be provided on Lower Wall Street on the northwest side of the Peachtree Street Bridge.
