Important Information

THIS IS NOT AN INSURED BENEFIT PLAN. THE BENEFITS DESCRIBED IN THIS BOOKLET OR ANY RIDER ATTACHED HERETO ARE SELF-INSURED BY STATE HEALTH BENEFIT PLAN WHICH IS RESPONSIBLE FOR THEIR PAYMENT. CIGNA HEALTH AND LIFE INSURANCE COMPANY (CIGNA) PROVIDES CLAIM ADMINISTRATION SERVICES TO THE PLAN, BUT CIGNA DOES NOT INSURE THE BENEFITS DESCRIBED.

THIS DOCUMENT MAY USE WORDS THAT DESCRIBE A PLAN INSURED BY CIGNA. BECAUSE THE PLAN IS NOT INSURED BY CIGNA, ALL REFERENCES TO INSURANCE SHALL BE READ TO INDICATE THAT THE PLAN IS SELF-INSURED.

Introduction

This booklet is your Summary Plan Description (SPD) and describes the provisions of State Health Benefit Plan and this Health Reimbursement Account Plan Option under the State Health Benefit Plan. This Health Reimbursement Account Plan Option is referred to in this booklet as the “HRA Option,” and the State Health Benefit Plan is referred to as the “SHBP” or “the Plan.” You have this SPD because you are enrolled in the HRA Option under the SHBP and you made the Wellness Promise. Use this SPD as a reference tool to help you understand the Plan and maximize your coverage.

The SHBP consists of three plans established by Georgia law: a plan for State employees, a plan for public school teachers, and a plan for public school employees other than teachers. The SHBP is self insured, and is governed by certain Georgia laws, the regulations of the Department of Community Health (DCH), Chapter 111-4-1 Health Benefit Plan, and resolutions of the Board of Community Health that establish required contributions that must be paid to the SHBP. If there are discrepancies between the information in this SPD and DCH regulations or the laws of the state of Georgia, or the Board resolutions setting required contributions, those regulations, laws and resolutions will govern at all times.

This booklet is notice to all Covered Persons of the Plan’s eligibility requirements and benefits payable under the HRA Option for services provided on or after January 1, 2012, unless otherwise noted. Any and all statements to Covered Persons or to providers about eligibility, payment or levels of payment that were made before January 1, 2012 are canceled if they conflict in any way with the provisions described in this booklet.

The Department of Community Health is the Plan Administrator, and reserves the right to act as sole interpreter of all the terms and conditions of the Plan, except where expressly delegated to the Claims Administrator. The Plan Administrator has delegated full responsibility for claims administration to CIGNA, the Claims Administrator for the Plan. The Claims Administrator processes and pays claims in accordance with the terms of the Plan, this booklet and the separate medical policy guidelines that serve as supplement to this booklet to more fully define eligible charges. The Claims Administrator has the discretion to interpret the terms of the Plan when processing and paying claims and makes final decisions with respect to medical and pharmacy claims.

The Department of Community Health also reserves the right to modify the benefits, level of benefit coverage and eligibility/participation requirements for the Plan at any time, subject only to reasonable notification to Members. When such a change is made, it will apply as of the modification’s effective date to any and all charges incurred by Members on that day and after, unless otherwise specified by the DCH.

How to Use this Document

We encourage you to read your SPD.

We especially encourage you to review the benefit limitations of this SPD by reading **The Schedule and Exclusions**. You should also carefully read the section titled **Legal Notices – Department of Community Health** and **CIGNA Federal Other General Legal Requirements** to better understand how this SPD and your benefits work. You should call CIGNA if you have questions about the limits of the coverage available to you.

Many of the sections of the SPD are related to other sections of the document. You may not have all of the information you need by reading just one section. We also encourage you to keep your SPD and any attachments in a safe place for your future reference.

Please be aware that your Physician does not have a copy of your SPD and is not responsible for knowing or communicating your benefits.

Information about Defined Terms

Because this SPD is a legal document, we want to give you information about the document that will help you understand it. Certain capitalized words have special meanings. We have defined these words in the section titled **Definitions**. You can refer to the **Definitions** section as you read this document to have a clearer understanding of your SPD.

When we use the words "we", "us", and "our" in this document, we are referring to the Department of Community Health, SHBP Division. When we use the words "you" and "your" we are referring to people who are Covered Persons.

Fraud and Abuse

Please notify the Plan of any fraudulent activity regarding Plan Members, providers, payment of benefits, etc. Call 1-800-633-8519.

Your Contribution Requirements

All Members are required to make regular contributions (called premiums) in order to maintain coverage. All contributions by active employees must be made through salary deductions. Contributions by former employees must be made through annuity deductions, if possible, or through direct payments. The Board of Community Health sets the contribution requirements by resolution. Usually the contribution requirements are set on an annual basis before Open Enrollment and the Retiree Option Change Period, but contributions may be changed by the Board at any time, subject to advance notice. It is the Member's responsibility to make sure that the contributions paid are appropriate for the plan option selected. Contact your benefits representative for information about the required contributions you are responsible for paying.

Wellness Features

CIGNA Quit Today Tobacco Cessation Lifestyle Management Program

Cigna's Quit Today program can help plan members, over the age of 18, develop a personal quit plan to become and remain tobacco free. As part of Cigna's Quit Today online or telephonic lifestyle management program you have the option to receive one cycle of over the counter (OTC) nicotine replacement therapy patch and/or gum, which are available without a prescription at no cost to you. For more information about this program please visit www.mycigna.com or call 1-800-633-8519.

Tobacco Cessation – Nicotine Replacement Therapy (NRT) Prescription Medications

For plan members, over the age of 18, prescriptions for NRT medications will be covered when you participate in Cigna's telephonic Quit Today tobacco cessation program. Coverage will be allowed for one quit attempt and related prescription per member, per plan year, up to a 12-week therapy. To enroll contact Cigna at the number on the back of your Cigna identification card. Once you complete the initial steps to enroll, Cigna will update its systems to show you're enrolled in the program and an authorization for the NRT prescription will be entered into Cigna's pharmacy system. Contact your doctor and obtain a prescription for the first 30-day supply of the nicotine replacement medication. For a list of covered NRT medications please see the Cigna Pharmacy Drug list at www.cigna.com/shbp. Prescriptions are covered as outlined under the plan pharmacy benefit schedule included in this document.

You must remain actively engaged in the program to receive authorization for subsequent refills, up to a maximum of a 12-week supply in any one plan year. Any additional tobacco cessation prescriptions will be your responsibility.

Tobacco Surcharge

Tobacco surcharges are included in all SHBP Options other than Medicare Advantage Options. These surcharges promote tobacco cessation and use of the Tobacco Cessation Wellness Telephonic Coaching Program.

Wellness Benefit Plan Incentive

Members enrolled in any SHBP WELLNESS Plan option are paying lower premium contributions and receiving richer plan benefits because they made a Wellness Promise. Members who fulfill the Wellness Promise requirements by the June 30, 2012 deadline will be able to enroll in any of the SHBP WELLNESS Plan Options offered in 2013. To meet the Wellness Promise requirements, you and your Spouse (if covered) must complete the online **Health Assessment** through www.myCIGNA.com between January 1, 2012-June 30, 2012, AND you and your Spouse (if covered) must obtain between July 1, 2011-June 30, 2012 **an approved biometric screening** that provides results for body mass index (BMI), blood pressure, Total cholesterol and glucose for each of you. Only biometric screenings performed through a physician's office or at an SHBP sponsored worksite screening event are approved. If a biometric screening is performed through a physician's office, the physician must complete the Fax Notification Form and securely fax the Form (with all four biometric results) to CIGNA no later than June 30, 2012.

Note: Biometric screenings may be performed through Out-of-Network or Network physicians. You will pay the full cost of the screening if it is performed by an Out-of-Network physician.

Biometric screenings performed through Network physicians are considered preventive and are covered at 100% if properly coded as preventive care. Biometric screenings performed at an SHBP sponsored worksite screening event are also covered at 100%. The Fax Notification Form is available as of January 1, 2012 at

www.myCIGNA.com/shbp. If a biometric screening was completed July 1, 2011 or after, but prior to the Fax Notification Form being available, it will be necessary to contact the physician and have him or her fill out the Fax Notification Form completely and legibly and fax it to CIGNA by the deadline. If the biometric screening is obtained at an SHBP sponsored worksite event, the results will be sent directly to CIGNA by the screening vendor. Please make sure to retain a copy of your screening results from the worksite screening event or from your physician for your records.

Through the SHBP Wellness Plan Options, CIGNA will, in addition to providing helpful recommendations about preventive care, help you keep track of whether you have completed your online health assessment and approved biometric screening. To confirm your status with respect to completion of the Wellness Promise requirements, just call CIGNA at 1-800-633-8519 and a CIGNA representative will assist you. When all four biometric screening results have been received from an approved biometric screening between July 1, 2011 and June 30, 2012, your status will be updated accordingly. Information received by CIGNA will be processed within 30 days of receipt. If you and your covered Spouse each complete your online health assessment and approved biometric screening (with the results received by CIGNA by the deadline), you will have fulfilled the Wellness Promise requirements and be designated by CIGNA as eligible to enroll in one of the 2013 SHBP WELLNESS Plan Options.

If you or your covered Spouse do not meet the requirements of the Wellness Promise by the June 30, 2012 deadline, you will not be eligible to enroll in any of the 2013 WELLNESS Plan Options. These SHBP WELLNESS Plan Options may have much lower premiums and lower out-of-pocket cost requirements than Standard SHBP Plan Options. For that reason, if you and your covered Spouse review your status together and it shows that either you or your covered Spouse have not met the requirements of the Wellness Promise requirements by the June 30, 2012 deadline, then our records show that you have failed to complete the 2012 Wellness Promise by the June 30, 2012 deadline. This is an adverse decision, and you have a right to appeal.

The applicable periods for completion of the actions to meet the requirements of the Wellness Promise are as follows:

Online Health Assessment 1/1/2012 – 6/30/2012

Biometric Testing* 7/1/2011 – 6/30/2012

(includes submission of results to CIGNA by 6/30/2012)

* Biometric Testing results must include all 4 markers: BMI, Total Cholesterol, Blood Sugar and Blood Pressure.

Eligibility for 2013 Wellness Plan Options– Example

Let's assume that in May, 2012 you review your Wellness Promise status with CIGNA and determine that you completed the online Health Assessment, but not the Biometric Screening. Your covered Spouse reviews his Wellness Promise status with CIGNA and determines that he has not completed the online Health Assessment and he has not completed the Biometric Screening. The SHBP approved worksite biometric screenings are full. Therefore, you and your covered Spouse will each need to complete the Biometric Screening (BMI, Total Cholesterol, Blood Sugar and Blood Pressure) done by a physician. Your physicians must each complete and submit the Fax Notification Form showing all four results by 6/30/12. In addition, your covered Spouse must complete the online Health Assessment by 6/30/2012. If these actions are completed by 6/30/2012, you and your covered Spouse will each have fulfilled your Wellness Promise requirements, and you will be able to enroll in the 2013 SHBP WELLNESS Plan Options. Please note: Fax Notification Forms will be processed within 30 days from receipt as long as all required information is submitted.

Correction of Provider Notification Forms

If the Fax Notification Form submitted by your physician is incomplete or illegible, you will receive a written notice so you may work with the physician's office to ensure that the form is corrected and submitted by the June 30, 2012 deadline.

Wellness Promise Appeals Rights under all SHBP Wellness Plan Options

Starting July 1, 2012, you and your covered Spouse can appeal if CIGNA's records indicate that you or your covered Spouse have not completed the actions required for you to be eligible for the 2013 SHBP WELLNESS Plan Options. Keep copies of your biometric screening results, proof of your office visit to a physician for the biometric screening, the completed Fax Notification Form and proof that your physician's office submitted the Fax Notification Form by the deadline. When you complete the online Health Assessment, print a copy of the statement that shows the date of completion. Appeals must be submitted to CIGNA by August 3, 2012.

Wellness Promise Appeal Process

If you have been advised that you or your covered Spouse have not met one or more of the biometric screening requirements of the SHBP Wellness Promise or that your Physician Fax Form was incomplete or not received by CIGNA by June 30, 2012, and you wish to appeal that determination, you must complete the appropriate steps as follows:

If you have been advised that you or your covered Spouse have not completed the online Health Assessment between January 1, 2012, and June 30, 2012, you must:

- 1) Log in to your myCIGNA.com account and verify that you completed your online Health Assessment between January 1, 2012, and June 30, 2012; [If you did not complete the Health Assessment during this period, you did meet the Wellness Promise requirement.]
- 2) Print a copy of your Confirmation Statement; [To locate and print a copy of your Health Assessment Confirmation Statement,
 - a) Log in to your myCIGNA.com account;
 - b) On the navigation tool bar under Manage My Health, click My Health Assessment;

- 2) Fax a copy of the online Health Assessment confirmation statement (per #2 above) and the completed Health Assessment Appeal Form to CIGNA at 1-860-256-6767 by August 3, 2012.

