- Safety
- Professional Standards

Where we came from....

- The Division was created out of SB433 (2008) and HB228 (2009).
- Assembled from the sections transferred from the Office of Regulatory Services.
- All transferred sections in some way regulated a healthcare function.

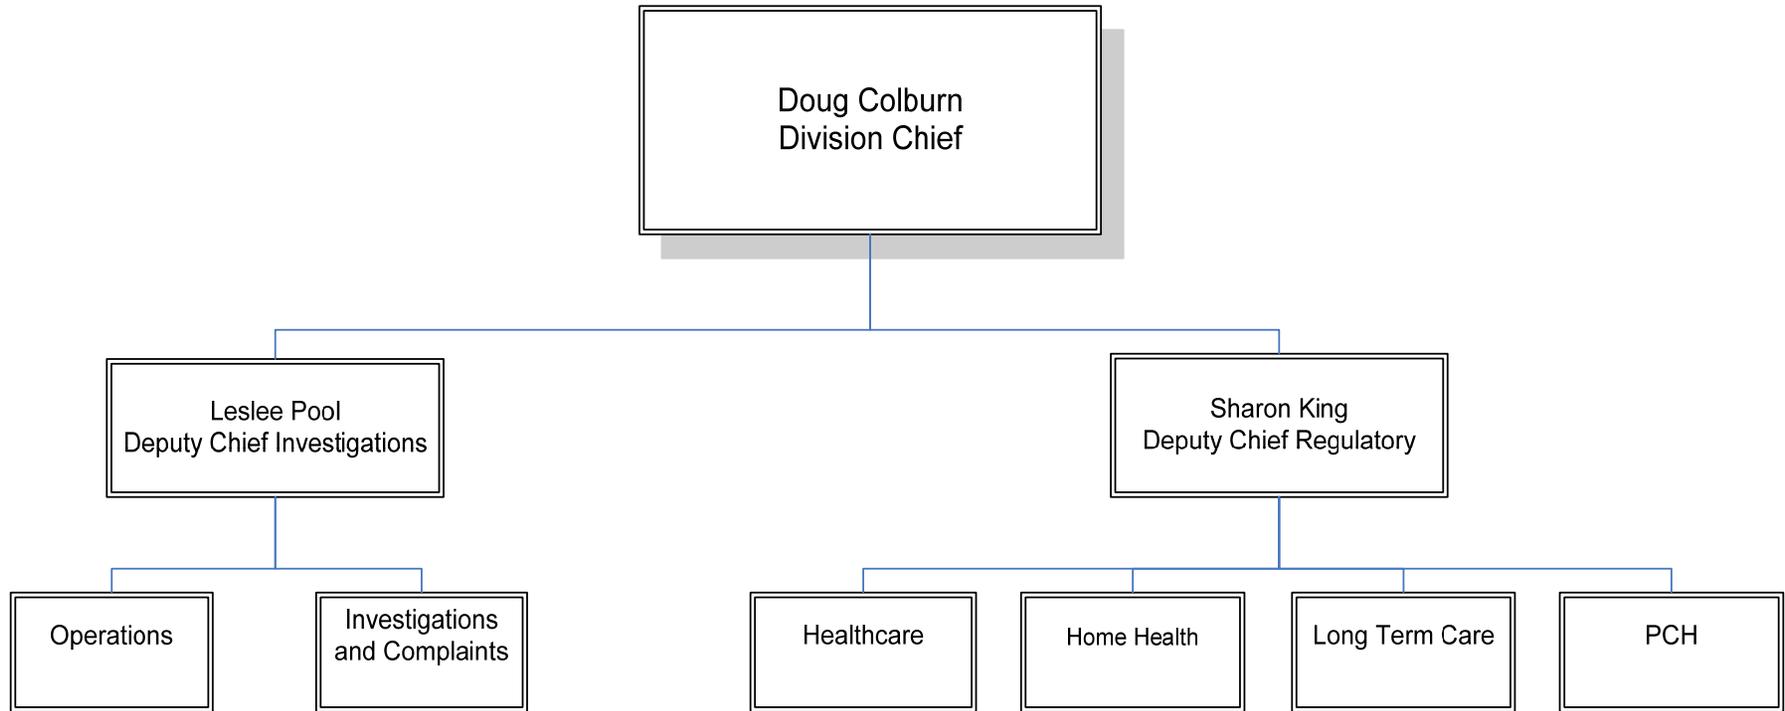

July 1, 2009

- 230 FTE's will transfer
- 166 FTE's are filled
- 64 vacancies
- New look for regulation
 - Complaint/Investigation
 - Survey/Certification

Organizational Chart

Looking forward....

- New approach will streamline business processes
 - Rapid complaint response
 - Uninterrupted surveys
 - Reduced initial survey times
- New website – faster, more efficient
 - People
 - Provider
- Concentration on training