If CIGNA reviews your appeal submission, including all required documents and evidence, and determines that you did not complete the Wellness Promise requirements, you may appeal that decision in accordance with the Appeals section of this SPD.

Case Management

Case Management is a service provided through a Review Organization, which assists individuals with treatment needs that extend beyond the acute care setting. The goal of Case Management is to ensure that patients receive appropriate care in the most effective setting possible whether at home, as an outpatient, or an inpatient in a Hospital or specialized facility. Should the need for Case Management arise, a Case Management professional will work closely with the patient, his or her family and the attending Physician to determine appropriate treatment options which will best meet the patient's needs and keep costs manageable. The Case Manager will help coordinate the treatment program and arrange for necessary resources. Case Managers are also available to answer questions and provide ongoing support for the family in times of medical crisis.

Case Managers are Registered Nurses (RNs) and other credentialed health care professionals, each trained in a clinical specialty area such as trauma, high risk pregnancy and neonates, oncology, mental health, rehabilitation or general medicine and surgery. A Case Manager trained in the appropriate clinical specialty area will be assigned to you or your Dependent. In addition, Case Managers are supported by a panel of Physician advisors who offer guidance on up-to-date treatment programs and medical technology. While the Case Manager recommends alternate treatment programs and helps coordinate needed resources, the patient's attending Physician remains responsible for the actual medical care.

1. You, your dependent or an attending Physician can request Case Management services by calling the toll-free number shown on your ID card during normal business hours, Monday through Friday (Eastern Time Zone). In addition, a claim office or a utilization review program (see the PAC/CSR section of your certificate) may refer an individual for Case Management.

2. The Review Organization assesses each case to determine whether Case Management is appropriate.
3. You or your Dependent is contacted by an assigned Case Manager who explains in detail how the program works. Participation in the program is voluntary - no penalty or benefit reduction is imposed if you do not wish to participate in Case Management.
4. Following an initial assessment, the Case Manager works with you, your family and Physician to determine the needs of the patient and to identify what alternate treatment programs are available (for example, in-home medical care in lieu of an extended Hospital convalescence). You are not penalized if the alternate treatment program is not followed.
5. The Case Manager arranges for alternate treatment services and supplies, as needed (for example, nursing services or a Hospital bed and other Durable Medical Equipment for the home).
6. The Case Manager also acts as a liaison between the insurer, the patient, his or her family and Physician as needed (for example, by helping you to understand a complex medical diagnosis or treatment plan).
7. Once the alternate treatment program is in place, the Case Manager continues to manage the case to ensure the treatment program remains appropriate to the patient's needs.

While participation in Case Management is strictly voluntary, Case Management professionals can offer quality, cost-effective treatment alternatives, as well as provide assistance in obtaining needed medical resources and ongoing family support in a time of need.

Definitions

“Emergency medical condition” means a medical condition which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in 1) placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; 2) serious impairment to bodily functions; or 3) serious dysfunction of any bodily organ or part.

“Emergency services” means, with respect to an emergency medical condition: (a) a medical screening examination that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate the emergency medical condition; and (b) such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the hospital, to stabilize the patient.

“Essential health benefits” means, to the extent covered under the plan, expenses incurred with respect to covered services, in at least the following categories: ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, including behavioral health treatment, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management and pediatric services, including oral and vision care.

“Patient Protection and Affordable Care Act of 2010” means the Patient Protection and Affordable Care Act of 2010 (Public Law 111-148) as amended by the Health Care and Education Reconciliation Act of 2010 (Public Law 111-152).

“Stabilize” means, with respect to an emergency medical condition, to provide such medical treatment of the condition as may be necessary to assure, within reasonable medical probability that no material deterioration of the condition is likely to result from or occur during the transfer of the individual from a facility.

Lifetime Dollar Limits

Any lifetime limit on the aggregate dollar value of essential health benefits is deleted. Any lifetime limits on the dollar value of any essential health benefits are deleted.

Annual Dollar Limits

Any annual limits on the dollar value of essential health benefits are deleted.

Rescissions

Your coverage may not be rescinded (retroactively terminated) unless: (1) the plan sponsor or an individual (or a person seeking coverage on behalf of the individual) performs an act, practice or omission that constitutes fraud; or (2) the plan sponsor or individual (or a person seeking coverage on behalf of the individual) makes an intentional misrepresentation of material fact; or (3) premiums not received.

Extension of Coverage to Dependents

Dependent children are eligible for coverage up to the age of 26. Any restrictions in the definition of Dependent in your plan document which require a child to be unmarried, a student, financially dependent on the employee, etc. no longer apply. If the definition of Dependent in the plan document provides coverage for a child beyond

age 26, the provision and all restrictions will continue to apply starting at age 26. Any provisions related to coverage of a handicapped child continue to apply starting at age 26.

Preventive Services

In addition to any other preventive care services described in the plan documents, no deductible, copayment, or coinsurance shall apply to the following Covered Services.

However, the covered services must be provided by a Participating Provider and the claim must be submitted with a valid preventive code:

- (1) evidence-based items or services that have in effect a rating of “A” or “B” in the current recommendations of the United States Preventive Services Task Force;
- (2) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to the Covered Person involved;
- (3) for infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration;
- (4) for women, such additional preventive care and screenings not described in paragraph (1) as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

Preservice Medical Necessity Determinations

If standard determination periods would (a) seriously jeopardize your life or health, your ability to regain maximum function, or (b) in the opinion of a Physician with knowledge of your health condition, cause you severe pain which cannot be managed without the requested services, the preservice determination will be made on an expedited basis. The Physician reviewer, in consultation with the treating Physician, will decide if an expedited determination is necessary. You or your representative will be notified of an expedited determination within 72 hours after receipt of the request.

Notice of Adverse Determination

In addition to the description provided in your plan documents, a notice of adverse benefit determination will also include information sufficient for you to identify the claim, and information about any office of health insurance consumer assistance or ombudsman available to assist you with the appeal process. In the case of a final adverse benefit determination, your notice will include a discussion of the decision.

Right to Appeal

You have the right to appeal any decision or action taken to deny, reduce, or terminate the provision of or payment for health care services covered by your plan or to rescind your coverage. When a requested service or payment for the service has been denied, reduced or terminated based on a judgment as to the medical necessity, appropriateness, health care setting, level of care, or effectiveness of the health care service, you have the right to have the decision reviewed by an independent review organization not associated with CIGNA.

Except where life or health would be seriously jeopardized, you must first exhaust the internal appeal process set forth in your plan documents before your request for an external independent review will be granted. If the plan does not strictly adhere to all internal claim and appeals processes, you can be deemed to have exhausted the internal appeal process.

Your appeal rights are outlined in your plan documents. In addition, before a final internal adverse benefit determination is issued, if applicable, you will be provided, free of charge, any new or additional evidence considered, or rationale relied upon, in sufficient time to allow you the opportunity to respond before the final notice is issued.

Emergency Services

Emergency Services, as defined above, are covered without the need for any prior authorization determination and without regard as to whether the health care provider furnishing such services is a participating provider.

Emergency Services, as defined above, provided by a Non-participating Provider will be covered as if the services were provided by a Participating Provider.

Direct Access to Obstetricians and Gynecologists

You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit www.myCIGNA.com or contact customer service at the phone number listed on the back of your ID card.

Selection of a Primary Care Provider

This plan generally allows the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. Until you make this designation, CIGNA designates one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit www.myCIGNA.com or contact customer service at the phone number listed on the back of your ID card.

For children, you may designate a pediatrician as the primary care provider.

How To File Your Claim

There's no paperwork for In-Network care. Just show your identification card and pay your share of the cost, if any; your provider will submit a claim to CIGNA for reimbursement. Out-of-Network claims can be submitted by the provider if the provider is able and willing to file on your behalf. If the provider is not submitting on your behalf, you must send your completed claim form and itemized bills to the claims address listed on the claim form. You may get the required claim forms from the website listed on your identification card or by calling Member Services using the toll-free number on your identification card.

How To File Your Out-of-Network Claim

The prompt filing of any required claim form will result in faster payment of your claim. All claims should be filed within 24 months from the date services are rendered.

You may get the required claim forms by visiting myCIGNA.com. All fully completed claim forms and bills should be sent directly to:

CIGNA
P.O. Box 188050
Chattanooga, TN 37422-8050

Depending on your Group Insurance Plan benefits, file your claim forms as described below.

Hospital Confinement

If possible, get your Group Medical Insurance claim form before you are admitted to the Hospital. This form will make your admission easier and any cash deposit usually required will be waived.

If you have a benefit Identification Card, present it at the admission office at the time of your admission. The card tells the Hospital to send its bills directly to CIGNA.

Doctor's Bills and Other Medical Expenses

The first Medical Claim should be filed as soon as you have incurred covered expenses. Itemized copies of your bills should be sent with the claim form. If you have any additional bills after the first treatment, file them promptly.

CLAIM REMINDERS

YOUR MEMBER ID IS THE ID SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.
YOUR ACCOUNT NUMBER IS THE 7-DIGIT POLICY NUMBER SHOWN ON YOUR BENEFIT IDENTIFICATION CARD.

Who's Not Eligible for Dependent Coverage

The most common examples of persons not eligible for SHBP dependent coverage include:

- Your former spouse.
- Your fiancé.
- Your parents.
- Children age 26 or older who do not qualify as disabled dependents.
- Grandchildren who cannot be considered eligible dependents..
- Anyone living in your home that is not related by marriage or birth, unless otherwise noted.

NOTE: If you misrepresent eligibility information when applying for coverage, during a change in coverage or when filing for benefits, or by paying for coverage on behalf of someone who is not eligible, adverse action may be taken against you by DCH or applicable enforcement agencies. Adverse actions include, but are not limited to: terminating your coverage, collection actions for all payments improperly made as a result of the misrepresentation, and criminal prosecution.

When to Enroll and When Coverage Begins

You *must* enroll to have SHBP coverage. To enroll, go to your personnel/payroll office for instructions. You will be asked to:

- Choose a coverage option; *
- Choose a coverage tier; and
- Provide the name(s) of eligible dependents you want to enroll and cover.

*If newly enrolling in the plan because you are a new employee, because of Open Enrollment or a qualifying event, your plan options are restricted to the standard consumer driven health plan options.

Enrollment authorizes periodic payroll deductions for premiums. If you list dependent(s) you must elect a coverage tier that covers the dependent(s) by relationship to you. If you cover dependents and do not provide documentation to verify eligibility, you will be charged the tier you elected. Once dependents are verified the coverage will be effective from the date of the qualifying event or the 1st day of the current plan year, whichever is later. Please refer to "Who is eligible for coverage" for more information. Once you make your coverage election, changes are not allowed outside the Open Enrollment period, unless you have a qualified change in status under Section 125 of the Internal Revenue Code, which restricts changes in the SHBP outside the annual open enrollment period.

Special Note: If you terminate employment and are re-hired by any employer eligible for the SHBP during the same Plan year, you must enroll in the same Plan option and tier, provided you are eligible for that option and have not had a qualifying event since coverage ended.

If You Are Hospitalized When Your Coverage Begins

If you are inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, SHBP will pay benefits for Covered Health Services related to that Inpatient Stay from the effective date of coverage as long as you receive Covered Health Services in accordance with the terms of the Plan. You should notify CIGNA within 48 hours of the day your coverage begins, or as soon as reasonably possible. In-Network benefits are available only if you receive Covered Health Services from Contracted providers.

Important Plan Membership Terms

This SPD uses these terms to describe Plan Membership:

- Member – You, the contract/policyholder.
- Dependent – your eligible dependents that you choose to enroll.

Where appropriate, this SPD relies on these terms throughout the document:

- You, Employee, Retiree or Member... to refer to Member.
- Dependent(s)... to refer to Dependents, Spouse and Children

DCH Surcharge Policy

Spousal Surcharge:

A spousal surcharge of \$50 is added to your monthly premium if you failed to answer spousal surcharge questions during your Initial Enrollment, Open Enrollment or the Retiree Option Change Period, or you answered that you elect to cover your spouse and your spouse is eligible for coverage other than SHBP coverage through his/her employment but chose not to take it. The spousal surcharge can be removed in certain circumstances by completing the spousal surcharge affidavit and attaching the required documents. Details can be found on the Department of Community Health Web site, www.dch.georgia.gov/shbp. You are required to pay the spousal surcharge for all months in which your enrolled spouse is eligible for coverage other than SHBP coverage and is not enrolled in the other coverage. It is your responsibility to notify DCH, SHBP Division, immediately if your answers to the spousal surcharge questions change during the year. If you received a waiver of the spousal surcharge based on your answers and you fail to notify DCH, SHBP Division of an event that makes you ineligible for the waiver (such as your spouse dropping other health coverage for which he or she is eligible), this may be viewed as an intentional misrepresentation.

Tobacco Surcharge:

A tobacco surcharge of \$80 is added to your monthly premium if you failed to answer tobacco surcharge questions during your Initial Enrollment, Open Enrollment or the Retiree Option Change Period or if you answered that a covered member of your family used tobacco products in the previous sixty days. The tobacco surcharge may be removed by following the tobacco surcharge removal procedures found on the Department of Community Health Website, www.dch.georgia.gov/shbp. You are required to pay the tobacco surcharge for all months in which you or any of your enrolled family members use tobacco. Therefore, it is your responsibility to notify DCH, SHBP Division immediately if your answers to the tobacco surcharge

questions change during the year. If you received a waiver of the tobacco surcharge based on your answers and you fail to notify DCH, SHBP Division that you or a member of your enrolled family members begins using tobacco, this may be viewed as an intentional misrepresentation.

Intentional misrepresentation in response to surcharge questions or failure to notify DCH, SHBP Division of changes to your responses to surcharge will have significant consequences. Active employees will lose State Health Benefit Plan coverage for 12 months beginning on the date that your false response or failure to notify is discovered. Retirees who intentionally misrepresent the response to the surcharge questions or fail to notify DCH, SHBP Division of changes to their responses will permanently lose their SHBP health insurance.

When Coverage Begins when you experience a Qualifying Event

You may pick up coverage or add dependents if you experience a qualifying event. Coverage takes effect as described in the chart below. If you are enrolling for the first time or enrolling due to a qualifying event your options are limited to the Standard HRA and Standard HDHP options.

The Centers for Medicare & Medicaid Services (CMS) regulations now require the DCH, SHBP Division to collect the Social Security Number (SSN) for each covered dependent. The SSN is not required for a dependent child until age two. However, failure to provide the SSN when the child reaches age two will result in termination of coverage for the dependent child. Provide the SSN for a dependent child as soon as it is available.

***Note:** When you add a dependent, the Plan will request dependent verification documentation. You must submit the documentation requested by the Plan before coverage will be granted and claims paid. Send documentation to SHBP, P.O. Box 1990, Atlanta, GA 30301-1990. Do not hold the request waiting for documentation. If documentation is received after 31 days (except for newborn), the plan will cover the dependent retroactively to the beginning of the current plan year or date of qualifying event, whichever is later, as long as premiums are paid.

The following chart shows qualifying events and the corresponding changes that active members can make. If you are new enrolling the health plan because of a qualifying event your plan options are restricted to the standard Consumer Driven Plans (the Standard Health Reimbursement Arrangement (HRA) and the Standard High Deductible Health Plan (HDHP), for the first plan year. Once enrolled you may select any available health plan option during the following Open Enrollment.

A general note regarding documentation sent to the Plan: SHBP requires that coverage requests are made within a specific time period and requires documentation to support the request. When SHBP requests documentation, if the documentation is not received within 31 days of the SHBP request, the effective date of the coverage change will be the later of the qualifying event date or first day of the plan year.

Open Access Plus Medical Benefits

Inpatient Certification Requirements - Out-of-Network

For You and Your Dependents

Pre-Admission Certification/Continued Stay Review for Hospital Confinement

Pre-Admission Certification (PAC) and Continued Stay Review (CSR) refer to the process used to certify the Medical Necessity and length of a Hospital Confinement when you or your Dependent require treatment in a Hospital:

- as a registered bed patient;
- for a Partial Hospitalization for the treatment of Mental Health or Substance Abuse.

You or your Dependent should request PAC prior to any non-emergency treatment in a Hospital described above. In the case of an emergency admission, you should contact the Review Organization within 24 hours after the admission. For an admission due to pregnancy, you should call the Review Organization by the end of the third month of pregnancy. CSR should be requested, prior to the end of the certified length of stay, for continued Hospital Confinement.

Covered Expenses incurred will be reduced by 50% for Hospital charges made for each separate admission to the Hospital:

- **unless PAC is received: (a) prior to the date of admission; or (b) in the case of an emergency admission, within 24 hours after the date of admission.**

Covered Expenses incurred for which benefits would otherwise be payable under this plan for the charges listed below will not include:

- **Hospital charges for Bed and Board, for treatment listed above for which PAC was performed, which are made for any day in excess of the number of days certified through PAC or CSR; and**
- **any Hospital charges for treatment listed above for which PAC was requested, but which was not certified as Medically Necessary.**

PAC and CSR are performed through a utilization review program by a Review Organization with which CIGNA has contracted.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Note: Obtaining pre-certification for an inpatient admission does not guarantee coverage. Be sure to review your plan guidelines carefully.

Outpatient Certification Requirements Out-of-Network

Outpatient Certification refers to the process used to certify the Medical Necessity of outpatient diagnostic testing and outpatient procedures, including, but not limited to, those listed in this section when performed as an outpatient in a Free-standing Surgical Facility, Other Health Care Facility or a Physician's office. You or your Dependent should call the toll-free number on the back of your I.D. card to determine if Outpatient Certification is required prior to any outpatient diagnostic testing or procedures. Outpatient Certification is performed through a utilization review program by a Review Organization with which CIGNA has contracted. Outpatient Certification should only be requested for nonemergency procedures or services, and should be requested by you or your Dependent at least four working days (Monday through Friday) prior to having the procedure performed or the service rendered.

Covered Expenses incurred will be reduced by 50% for charges made for any outpatient diagnostic testing or procedure performed unless Outpatient Certification is received prior to the date the testing or procedure is performed.

Covered Expenses incurred will not include expenses incurred for charges made for outpatient diagnostic testing or procedures for which Outpatient Certification was performed, but, which was not certified as Medically Necessary.

In any case, those expenses incurred for which payment is excluded by the terms set forth above will not be considered as expenses incurred for the purpose of any other part of this plan, except for the "Coordination of Benefits" section.

Savings on Health and Wellness Products and Services

Through CIGNA Healthy Rewards®, you can save money on products and services that are not covered as part of your State Health Benefit plan medical coverage. Offerings include laser vision correction, acupuncture, Weight Watchers®, and more.

The Basics

How does it work?

The Health Reimbursement Arrangement combines traditional medical coverage with a fund that includes contributions only from State Health Benefit Plan.

1. **SHBP contribution** — SHBP establishes a health fund that can be used to pay for qualified health care expenses during that year. The services you receive and where you get them are up to you. Amounts paid by the fund for covered services count toward the annual deductible. For a list of qualified expenses, please visit CIGNA.com, subject to limits set by State Health Benefit Plan. NOTE: Prescription drug coinsurance does not apply to the deductible or maximum out-of-pocket limit. See the pharmacy section for additional information.
2. **Your contribution** — Once you've used the dollars in your health fund, you pay your expenses up to the deductible.
3. **SHBP and you** — After your deductible is met, you use a traditional medical plan for covered services. Depending on your plan, you pay pre-determined coinsurance for certain services.

Which services are covered by my medical plan, and which will I have to pay out of my own pocket?

Covered services vary depending on your plan, so visit myCIGNA.com or check your plan materials in this booklet for specific information. In addition to your premiums deducted from your paycheck, you'll be responsible for paying:

- Costs for any services needed after you've spent your health fund, if you haven't met your deductible.
- Your coinsurance after you meet the deductible and your medical plan coverage begins up to the plan's out-of-pocket maximum.

If all of your medical expenses are covered services and the total cost doesn't exceed the amount in your health fund, you may not have additional out-of-pocket costs.

Are services covered if I use out-of-network doctors?

You can use the dollars in your HRA to visit any licensed doctor or facility for all services covered by the State Health Benefit Plan. However, if you choose a provider who participates with CIGNA your costs will be lower.

Getting the Most from Your HRA

As a consumer, you make decisions every day – from buying the family car to choosing the breakfast cereal. Make yourself a more educated health care consumer and you'll find that you, too, can make a difference in the health care services you receive and what you ultimately pay.

Fast Facts

If you choose to see a CIGNA participating provider, the cost is based on discounted rates, so your costs will be lower. If you visit a provider not in the network, you may still use CIGNA Choice Fund to pay for the cost of those services, but you will pay a higher rate, and you may have to file claims.

If you need hospital care, there are several tools to help you make informed decisions about quality and cost.

- With the Select Quality CareTM hospital comparison tool on myCIGNA.com, you can learn how hospitals rank by number of procedures performed, patients' average length of stay, and cost.
- Visit our provider directory for CIGNA "Centers of Excellence," providing hospital scores for specific procedures/conditions, such as cardiac care, hip and knee replacement, and bariatric surgery. Scores are based on cost and effectiveness in treating the procedure/condition, based on publicly available data.
- www.CIGNA.com also includes a Provider Excellence Recognition Directory. This directory includes information on:
 - Participating physicians who have achieved recognition from the National Committee for Quality Assurance (NCQA) for diabetes and/or heart and stroke care.

- Hospitals that fully meet The Leapfrog Group patient safety standards.

Wherever you go in the U.S., you take the CIGNA 24-Hour Health Information LineSM with you.

Whether it's late at night, and your child has a fever, or you're traveling and you're not sure where to get care, or you don't feel well and you're unsure about the symptoms, you can call the CIGNA 24-Hour Health Information Line whenever you have a question. Call the toll-free number on your CIGNA ID card and you will speak to a nurse who will help direct you to the appropriate care.

Wellness HRA Incentive Program

CIGNA's Wellness HRA Incentive Program rewards individuals dedicated to improving their health and well-being. You and your spouse have the opportunity to earn up to \$125 each to add to your Health Reimbursement Account (HRA) fund balance. To qualify, you and your spouse must complete an online Health Assessment and see your doctor for an annual preventive exam. See the section How the Wellness Benefit Plan Incentive or visit www.CIGNA.com/shbp for program details.

A little knowledge goes a long way.

Getting the facts about your care, such as treatment options and health risks is important to your health and well-being — and your pocketbook. For instance:

- Getting appropriate preventive care is key to staying healthy. Your CIGNA participating doctor can provide a wide variety of tests and exams that are covered by your CIGNA plan. Visit myCIGNA.com to learn more about proper preventive care and what's covered under your plan. You can also find ways to stay healthy by calling the CIGNA 24-Hour Health Information Line, which includes audio tapes on preventive health, exercise and fitness, nutrition and weight control, and more.
- When it comes to medications, talk to your doctor about whether generic drugs are right for you. The brand name drugs you are prescribed may have generic alternatives that could lower your costs. If a generic version of your brand name drug is not available, other generic drugs with the same treatment effect may meet your needs.
- The health care cost estimator tool on myCIGNA.com can help you use the plan effectively. When planning and budgeting, consider:
 - Your medical and prescription drug expenses from last year.
 - Any expected changes in your medical spending in the coming year.
 - Your anticipated benefit expenses and out-of-pocket costs for the coming year.
 - The amount in your CIGNA Choice Fund compared with your expected out-of-pocket costs. Keep in mind the coinsurance you will pay once the fund is spent.
- Additional tools on myCIGNA.com can help you take control of your health, learn more about medical topics and wellness, and keep track of your personal health information. You can print personalized reports to discuss with your doctor.

Life Status Change

Decrease in Coverage Tier

When **decreasing your Coverage Tier** during the plan year, the HRA Fund is adjusted to the new, lower HRA Fund amount for the coverage tier, minus any amounts that have already been used. The previous HRA Fund amount will remain available to pay for claims incurred PRIOR to the effective date of the new coverage tier. The deductible and out-of-pocket maximums are also reduced to the new, lower coverage tier. Any

deductible/coinsurance out-of-pocket amounts met at the higher coverage tier will move with the member to the new, lower coverage tier.

Increase in Coverage Tier

When **increasing your Coverage Tier** during the plan year, additional funds are added to your HRA Fund. The amount of additional funds is prorated monthly based upon the effective date of the change. The additional funds are available to pay for claims incurred AFTER the effective date of the new coverage tier.

The deductible and out-of-pocket maximums are also increased to the new, higher coverage tier. The new deductible for the higher coverage tier is NOT prorated. It is the full plan year deductible for that coverage tier. Any deductible/coinsurance out-of-pocket amounts met at the lower coverage tier will move with the member to the higher coverage tier.

**OPEN ACCESS PLUS MEDICAL BENEFITS****The Schedule****For You and Your Dependents**

Open Access Plus Medical Benefits provide coverage for care In-Network and Out-of-Network. To receive Open Access Plus Medical Benefits, you and your Dependents may be required to pay a portion of the Covered Expenses for services and supplies. That portion is the Deductible or Coinsurance.

Coinsurance

The term Coinsurance means the percentage of charges for Covered Expenses that an insured person is required to pay under the plan. If the Eligible Expenses are less than the billed charges for a Network Provider, you will not be responsible for paying the difference to the provider. If the Eligible Expenses are less than the billed charges for an Out-of-Network Provider, you will be responsible for paying the difference to the provider.

Deductibles

Deductibles are also expenses to be paid by you or your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached during the calendar year, you and your family need not satisfy any further medical deductible for the remainder of that calendar year.

Out-of-Pocket Expenses

Out-of-Pocket Expenses are Covered Expenses incurred for In-Network and Out-of-Network charges that are not paid by the benefit plan because of any:

- Plan Deductibles.
- Coinsurance.

Charges will not accumulate toward the Out-of-Pocket Maximum for Covered Expenses incurred for:

- non-compliance penalties.
- provider charges in excess of the Maximum Reimbursable Charge.

When the Out-of-Pocket Maximum shown in The Schedule is reached, Injury and Sickness benefits are payable at 100% except for:

- non-compliance penalties.
- provider charges in excess of the Maximum Reimbursable Charge.

Accumulation of Plan Deductibles and Out-of-Pocket Maximums

Deductibles and Out-of-Pocket Maximums will cross accumulate between In- and Out-of-Network. All other plan maximums and service-specific maximums (dollar and occurrence) cross-accumulate between In- and Out-of-Network unless otherwise noted.

Multiple Surgical Reduction

Multiple surgeries performed during one operating session result in payment reduction of 50% to the surgery of lesser charge. The most expensive procedure is paid as any other surgery.

OPEN ACCESS PLUS MEDICAL BENEFITS

The Schedule

Assistant Surgeon and Co-Surgeon Charges

Assistant Surgeon

The maximum amount payable will be limited to charges made by an assistant surgeon that do not exceed 20 percent of the surgeon's allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeon prior to any reductions due to coinsurance or deductible amounts.)

Co-Surgeon

The maximum amount payable will be limited to 62.5 percent of the surgeon's allowable charge. (For purposes of this limitation, allowable charge means the amount payable to the surgeons prior to any reductions due to deductible amounts.)

Coverage for certain Prescription Drugs and Related Supplies requires your Physician to obtain authorization prior to prescribing. If the request is approved, your Physician will receive confirmation. The authorization will be processed in our claim system to allow you to have coverage for those Prescription Drugs or Related Supplies. The length of the authorization will depend on the diagnosis and Prescription Drugs or Related Supplies. When your Physician advises you that coverage for the Prescription Drugs or Related Supplies has been approved, you should contact the Pharmacy to fill the prescription(s).

If the request is denied, your Physician and you will be notified that coverage for the Prescription Drugs or Related Supplies is not authorized.

If you disagree with a coverage decision, you may appeal that decision in accordance with the provisions of the Policy, by submitting a written request stating why the Prescription Drugs or Related Supplies should be covered.

Written appeals and inquiries related to the Prescription Drug Program should be directed to:

CIGNA
P.O. Box 188050
Chattanooga, TN 37422-8050

If you have questions about a specific prior authorization request, you should call Member Services at 1-800-633-8519 (Actives) or 1-800-942-6724 (Retirees). For details regarding how to file an appeal, please refer to the section titled, When You Have a Complaint or an Appeal on a following page.

Note: Tier status will not be overridden or changed on an individual basis.

All drugs newly approved by the Food and Drug Administration (FDA) are designated as either non-Preferred or non-Prescription Drug List drugs until the P & T Committee clinically evaluates the Prescription Drug for a different designation.

In addition, prescription drugs that have an equally effective and less costly generic-equivalent are designated as non-Preferred drugs.

Prescription Drugs that represent an advance over available therapy according to the FDA will be reviewed by the P&T Committee within six months after FDA approval. Prescription Drugs that appear to have therapeutic

qualities similar to those of an already marketed drug according to the FDA, will not be reviewed by the P&T Committee for at least six months after FDA approval. In the case of compelling clinical data, an ad hoc group will be formed to make an interim decision on the merits of a Prescription Drug.

Coordination of Benefits

This section applies if you or any one of your Dependents is covered under more than one non Medicare Advantage Plan and determines how benefits payable from all such non Medicare Advantage Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical care or treatment:

- (1) Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by the general public, nor is individually underwritten, including closed panel coverage.
- (2) Coverage under Medicare and other governmental benefits as permitted by law, excepting Medicaid and Medicare supplement policies; or Workers' Compensation policies.
- (3) Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

GM6000 COB11

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- (1) An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- (2) If you are confined to a private Hospital room and no Plan provides coverage for more than a semiprivate room, the difference in cost between a private and semiprivate room is not an Allowable Expense.
- (3) If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- (4) If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- (5) If your benefits are reduced under the Primary Plan (through the imposition of a higher coinsurance percentage, a deductible and/or a penalty) because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

GM6000 COB12

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- (1) The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- (2) If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- (3) If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child, and
 - finally, the Plan of the spouse of the parent not having custody of the child.

GM6000 COB13

- (4) The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (5) The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- (6) If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

When coordinating benefits with Medicare, this Plan will be the Secondary Plan and determine benefits after Medicare, where permitted by the Social Security Act of 1965, as amended. However, when more than one Plan is secondary to Medicare, the benefit determination rules identified above, will be used to determine how benefits will be coordinated. This plan does not coordinate benefits with the Medicare Advantage Option.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

GM6000 COB14M

Recovery of Excess Benefits

If CIGNA pays charges for benefits that should have been paid by the Primary Plan, or if CIGNA pays charges in excess of those for which we are obligated to provide under the Policy, CIGNA will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

CIGNA will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

CIGNA, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

GM6000 COB15

Subrogation and Reimbursement

Subrogation is the substitution of one person or entity in the place of another with reference to a lawful claim, demand or right. If you receive a benefit payment from the Plan for an Injury caused by a third party, and you later receive any payment for that same condition or Injury from another person, organization or insurance company, we have the right to recover any payments made by the Plan to you. This process of recovering earlier payments is called subrogation. In case of subrogation, you may be asked to sign and deliver information or documents necessary for us to protect our right to recover benefit payments made. You agree to provide us all assistance necessary as a condition of participation in the Plan, including cooperation and information submitted as supplied by a workers' compensation, liability insurance carrier, and any medical benefits, no-fault insurance, or school insurance coverage that are paid or payable.

We shall be subrogated to and shall succeed to all rights of recovery, under any legal theory of any type, for the reasonable value of services and benefits we provided to you from any or all of the following:

Third parties, including any person alleged to have caused you to suffer injuries or damages.

- Your employer.
- Any person or entity obligated to provide benefits or payments to you.

You agree as follows:

- To cooperate with us in protecting our legal rights to subrogation and reimbursement.
- That we may, at our option, take necessary and appropriate action to preserve our rights under these subrogation provisions.
- To execute and deliver such documents including consent to release medical records, and provide such help (including responding to requests for information about any accident or injuries and making court appearances) as we may reasonably request from you.
- You will do nothing to prejudice our rights under this provision, either before or after the need for services or benefits under the Plan.

Refund of Overpayments

If we pay benefits for expenses incurred on account of a Covered Person, that Covered Person, or any other person or organization that was paid, must make a refund to us if either of the following apply:

- All or some of the expenses were not paid by the Covered Person or did not legally have to be paid by the Covered Person.
- All or some of the payment we made exceeded the benefits under the Plan.

The refund equals the amount we paid in excess of the amount we should have paid under the Plan. If the refund is due from another person or organization, the Covered Person agrees to help us get the refund when requested.

If the Covered Person, or any other person or organization that was paid, does not promptly refund the full amount, we may reduce the amount of any future benefits that are payable under the Plan. The reductions will equal the amount of the required refund. We may have other rights in addition to the right to reduce future benefits.

Payment of Benefits

To Whom Payable

All Medical benefits are payable to you. However, at the option of CIGNA, all or any part of them may be paid directly to the person or institution on whose charge claim is based.

Medical benefits are not assignable unless agreed to by CIGNA. CIGNA may, at its option, make payment to you for the cost of any Covered Expenses received by you or your Dependent from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependent is responsible for reimbursing the Provider. If any person to whom benefits are payable is a minor or, in the opinion of CIGNA, is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, CIGNA may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

If you die while any of these benefits remain unpaid, CIGNA may choose to make direct payment to any of your following living relatives: spouse, mother, father, child or children, brothers or sisters; or to the executors or administrators of your estate.

Payment as described above will release CIGNA from all liability to the extent of any payment made.

Time of Payment

Benefits will be paid by CIGNA when it receives due proof of loss. All claims must be filed within twenty-four (24) months of the date of service.

Recovery of Overpayment

When an overpayment has been made by CIGNA, CIGNA will have the right at any time to: (a) recover that overpayment from the person to whom or on whose behalf it was made; or (b) offset the amount of that overpayment from a future claim payment.

Calculation of Covered Expenses

CIGNA, in its discretion, will calculate Covered Expenses following evaluation and validation of all provider billings in accordance with:

- the methodologies in the most recent edition of the Current Procedural terminology.
- the methodologies as reported by generally recognized professionals or publications.

Termination of Insurance

General Information about When Coverage Ends

The Board of Community Health may discontinue the SHBP and/or all benefit options at any time.

Certain employers may choose to stop offering SHBP coverage to employees or take actions that cause a termination of coverage for their employees:

Local school systems may withdraw from the plan for public school employees other than teachers. That means they can stop offering SHBP coverage to employees who are eligible for the plan for other public school employees and are not eligible for the plan for teachers. See the Eligibility section for more information.

State authorities participating in the ERS may stop offering SHBP coverage to employees and retirees,

Charter schools that elected to offer SHBP coverage to employees may revoke that election through action or inaction (such as failure to pay required contributions) and thereby stop offering SHBP coverage to employees,

Employers that offer SHBP coverage to employees through a contract with DCH may stop offering SHBP coverage through action or inaction that causes the contract to terminate, and

Local school boards may stop offering SHBP coverage to school board members.

When coverage ends because the Board of Community Health discontinues the SHBP or because your employer stops offering the SHBP, this termination of coverage does not create continuation rights. However, you may have rights to continue coverage if you resign or retire while your employer still offers the Plan.

Whenever coverage ends for any reason, your entitlement to benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, we will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, we do not provide benefits for health services that you receive for medical conditions that occurred after your coverage ended, even if the underlying medical condition occurred before your coverage ended.

An Enrolled Dependent's coverage ends on the date the Member's coverage ends.

When Coverage Ends For You

Your coverage generally will end if:

- you no longer qualify under any category listed under the eligibility rules and your payroll deductions for coverage have ceased;
- you do not make direct-pay premium payments on time;
- you do not submit required premiums to your employer while you are on an unpaid leave of absence;
- you resign or otherwise end your employment;
- you are laid off because of a formal plan to reduce staff;
- your hours are reduced so that you are no longer benefits eligible;
- you do not return to active work after an approved unpaid leave of absence;
- you are terminated by your employer;
- you intentionally misrepresent eligibility for SHBP coverage for yourself or any covered dependents;
- you intentionally misrepresent eligibility for waiver of the tobacco or spousal surcharge, either by failing to answer the questions truthfully or failing to notify DCH, SHBP Division of a change to your answers

during the year;

- Member contributions not remitted to the Plan by the due date may result in suspension/and or termination of coverage; or
- your employer stops offering the SHBP, either by action (such as withdrawing from the plan for public school employees other than teachers) or inaction (such as not paying required contributions).

Coverage for Member ends at the end of the month following the month in which the last premium is deducted from your earned paycheck or at the end of paid coverage. Premiums will not be deducted from final leave pay.

Note: If an Employing Entity fails to remit Premiums or documentation or fails to reconcile bills in the manner required by the Plan, the Plan may suspend coverage for all Enrolled Members of the Employing Entity. During a period of suspended coverage, benefits will continue to be paid, but the Employing Entity will be directly responsible for reimbursing SHBP for all claims paid. If the Employing Entity fails to provide the required Premiums or documentation or reconcile bills, coverage may be terminated for all Enrolled Members of the Employing Entity. In this instance, DCH, SHBP Division will send a notice to Enrolled Members before the coverage is terminated. Although termination of coverage in this situation does not give rise to COBRA continuation rights, members who have a right to continue coverage after resignation or retirement under State law will be provided an opportunity to do so if they stop working for the Employing Entity while SHBP coverage is in place.

Coverage will end beginning on the date that your false response is discovered and new coverage will not be available for at least 12 months thereafter.

When Coverage May Be Continued For You

SHBP allows individuals to continue their SHBP coverage in certain situations when it would have otherwise ended.

If you have this situation...	You will be affected in this way:
Leave your job: Have less than eight years of service	You may continue coverage for up to 18 months under COBRA provisions.
Leave your job and: <ul style="list-style-type: none">• Have at least eight years of service	You may continue coverage by: <ul style="list-style-type: none">• Completing and submitting the Direct Pay Enrollment Change form within 60 days of when coverage would end;• Pay the full cost of coverage* until you start receiving an annuity under the retirement system (if applicable);• Provide a statement from retirement system verifying your service; and• Pay annuitant premium once annuity begins if you have notified DCH, SHBP Division to start your deductions from your annuity• *Except for participants covered under the Legislative Retirement System
The chart above applies for most SHBP Members; certain parts of the Georgia code may stipulate other conditions for SHBP continuation.	

Member contributions not remitted to the Plan by the due date may result in suspension and/or termination of coverage.

When Coverage May Be Continued For Your Dependents

Coverage for your dependents will end at the same time you lose coverage because you are no longer eligible. Here are other situations that can affect coverage for you and your dependents.

For Your Dependents	Effect on coverage
If enrolled dependent is under age 26	<ul style="list-style-type: none">• Coverage for your dependents will end at the same time you lose coverage because you are no longer eligible.• Coverage will end for children at age 26 unless disabled prior to age 26 and the appropriate documentation has been submitted and approved by DCH, SHBP Division.
If you divorce, your spouse loses coverage as your dependent*	Coverage ends at the end of the month in which the divorce becomes final.**
If you or your spouse or eligible dependent(s) lose(s) other group health insurance coverage because of change in employment	Before you lose coverage or within 31 days after losing coverage, file request for SHBP coverage, which will start on the first day of the month following the request.
If you declined coverage for yourself or your dependents because of other group health insurance coverage, and you later lose that coverage	You may enroll yourself and dependents if you request this coverage within 31 days of the qualifying event. Coverage will be effective on the first day of the month following the request.

*A divorced spouse may continue Plan coverage by electing COBRA continuation coverage, which is limited to 36 months of coverage. The spouse must request a COBRA information packet from the DCH, SHBP Division within 60 days of the qualifying event.

** The Plan must be notified at the time the divorce is final and not as a discontinuation of coverage for the spouse or other dependent during Open Enrollment.

****Discontinuation of coverage for a spouse or other covered dependent(s) during Open Enrollment does not qualify as a COBRA event. In order for a spouse or other dependent(s) to be eligible for continuation of coverage under COBRA, the DCH, SHBP Division must be notified at the time the divorce is final. If a spouse's coverage is discontinued during Open Enrollment in anticipation of divorce, the former spouse may be able to elect COBRA coverage when the divorce is final.**

Open Enrollment and Retiree Option Change Period

During Open Enrollment and the Retiree Option Change Period, Members must answer surcharge questions and make their coverage choices for the upcoming Plan Year. If you do not take any action during Open Enrollment or the Retiree Option Change Period, you will be required to pay surcharges. See the Surcharge section of this SPD for more information. See the current *Health Plan Decision Guides* for Web addresses and instructions. If you do not have Internet access or if your request is in the middle of a Plan year, then:

- An active Employee should notify his/her personnel/payroll office to obtain the appropriate form to complete and submit. If you miss the deadline, you won't be able to make your change until the next Open Enrollment or Retiree Option Change Period unless a qualifying event occurs.
- A former employee should contact the SHBP Call Center directly at 800-610-1863. You must complete and return the form by the appropriate deadline. Changes permitted for former employees are limited, please refer to the retiree section for more details.

Provisions for Eligible Annuitants, Eligible Former Employees & Those Considering Retirement or Resignation after 8 Years of Service

Note: This Section does not apply to individuals who have less than eight years of service with a state retirement system or who are eligible because they work for an entity that has joined the SHBP through a contract with DCH. The terms of the contract control. This SPD does not contain specific information about how much former employees and annuitants are required to pay for continuation coverage. Premium rates are set by the Board of Community Health, usually on an annual basis. Premium rates for former employees who are not annuitants usually reflect the entire cost of coverage plus an administrative fee. Premium rates for annuitants currently reflect a subsidy for certain options. The Board of Community Health is authorized to set premiums by resolution, and may change premium requirements at any time with advanced notice. The Board approved a change in the methodology for subsidizing premiums for annuitants and their dependents. The new methodology adjusts the subsidy for annuitant premiums based on Years of Service for future annuitants who had less than five Years of Service as of January 1, 2012. This change will impact employees who had less than five years of service as of January 1, 2012 when they retire with an annuity in the future. Information will be made available before annuitant premiums based on Years of Service apply to any annuitant. Current rates for active employees, former employees, annuitants are posted on the DCH website at www.dch.georgia.gov.

Plan Membership

This section includes Plan Membership, Plan options and Medicare information for enrolled annuitants and enrolled former employees as well as important points to consider if you are considering retiring with an annuity or resigning with eight or more years of service. All former employees and annuitants age 65 or older who choose to enroll in an SHPB option that is not a Medicare Advantage (MA) option will pay the full cost of SHBP coverage. See the *Retiree Decision Guide* for more information. SHBP defines an annuitant as an individual who has started drawing a monthly check from a State Retirement System. If your monthly annuity check is not large enough to pay the full premium, you may arrange with DCH, SHBP Division to make direct payments of the annuitant premium.

Disabled individuals under the age of 65 with Medicare Parts A and B have two additional Medicare Advantage options. Contact SHBP if you have been approved by Social Security for Medicare due to disability and are under the age of 65 to discuss your options and rates. If you will be drawing an annuity you can be covered under any SHBP plan and will pay the Annuitant premium.

This Section is broken down by the various scenarios under which benefits may be continued.

Split Eligibility – one person under age 65 and one person 65 or older with Medicare Part B

Plan options are currently the same as for active employees, and, in addition, Medicare Advantage options are available to the person who purchases and maintains Medicare Part B

If the person with Medicare Part B maintains Medicare Part B and enrolls in a Medicare Advantage option, coverage is currently subsidized, and an annuitant's dependent who is not eligible for Medicare Part B may enroll in any non-MA option on a subsidized basis.

If any person age 65 or older enrolls in a non-MA option, the full cost of all coverage elected must be paid – there is no subsidized coverage.

If receiving your first check from ERS, TRS or PSERS Retirement Systems, your coverage will automatically roll over into retirement

If DCH, SHBP Division has received and processed your Medicare Part B information, we will roll your coverage to the MA Standard under your current healthcare vendor.

If you have dependents not eligible for the MA option, their coverage will roll to the option they had at the time you became covered by the MA option

SHBP will continue to pay primary benefits for former employees not enrolled in a Medicare Advantage Option at age 65 or older. See the Medicare COB section as there is important information you need to know.

NOTE: Individuals who have lived at least 5 years in the United States may purchase Medicare Part B coverage even if they did not contribute to Social Security or work the number of required quarters. Enrollment in Medicare Part B is required to enroll in a Medicare Advantage Option

Applying for Coverage Continuation as an Annuitant

You must apply for continued coverage for yourself and Covered Dependents within 60 days of the date your coverage as an active employee ends. Application can be made on a Retiree/ Surviving Spouse Form, available online at www.dch.georgia.gov/shbp under forms or by contacting the Plan's Eligibility Section at (800) 610-1863. **Failure to apply on time or failure to make the correct premium payments will permanently end your SHBP coverage.** Members receiving their first monthly annuity check from ERS, TRS, and PSERS will be automatically enrolled in the same option they had as an active employee, unless Medicare Part B coverage has been reported to SHBP. Retirees with Medicare Part B coverage on file will automatically be enrolled in the Medicare Advantage Standard Option offered by the claims administrator they currently have. Currently, only the Medicare Advantage options are subsidized for annuitants over age 65 or who are eligible for Medicare Part B due to disability. The Board of Community Health establishes required premiums by resolution, and premiums may be changed at any time with advance notice.

Annuitants may request to change Plan options if the request is made within 31 days of retirement. You may request the change by downloading, printing and completing the Retiree/Surviving Spouse Form available

online at www.dch.georgia.gov/shbp or you may call the SHBP Call Center at (800) 610-1863 to request a form. Currently, Plan options include the Medicare Advantage Premium Plan, Wellness and Standard High Deductible Health Plan (HDHP), Wellness and Standard Health Maintenance Organization (HMO), and Wellness and Standard Health Reimbursement Account (HRA) offered through SHBP. Annuitants who are eligible for TRICARE may also purchase a TRICARE Supplement (not subsidized or sponsored by DCH or any employer) as an alternative to SHBP options. If you or your covered dependent is age 65 and elects to enroll in one of the non-MA options, you will pay the full cost of your coverage; there is no subsidy. The TRICARE Supplement may not be purchased by individuals with Medicare.

When Annuitant Coverage Begins

If you are eligible for a monthly annuity at the time you retire, your coverage as an annuitant starts immediately at retirement, provided that you have all required annuitant premiums deducted from your monthly annuity check or, if the check is not large enough, pay all required annuitant premiums directly to DCH, SHBP Division. NOTE: You must have continuous SHBP coverage from active employee status to annuitant status. If for some reason, there is a delay in your annuity being setup resulting in a gap of coverage, you must remit required annuitant premiums for this period in order to have health insurance as an annuitant. Once set up as an annuitant, payment must be made each month for your health insurance either through deductions from your annuity check or by sending the payment directly to DCH, SHBP Division (only allowed if the annuity check is too small). If required payments are not received on time, your coverage will be terminated with no right to reinstatement of coverage. Coverage for your dependents (if you elect to continue dependent coverage) starts on the same day that your coverage as an annuitant begins. A change from You to You + Spouse, You + Child(ren) or You + Family as a former employee is allowed only when you have a qualifying event and make the request within 31 days of the event. (90 days to add a newborn).

Note: If you discontinue coverage at the time you retire or at a later date, you will not be able to get this coverage back unless you return to work in a position that offers SHBP coverage.

When Coverage as a Former Employee (non-Annuitant) Begins

If you elect to continue coverage as a former employee with 8 or more Years of Service, your coverage as a former employee starts immediately upon resignation, provided that you make all required State Extended Coverage premium payments on time and submit required documentation to the DCH, SHBP Division on time. If required payments are not received on time, your coverage will be terminated with no right to reinstatement of coverage. Coverage for your dependents (if you elect to continue dependent coverage) starts on the same day that your coverage as a former employee begins. A change from You to You + Spouse, You + Child(ren) or You + Family as a former employee is allowed only when you have a qualifying event and make the request within 31 days of the event. (90 days to add a newborn).

Note: If you discontinue coverage at the time you resign with 8 or more Years of Service or at a later date, you will not be able to get this coverage back unless you return to work in a position that offers SHBP coverage.

When Will Coverage as an Annuitant or Former Employee End

For You

- My coverage will end if I choose to cancel my coverage
- My coverage will end if I am paying SHBP directly for my premiums and I stop paying

- My coverage will end if I intentionally misrepresent my eligibility or the eligibility of my dependents, or if I intentionally misrepresent my eligibility for waiver of a spousal surcharge or a tobacco surcharge in my responses to the surcharge questions or failing to notify DCH, SHBP Division of a change to my responses that would make me ineligible for the waiver.
- My coverage may end if my former employer stops offering SHBP coverage.

For Your Dependents

Coverage for your dependents will end when:

- They are no longer eligible
- A Social Security Number is not provided by the deadline
- You change from You + Family to You coverage
- Your coverage ends
- When they are approved for coverage under PeachCare for Kids

Keep in mind that if dependents are dropped from your coverage, you will not be able to enroll them again – unless you have a qualifying event. Loss of PeachCare or TRICARE Supplement coverage is a qualifying event to add your dependent(s). The request resulting from loss of TRICARE Supplement must be made within 31 day of loss of coverage and 60 days within loss of Peachcare for Kids coverage.

If your Medicare Advantage coverage is terminated by CMS due to enrollment in another plan or failure to pay Medicare Part B premiums, the DCH, SHBP Division will enroll you in the option (Standard HMO, HDHP, HRA or Wellness HMO, HDHP, HRA) you had before if the State Extended Coverage premium is received. If your option is not offered, you will be defaulted to the standard level of the option you previously had before you enrolled in the MA PPO Plan. You will pay the total cost of coverage and will not receive any subsidy.

Continuing Dependent Coverage at Your Death (for Annuitants)

In the event of your death, your covered surviving spouse or eligible dependents should contact the applicable State Retirement System (ERS, TRS, PSERS, etc.) and the DCH, SHBP Division as soon as possible. To continue coverage, surviving spouses or eligible children must complete a Retiree/Surviving Spouse Form and send it to the DCH, SHBP Division within 90 days of your death. Continuation coverage as a surviving dependent is an alternative to COBRA coverage.

Plan provisions vary for survivors:

If surviving spouse receives an immediate annuity from a State Retirement System

- Plan coverage may continue for the surviving spouse and any covered dependent children after your death
- Surviving spouse premiums (set by the Board of Community Health, and currently subsidized) will be deducted from the annuity
- Surviving spouse must send premium payments directly to DCH, SHBP Division if the annuity is not large enough to cover premium
- Surviving spouse's new dependents or new spouse *cannot* be added to survivor's coverage

- Surviving spouse who becomes eligible for SHBP coverage as an active employee must discontinue the surviving spouse coverage and enroll as an active employee.
- When a surviving spouse ends active employee status and returns to a surviving spouse status, the surviving spouse coverage may be reinstated after notifying DCH, SHBP Division within 31 days. The surviving spouse will be eligible to continue coverage, based on the conditions that first made him or her eligible as a surviving spouse.

If surviving child receives an immediate annuity from a State Retirement System

- Plan coverage may continue after your death
- Surviving child's premium (set by the Board of Community Health, and currently subsidized) will be deducted from the annuity
- Surviving child must send premium payments directly to DCH, SHBP Division if the annuity is not large enough to cover premium
- Surviving child's coverage will terminate when he or she no longer satisfies the definition of a dependent child
- Surviving child may not add dependents to the coverage
- Surviving child who becomes eligible for SHBP coverage as an active employee must discontinue the surviving child coverage and enroll as an active employee.
- When a surviving child ends active employee status and returns to a surviving child status, the surviving spouse child coverage may be reinstated after notifying DCH, SHBP Division within 31 days. The surviving child will be eligible to continue coverage, based on the conditions that first made him or her eligible as a surviving child.

Surviving spouse does not receive an immediate annuity from a State Retirement System

- Plan coverage may continue after your death if surviving spouse was married to you at least one year before your death
- Surviving spouse must send surviving spouse premiums (set by the Board of Community Health, and currently subsidized) directly to the DCH, SHBP Division
- Coverage ends if the surviving spouse remarries

Surviving child does not receive annuity and there is no surviving spouse.

- Plan coverage may continue under COBRA provisions.

Making Changes to Your Retiree Coverage (for all Former Employees and Annuitants)

You can make changes to your coverage tier only at these times:

- Within 31 days of a qualifying event
 - You may add a dependent as long as the change is consistent with the qualifying event
 - You have 90 days to add a newborn
- During the annual Retiree Option Change Period.
 - You may change your Plan option only

- Re-enrollment of yourself or your dependents is only permitted as described below
- Adding dependents is not permitted during this Retiree Option Change Period (ROCP) unless you have a qualifying event as described in the section below during the Retiree Option Change.

Discontinuing Your Retiree Coverage or Discontinuing Your Dependent Coverage (for all Former Employees and Annuitants)

You can discontinue coverage at any time. If you discontinue coverage you may never re-enroll in the SHBP as a former employee or annuitant unless you discontinued SHBP coverage due to enrollment in TRICARE Supplemental coverage and maintained continuous coverage under TRICARE Supplemental coverage until re-enrollment in SHBP coverage during a Retiree Option Change Period.

You may discontinue coverage for your dependents at any time. However, you may never re-enroll dependents in SHBP coverage unless you discontinued the dependent child's SHBP coverage due to enrollment of your dependent child in PeachCare for Kids and the dependent child has maintained continuous coverage under SHBP or PeachCare for Kids until re-enrollment in SHBP coverage during a Retiree Option Change Period.

Except as described above, if you discontinue SHBP coverage for yourself or your dependents, you will not be able to get the coverage back unless you return to work in a position that offers SHBP coverage.

Qualifying Events for all Former Employees and Annuitants

Examples of a qualifying event are getting married, having a baby or spouse loses eligibility for health insurance. If you experience a qualifying event, you must request a coverage change within 31 days of the qualifying event (90 days for a newborn) by:

- Contacting the DCH, SHBP Division directly.
- Returning the necessary form(s) with any requested documentation and the dependent's Social Security Number (SSN) to the Plan by the deadline.

* Fill out the form(s) completely. The Centers of Medicare & Medicaid Services (CMS) require DCH, SHBP Division to capture the SSN for all dependents. SHBP will provide coverage for a dependent to age two without a SSN.

If you miss the deadline, you will not have another change to make the desired change. If the deadline is met, your change will take effect on the first day of the month following the receipt of your request, unless indicated in the chart below.

***Do not hold form requesting change even if you are waiting on documentation. Request must be made within 31 days of qualifying event.**

Retiree Option Change Period

During the 30-day Retiree Option Change Period, generally from mid-October to mid-November each Plan year, you can make these changes to your coverage:

- Select a new coverage option;
- Change to a lower tier; or
- Discontinue coverage (**Note:** re-enrollments are not allowed).

Changes will take effect the following January 1st.

Before the Retiree Option Change Period begins, the Plan will send you a retiree information packet.

The packet will include:

- Information on the Plan options;
- Steps for notifying the Plan about coverage selections for the new Plan year;
- Forms you may need to complete; and
- Informational resources.

To ensure that you receive the information packet, make sure the DCH, SHBP Division always has your most up-to-date mailing address. Mail letter notifying SHBP of new address to: SHBP, P.O. Box 1990, Atlanta, GA 30301-1990 or fax to our secure fax at 866-828-4796. Be sure to include the retiree's Social Security Number.

If You Return to Active Service

If you choose to return to active service with an employing entity under the Plan, whether immediately after you retire with an annuity or at a later date, your retirement annuity may be suspended or continued. SHBP coverage, however, must be purchased as an active employee with payroll deduction by your employer. You will need to complete enrollment paperwork with your employer and verify the deduction stopped with the retirement system.

When you return to retired status, retiree coverage will only be reinstated after notifying the DCH, SHBP Division within 31 days if you have continued to receive your retirement annuity. You will be eligible for continuous coverage, based on the conditions that first made you eligible as a retiree.

If you retired before the initial legislative funding for a particular employee group, you will not be entitled to annuitant coverage unless the final service period qualifies you for a monthly annuity from a State Retirement System.

Special Note: Re-enrollment into retiree coverage is not automatic if you continued to receive your retirement annuity check. You must request retiree coverage within 31 days of loss of active coverage or you will lose eligibility for retiree coverage.

Medicare Coordination of Benefits for all Former Employees and Annuitants for Health Reimbursement Account (HRA), High Deductible Health Plan (HDHP) and the Health Maintenance Organization (HMO) called Open Access Plus

If you enroll in a Medicare Advantage option after becoming eligible for Medicare, the Medicare Advantage plan will pay the Medicare approved benefits and any additional benefits SHBP has made to this Plan. Since this plan is a Medicare approved plan, this plan does not coordinate benefits with Medicare. If you are retired and are enrolled in a SHBP non Medicare Advantage option, SHBP will coordinate benefits with Medicare. Under Georgia law, the SHBP is required to subordinate health benefits to Medicare benefits (for non MA plans).

The chart below provides important details related to primary and secondary coverage based on your Medicare status **(for you and/or your dependents that are not enrolled in a Medicare Advantage plan)**:

If you are retired and ...	The Plan will pay...
...age 65, consider enrolling in Medicare Parts A, B and D two months prior to the month in which you turn 65 to maximize coverage	Secondary benefits starting on the first day of the month in which you turn 65
...age 65, Medicare eligible and do <i>not</i> enroll in Part A, Part B and Part D	Primary benefits; however, Plan premium will increase significantly
...age 65 or older and not entitled in Medicare (because have not lived in the U.S. for 5 years of longer)	Primary benefits; however, Plan premium will increase significantly.
... age 65 or older and have dependents not entitled to Medicare because of age	Primary benefits for dependents.

The SHBP is not a supplemental plan to Medicare. The Plan will pay secondary benefits/coordinate benefits if retired and enrolled in Medicare and the Standard or Wellness HRA, Standard or Wellness HDHP, or Standard or Wellness HMO Option. The Plan does not pay secondary benefits with the Medicare Advantage Options.

All other Plan options pay benefits after Medicare pays benefits. That means that any Medicare coverage you or your dependents have will be the primary plan and the SHBP Plan option you have will be the secondary plan. To maximize coverage, you and your dependents should consider enrolling in Medicare Parts A, B and D two months before the month in which you turn 65.

Are you not yet eligible for Medicare?

- You may elect to have coverage under any of the non-Medicare plan options offered by SHBP.
- Annuitant health premiums are currently similar to those of active employees.
- Former employees with more than 8 Years of Service pay State Extended Coverage premiums

Are you eligible or about to be eligible for Medicare?

- Medicare is the country's health insurance program for people age 65 or older who qualify based on Medicare eligibility rules. Medicare also covers certain people with disabilities who are under age 65 and people of any age who have permanent kidney failure. Medicare becomes your primary insurance carrier once you are covered by Medicare. You are eligible for Medicare even if you never paid into Social Security. You and/or your spouse can purchase Medicare Part B if you are a U.S. Citizen, reside in the U.S., age 65 or older (or a legal non-citizen, age 65 or older, who resides and has lived in the U.S. for at least 5 years or longer).
- You will need to send a copy of your Medicare Card (A, B or D) to SHBP at P.O. Box 1990, Atlanta, GA 30301-1990 the first of the month prior to the month in which the retiree turns 65 or becomes eligible for Medicare because of disability. Options and premiums cannot be adjusted until copies of your Medicare cards are received and the change in premium is processed by the retirement system. Delay in submission of Medicare information will result in an increase in premiums to the full cost of the non-MA coverage, with no refund of the difference in premiums.

Due to Disability

- If you are disabled under Social Security, you may qualify for Medicare after a waiting period.

What if I have End Stage Renal Disease?

- If you or your dependents are enrolled in Medicare due to End Stage Renal Disease (ESRD), you may not enroll in a Medicare Advantage option during your first 30 months of Medicare coverage because SHBP is your primary coverage. After 30 months, when Medicare becomes primary, you may enroll in one of the Medicare Advantage plans. You will need to send the SHBP a copy of the letter advising of Medicare eligibility.

Legal Notices – Department of Community Health

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. Please review it carefully. Questions? Call 404-656-6322 (Atlanta) or 800-610-1863 (outside of Atlanta).

The DCH and the State Health Benefit Plan Are Committed to Your Privacy. The Georgia Department of Community Health (DCH) sponsors and runs the State Health Benefit Plan (the Plan). We understand that your information is personal and private. Some DCH employees and companies hired by DCH collect your information to run the Plan. The information is called “Protected Health Information” or “PHI.” This notice tells how your PHI is used and shared. We follow the information privacy rules of the Health Insurance Portability and Accountability Act of 1996, (“HIPAA”).

Only Summary Information is Used When Developing and Changing the Plan. The Board of Community Health and the Commissioner of the DCH make decisions about the Plan. When making decisions, they review reports. These reports explain costs, problems, and needs of the Plan. These reports never include information that identifies any person. If your employer is allowed to leave the Plan, your employer may also get summary reports.

Plan Enrollment Information and Claims Information is Used in Order to Run the Plan. PHI includes two kinds of information. “Enrollment Information” includes: 1) your name, address, and social security number; 2) your enrollment choices; 3) how much you have paid in premiums; and 4) other insurance you have. This Enrollment Information is the only kind of PHI your employer is allowed to see. “Claims Information” includes information your health care providers send to the Plan. For example, it may include bills, diagnoses, statements, x-rays or lab test results. It also includes information you send to the Plan. For example, it may include your health questionnaires, enrollment forms, leave forms, letters and telephone calls. Lastly, it includes information about you that is created by the Plan. For example, it includes payment statements and checks to your health care providers.

Your PHI is Protected by Law. Employees of the DCH and employees of outside companies hired by DCH to run the Plan are “Plan Representatives.” They must protect your PHI. They may only use it as allowed by HIPAA.

The DCH Must Make Sure the Plan Complies with HIPAA. As Plan sponsor, the DCH must make sure the Plan complies with HIPAA. We must give you this notice. We must follow its terms. We must update it as needed. The DCH is the employer of some Plan Members. The DCH must name the DCH employees who are Plan Representatives. No DCH employee is ever allowed to use PHI for employment decisions.

Plan Representatives Regularly Use and Share your PHI in Order to Pay Claims and Run the Plan. Plan Representatives use and share your PHI for payment purposes and to run the Plan. For example, they make sure you are allowed to be in the Plan. They decide how much the Plan should pay your health care provider. They also use PHI to help set premiums for the Plan and manage costs but they are never use genetic information for these purposes. Some Plan Representatives work for outside companies. By law, these companies must protect your PHI. They also must sign “Business Associate” agreements with the Plan. Here are some examples what they do.

Claims Administrators: Process all medical and drug claims; communicate with Members and their health care providers; and give extra help to Members with some health conditions.

Data Analysis, Actuarial Companies: Keep health information in computer systems, study it, and create reports from it.

Attorney General's Office, Auditing Companies, Outside Law Firms: Provide legal and auditing help to the Plan.

Information Technology Companies: Help improve and check on the DCH information systems used to run the Plan.

Some Plan Representatives work for the DCH. By law, all employees of the DCH must protect PHI. They also must get special privacy training. They only use the information they need to do their work. Plan Representatives in the SHBP Division work full-time running the Plan. They use and share PHI with each other and with Business Associates in order to help pay claims and run the Plan. In general, they can see your Enrollment Information and the information you give the Plan. A few can see Claims Information. DCH employees outside of the SHBP Division do not see Enrollment Information on a daily basis. They may use Claims Information for payment purposes and to run the Plan.

Plan Representatives May Make Special Uses or Disclosures Permitted by Law. HIPAA has a list of special times when the Plan may use or share your PHI without your authorization. At these times, the Plan must keep track of the use or disclosure.

To Comply with a Law, or to Prevent Serious Threats to Health or Safety: The Plan may use or share your PHI in order to comply with a law, or to prevent a serious threat.

For Public Health Activities: The Plan may give PHI to government agencies that perform public health activities. For example, the Plan may give PHI to DCH employees in the Public Health Division who need it to do their jobs.

For Research Purposes: Your PHI may be given to researchers for a research project approved by a review board. The review board must review the research project and its rules to ensure the privacy of your information.

Plan Representatives Share Some Payment Information with the Employee. Except as described in this notice, Plan Representatives are allowed to share your PHI only with you, and with your legal personal representative. However, the Plan may inform the employee family member about whether the Plan paid or denied a claim for another family member.

You May Authorize Other Uses of Your PHI. You may give a written authorization for the Plan to use or share your PHI for a reason not listed in this notice. If you do, you may take away the authorization later by writing to the contact below. The old authorization will not be valid after the date you take it away.

You Have Privacy Rights Related to Plan Enrollment Information and Claims Information that Identifies You.

Right to See and Get a Copy of your Information, Right to Ask for a Correction: Except for some reasons listed in HIPAA, you have the right to see and get a copy of information used to make decisions about you. If you think it is incorrect or incomplete, you may ask the Plan to correct it.

Right to Ask for a List of Special Uses and Disclosures: You have the right to ask for a list of special uses and disclosures that were made after April, 2003.

Right to Ask for a Restriction of Uses and Disclosures, or for Special Communications: You have the right to ask for added restrictions on uses and disclosures. You also may ask the Plan to communicate with you in a special way.

Right to a Paper Copy of this Notice, Right to File a Complaint Without Getting in Trouble: You have the right to a paper copy of this notice. Please contact the SHBP HIPAA Privacy Unit or print it from

www.dch.georgia.gov/shbp. If you think your privacy rights have been violated, you may file a complaint. You may file the complaint with the Plan and/or the Department of Health and Human Services. You will not get in trouble with the Plan or your employer for filing a complaint.

Network providers are independent practitioners who run their own offices and facilities. The credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. Network providers are not the employees of SHBP or CIGNA, nor does either have any other relationship with Network providers such as principal-agent or joint venture. Neither we nor CIGNA are liable for any act or omission of any provider. CIGNA is not considered to be an employer of the SHBP for any purpose with respect to the administration or provision of benefits under this Plan.

Your employer is solely responsible for proper classification of your employment.

CIGNA is solely responsible for timely payment of Benefits.

The Plan Administrator, DCH, through the DCH, SHBP Division and your employer are jointly responsible for notifying you of the termination or modification of the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient.

- You are responsible for choosing your own provider.
- You must decide if any provider treating you is right for you. This includes Network providers you choose and providers to whom you have been referred.
- You must decide with your provider what care you should receive.
- Your provider is solely responsible for the quality of the services provided to you.

Incentives to You

Sometimes CIGNA may offer incentives to encourage you to participate in various wellness programs or certain disease management programs. The decision about whether or not to participate is yours alone but we recommend that you discuss participating in such programs with your Physician. These incentives are not benefits and do not alter or affect your benefits. Contact CIGNA if you have any questions.

Interpretation of Benefits

SHBP and CIGNA have sole and exclusive discretion to do all of the following:

- Interpret benefits provisions. SHBP has delegated to CIGNA the sole authority to interpret the HRA Option as necessary to pay claims.
- Interpret the other terms, conditions, limitations and exclusions of the HRA Option, including this SPD and any Riders and Amendments.
- Make factual determinations related to the HRA Option and its benefits. SHBP and CIGNA may delegate this discretionary authority to other persons or entities that provide services in regard to the administration of the Plan.

Administrative Services

We may, in our sole discretion, arrange for various persons or entities to provide administrative services in regard to the Plan, such as claims processing. The identity of the service providers and the nature of the services they provide may be changed from time to time in our sole discretion. We are not required to give you prior notice of any such change, nor are we required to obtain your approval. You must cooperate with those persons or entities in the performance of their responsibilities.

Clerical Error

If a clerical error or other mistake occurs, that error does not create a right to benefits. These errors include, but are not limited to, providing misinformation on eligibility or benefit coverages or entitlements. It is your responsibility to confirm the accuracy of statements made by us or our designees, including CIGNA, in accordance with the terms of this SPD and other Plan documents.

Information and Records

At times we or CIGNA may need additional information from you. You agree to furnish us and/or CIGNA with all information and proofs that we may reasonably require regarding any matters pertaining to the Plan. If you do not provide this information when we request it, we may delay or deny payment of your benefits.

By accepting benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish us or CIGNA with all information or copies of records relating to the services provided to you. We or CIGNA have the right to request this information at any reasonable time.

This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Member's enrollment form. We and CIGNA agree that such information and records will be considered confidential.

We and CIGNA have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as we are required to do by law or regulation. During and after the term of the Plan, we, CIGNA, and our related entities may use and transfer the information gathered under the Plan for research and analytic purposes.

For complete listings of your medical records or billing statements we recommend that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from us, we also may charge you reasonable fees to cover costs for completing the forms or providing the records. In some cases, we or CIGNA will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. Such designees have the same rights to this information as SHBP.

Examination of Covered Persons

In the event of a question or dispute regarding your right to benefits, we may require that a Network Physician of our choice examine you at our expense.

Workers' Compensation not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Your Rights for Continuing Group Health Plan Coverage

You have the right to continue group health plan coverage if you lose Plan coverage due to a qualifying event. In this case, you may continue health care coverage for yourself, spouse or dependents; however, you or your dependents have to pay for such coverage. Review this Summary Plan Description (SPD) and other Plan documents governing your continuation coverage rights.

Employee Rights and Responsibilities

Your Rights as an Employee Enrolled in Plan Coverage

- As an employee enrolled in Plan coverage, you have the right to:
 - Have your eligible claims paid and notifications provided in a timely manner.
 - Receive information about the Plan and the options available to you.
 - Be informed of the process for filing appeals of denied claims.
 - Have access to Provider information.
 - Review your appeal file.
 - Examine, without charge, all documents governing the Plan at the Plan Administrator's office.
 - Request copies of the above documents, in writing, from the Plan Administrator (a reasonable copy fee may apply).
 - Be informed by the Plan of how to continue your coverage if it would otherwise end in certain situations.

Your Responsibilities as an Employee Enrolled in Plan Coverage

This is a summary of some of the important responsibilities of employees enrolled in the Plan:

Make proper and timely premium payments. Premium payments for active employees must be made through salary deductions. Premium payments for employees on leave must be made directly to the employer. It's your responsibility to make sure that your employer (the State, school district, agency, etc.) is deducting the right amount from your paycheck for your option and coverage tier. When you are first hired, and later during each Open Enrollment (or Retiree Option Change Period), you will receive premium information.

Make accurate choices when you make your enrollment selection. After the Open Enrollment period ends, SHBP will make changes only when there is a documented administrative error. Any premium refund will be limited to 12 months of premiums and is payable only after the Plan receives documented evidence from the Member that the Plan had no liability for additional Covered Persons.

Answer surcharge questions truthfully and notify DCH, SHBP Division immediately if the answers to your surcharge questions change during the year. Intentional misrepresentation in response to surcharge questions or failure to notify DCH, SHBP Division of changes to your responses to surcharge will have significant consequences. Active employees will lose State Health Benefit Plan coverage for 12 months beginning on the date that your false response or failure to notify is discovered. Retirees who intentionally misrepresent the response to the surcharge questions or fail to notify DCH, SHBP Division of changes to their responses will permanently lose their SHBP health insurance.

Take the time to understand how the Plan option works. You are the manager of your health care needs and, therefore, you must take the time to understand your Plan option. You also are responsible for understanding the consequences of your decisions. Carefully review this booklet and the *Active Employee Decision Guide*. Having read the documents, you can take steps to maximize your coverage.

Know when and how your participation can end. Generally, coverage ends when you no longer meet job classification or working hours requirements for eligibility or when you fail to make the proper premium payments. Coverage may also end if your employer fails to pay required contributions to the DCH, SHBP Division or if your employer decides to stop offering SHBP coverage to all employees or all employees in your job classification. For eligibility requirements and other circumstances that may result in loss of coverage, see the sections titled **Eligibility-Effective Date**.

Notify DCH, SHBP Division if you or any of your dependents are no longer eligible for coverage. If you misrepresent eligibility information when applying for coverage, during a change in coverage or when filing for benefits, or by paying for coverage on behalf of someone who is not eligible, adverse action may be taken against you by DCH or applicable enforcement agencies. Adverse actions include, but are not limited to: terminating your coverage, collection actions for all payments improperly made as a result of the misrepresentation, and criminal prosecution.

Notify DCH, SHBP Division of any address change and read all information sent to you by DCH, SHBP Division. You are responsible for reading any information we or CIGNA send to you at this address. If you are not able to review Plan information for any reason, it is your responsibility to designate a representative to act on your behalf.

Notify us if you have a qualifying event that can affect coverage or eligibility for coverage for you or a Covered Dependent. If you get married, divorced or have a baby, you may want to add or delete a dependent. You must notify your payroll location within 31 days (90 days for a newborn) of the qualifying event – or you won't be able to make the change until the next Open Enrollment period. Retirees do not have an Open Enrollment period; failure to notify the Plan within 31 days of a qualified change in status (90 days for a newborn) could permanently prohibit a retiree from making the desired change.

Furnish the DCH, SHBP Division with information required to implement Plan provisions. When you are required to provide certain information and documentation, failure to do so by the deadline will result in denial of requested coverage. DCH, SHBP Division will accept late dependent verification documentation at any time during the Plan Year and coverage will be retroactive to the qualifying event date or the first of the Plan Year, whichever is later. However, no claims will be paid until the documentation is received and approved by DCH, SHBP Division.

Update the DCH, SHBP Division on the status of eligible dependents. If your dependent child is nearing age 26 and is eligible to continue coverage as a disabled dependent, you are responsible for informing the Plan of his or her status within 31 days.

Notify the DCH, SHBP Division of any other group coverage you have, including Medicare coverage. You may be required to provide notification in advance or on request.

Your Employer's Responsibilities

Your employer – your department, agency or other entity – has specific responsibilities under the Plan, which include the following:

Properly notifying the Plan Administrator of your employment classification.

Timely paying all required employer contributions.

- Submit any necessary documentation in a timely and efficient manner.
- Withhold proper monthly premiums and submit them, along with the bill, to the Plan when due. If your employer does not send in premiums and documentation in a proper and timely manner, the Plan may suspend coverage benefit payments for the Employee.
- Assist in enrolling all eligible employees in the Plan within 31 days of hire unless the employee declines coverage. Then the declination form must be completed within 31 days of hire.
- Provide enrollment information to the Plan Administrator.
- Distribute Plan materials.
- Administer the Family and Medical Leave Act (FMLA) in compliance with federal law.
- Administer Military Leave in compliance with federal law.
- Administer Leave without Pay for employees.
- Collect all required premiums for employees on unpaid leave.
- Provide you with information on how you can continue coverage under the FMLA and under state leave-without-pay provisions.
- If an employee was reinstated to employment for a period of time inclusive of the applicable Open Enrollment period, the employee shall be offered the opportunity to enroll or change coverage within fifteen (15) days of the return to work.
- Provide necessary termination of coverage information to the Plan Administrator within 30 days after your employment ends or your eligibility for Plan Membership ends.
- Notify enrolled employees of Plan amendments or termination.
- Notify enrolled employees of the employer's decision to stop offering SHBP coverage to all or some of its employees.

Former Employee and Annuitant Rights and Responsibilities

Your Rights as a Former Employee and Annuitant Enrolled in Plan Coverage

As a former employee and annuitant enrolled in Plan coverage, you have the right to:

Have your eligible claims paid and notifications provided in a timely manner.

Receive information about the Plan and the options available to you.

Be informed of the process for filing appeals of denied claims.

Have access to Provider information.

Review your appeal file.

Examine, without charge, all documents governing the Plan at the Plan Administrator's office.

Request copies of the above documents, in writing, from the Plan Administrator (a reasonable copy fee may apply).

Be informed by the Plan of how to continue your coverage if it would otherwise end in certain situations.

Your Rights for Continuing Group Health Plan Coverage

You have the right to continue group health plan coverage if you lose Plan coverage due to a qualifying event. In this case, you may continue health care coverage for yourself, spouse or dependents; however, you or your dependents may have to pay for such coverage. Review this Summary Plan Description (SPD) and other Plan documents governing your continuation coverage rights.

Your Responsibilities as a Former Employee or Annuitant Enrolled in Plan Coverage

As a former employee or annuitant enrolled in Plan coverage, you can receive the most value from your coverage if you fulfill the following responsibilities:

Make proper and timely premium payments. Premium payments usually are made through: 1) the state retirement system for retirees who are receiving an annuity or 2) or by paying directly to SHBP. Coverage must be continuous. If payment is not made for coverage each month, coverage will be terminated with no right to reinstatement.

Take the time to understand how the Plan option works. You are the manager of your health care needs and, therefore, you must take the time to understand your Plan option. You also are responsible for understanding the consequences of your decisions. Carefully review this booklet and the *Retiree Health Plan Decision Guide*. Having read the documents, you can take steps to maximize your coverage.

Answer surcharge questions truthfully and notify DCH, SHBP Division immediately if the answers to your surcharge questions change during the year. Intentional misrepresentation in response to surcharge questions or failure to notify DCH, SHBP Division of changes to your responses to surcharge questions will have significant consequences. Former employees and annuitants who intentionally misrepresent the response to the surcharge questions or fail to notify DCH, SHBP Division of changes to their responses will permanently lose their SHBP health insurance.

Notify DCH, SHBP Division if you or any of your dependents are no longer eligible for coverage. If you misrepresent eligibility information when applying for coverage, during a change in coverage or when filing for benefits, or by paying for coverage on behalf of someone who is not eligible, adverse action may be taken against you by DCH or applicable enforcement agencies. Adverse actions include, but are not limited to: terminating your coverage, collection actions for all payments improperly made as a result of the misrepresentation, and criminal prosecution.

Notify DCH, SHBP Division of any address change and read all information sent to you by DCH, SHBP Division. You are responsible for reading any information we or CIGNA send to you at this address. If you are not able to review Plan information for any reason, it is your responsibility to designate a representative to act on your behalf.

Notify DCH, SHBP Division if you have a qualifying event that can affect coverage or eligibility for coverage for you or a Covered Dependent. If you get married, divorced or have a baby, you may want to add or delete a dependent. Former employees and annuitants do not have an Open Enrollment period; failure to notify DCH, SHBP Division within 31 days (90 days for a newborn) of a qualified change in status could permanently prohibit a former employee or annuitant from making the desired change.

Furnish DCH, SHBP Division with information required to implement Plan provisions. When you are required to provide certain information and documentation, failure to do so by the deadline will result in denial of requested coverage. For example, if you do not make the request to add a new child within 31 days of the qualifying event (90 days for a newborn), your request for coverage of the new child will be denied.

DCH, SHBP Division will accept late dependent verification documentation at any time during the Plan Year and coverage will be retroactive to the qualifying event date or the first of the Plan Year, whichever is later. However, no claims will be paid until the documentation is received and approved by SHBP.

Notify the DCH, SHBP Division of any other group coverage you have, including Medicare coverage. You may be required to provide notification in advance or on request.

CIGNA LEGAL NOTICES

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment qualifying event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment qualifying events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment qualifying events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment to enroll and/or change your coverage tier to add eligible dependents.
- **Loss of eligibility for other coverage (excluding continuation coverage).** If eligibility under another group plan was lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
 - divorce;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;
 - termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;
 - you or your Dependent(s) incur a claim which meets or exceeds the lifetime maximum limit that is applicable to all benefits offered under the other plan; or
 - the other plan no longer offers any benefits to a class of similarly situated individuals.
- **Termination of employer contributions (excluding continuation coverage).** If a current or former employer ceases all contributions toward the Employee's or Dependent's other coverage, special enrollment may be requested in this Plan for you and all of your eligible Dependent(s).
- **Exhaustion of COBRA or other continuation coverage.** Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: (a) due to failure of the employer or other responsible entity to remit premiums on a timely basis; (b) when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or (c) when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer's limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.

V3

Eligibility for employment assistance under State Medicaid or Children's Health Insurance Program (CHIP). If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any

affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment qualifying event. If the special enrollment qualifying event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment qualifying event will be effective on the first day of the calendar month following receipt of the request for special enrollment.

Individuals who enroll in the Plan due to a special enrollment qualifying event will not be considered Late Entrants.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.

V2

Effect of Section 125 Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 Regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise you will receive your taxable earnings as cash (salary).

Provisions in this certificate which allow for enrollment or coverage changes not consistent with Section 125 Regulations are superseded by this section.

Coverage Elections

Per Section 125 Regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if you enroll for or change coverage within 30 days of the following:

- the date you meet criteria shown in the section entitled "Change of Status."

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Federal Tax Implications for Dependent Coverage

Premium payments for Dependent health insurance are usually exempt from federal income tax. Generally, if you can claim an individual as a Dependent for purposes of federal income tax, then the premium for that Dependent's health insurance coverage will not be taxable to you as income. However, in the rare instance

that you cover an individual under your health insurance who does not meet the federal definition of a Dependent, the premium may be taxable to you as income. If you have questions concerning your specific situation, you should consult your own tax consultant or attorney.

FDRL7

Coverage for Maternity Hospital Stay

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by cesarean section. However, the plan or issuer may pay for a shorter stay if the attending provider (e.g., your physician, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a physician or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain precertification.

Please review this Plan for further details on the specific coverage available to you and your Dependents.

You or your dependent may also request a Certificate of Creditable Coverage, without charge, at any time while enrolled in the Plan and for 24 months following termination of coverage. You may need this document as evidence of your prior coverage to reduce any pre-existing condition limitation period under another plan, to help you get special enrollment in another plan, or to obtain certain types of individual health coverage even if you have health problems. To obtain a Certificate of Creditable Coverage, contact the SHBP Eligibility Unit.

Requirements of Family and Medical Leave Act of 1993

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your employer or in part by you and your employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that it has been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993.

GM6000 TRM191V1

Continuing Coverage Under Family and Medical leave Act (FMLA)

You may continue medical coverage for yourself and your dependents for up to 12 weeks after the start of your leave for specific medical and/or family medical reasons if your employer has approved your leave as FMLA leave. Forms for continuing your coverage are available from your personnel/payroll office.

During FMLA leave without pay, you will pay the same premium amount you paid while actively working, but you must send your premium payment directly to your employer. How FMLA affects your coverage depends on the circumstances involving your leave.

If you have this situation...	The impact is this...
<ul style="list-style-type: none"> • Choose not to continue coverage while on leave 	<ul style="list-style-type: none"> • Claims will not be paid by SHBP for the period after coverage terminates and while you remain on leave. Continuing Coverage During Military Leave

If you are on certain kinds of military leave described by federal law, you and your dependents may continue coverage by paying the same premiums you paid while actively working. However, these premiums must be paid directly to your employer. Your employer is responsible for approving your military leave and collecting premiums from you.

You may elect to discontinue coverage while on leave. The DCH, SHBP Division will reinstate your coverage when you return to employment after military service. However, for the time period allowed by the Veteran's Administration, the Plan does not cover care for a Participant's illness or injury that the Secretary of Veterans' Affairs determines was acquired or aggravated during the military leave.

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to SHBP, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

SHBP may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Family medical reasons as provided under the Family and Medical Leave Act (FMLA)

Military duty (emergency and voluntary)

Suspension of employment.

You will have to meet certain requirements for each leave type and your personnel/payroll office can provide you with the necessary information, including premium rates and a *Request to Continue Health Benefits During Leave of Absence Without Pay* form. Also, most leave types require supporting documentation which you will supply to your employer.

You can apply for continued coverage within 31 days after starting an unpaid leave.

Continuing Coverage During Approved Disability Leave

In case you become disabled while an active employee, the Plan has provisions that may allow you to continue coverage, which are described in the table below:

Because of a disability, you have this situation:	You will be affected in this way:
<p>You are Totally Disabled and are on an approved disability leave.</p> <p style="text-align: center;">OR</p> <p>You return to work on a part-time basis before the end of your approved disability leave and before returning to full-time work.</p>	<p>You will be eligible to continue health benefits for up to 12 months.</p> <p>You will pay the same premium amount you paid while actively working, but you must pay premiums directly to your employer.</p> <p>Coverage is limited to the disability period that your Physician certifies. You must provide documentation of the applicable disability period to your employer.</p>

If you are a disabled retired Member, refer to pages 98-108 Retirees for more information on how your coverage may be affected.

If You Leave Your Job With Less than 8 Years of Service

This chart shows how your coverage would be affected if you were to leave your job with less than 8 Years of Service. Please see pages 98-108 for information about leaving your job with 8 or more Years of Service.

If you have this situation:	You will be affected in this way:
<p>Leave your job</p> <p>Take another job with your employer that does not qualify you for coverage</p> <p>Move to part-time status with hours below the minimum required for eligibility</p> <p>Are laid off or otherwise terminate employment</p>	<p>You can continue coverage for up to 18 months under COBRA provisions</p>

In the Event of Your Death During Active Employment

As described below, surviving dependents may continue coverage temporarily through COBRA. Note: If your surviving enrolled dependents are able to receive a retirement plan annuity (a monthly check), see pages 98-108 for important information about extra rights they may have.

The cost of continuing coverage as a surviving dependent with an annuity may be much lower than the cost of COBRA continuation. Surviving dependents must apply for survivor continuation coverage within ninety days of the Member's death. If a surviving dependent chooses survivor continuation coverage, he or she waives the right to continue coverage under the COBRA rules.

See page 102 for information on survivor coverage in the event of the death of a former employee with more than 8 Years of Service.

Notification Requirements and Election Period for Continuation Coverage under Federal Law (COBRA)

The Member or other Qualified Beneficiary must notify DCH, SHBP Division within 60 days of the Member's divorce or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent. If the Member or other Qualified Beneficiary fails to notify DCH, SHBP Division of these events within the 60 day period, there is no right to continue coverage under COBRA. In addition, failure to notify DCH, SHBP Division that a dependent has lost eligibility is an intentional misrepresentation, and will be grounds for terminating coverage for the Member and the dependent. If a Member or other Qualified Beneficiary is already continuing coverage under COBRA, the Member or other Qualified Beneficiary must notify the DCH, SHBP Division within 60 days of the birth or adoption of a child. Failure to notify the DCH, SHBP Division within the 60 day period will result in loss of the right to add the new child to the COBRA coverage.

Once DCH, SHBP Division receives notification of divorce or loss of dependent eligibility from the Member or Qualified Beneficiary, coverage will be terminated for the former spouse or dependent who lost eligibility retroactive to the end of the month in which the qualifying event occurred. A COBRA election notice will be mailed to the Member or Qualified Beneficiary. If a complete, signed election of continuation coverage is submitted to DCH, SHBP Division by the later of 60 days after the qualifying event occurs or 60 days after the Qualified Beneficiary receives the COBRA election form from SHBP, COBRA coverage will be provided upon payment of required COBRA premiums.

The initial premium due to SHBP must be paid on or before the 45th day after electing continuation.

Notification Requirements for Disability Determination or Change in Disability Status

The Member or other Qualified Beneficiary must notify DCH, SHBP Division as described under "Terminating Events for Continuation Coverage under federal law (COBRA)", subsection A. below.

The notice requirements will be satisfied by providing written notice to the DCH, SHBP Division at SHBP, P.O. Box 1990, Atlanta, GA 30301-1990. The contents of the notice must be such that SHBP is able to determine the covered employee and Qualified Beneficiary or Qualified Beneficiaries, the qualifying event or disability, and the date on which the qualifying event occurred.

After providing notice to the DCH, SHBP Division, the Qualified Beneficiary shall receive the continuation coverage and election notice. Continuation coverage must be elected by the later of 60 days after the qualifying event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from SHBP.

The Qualified Beneficiary's initial premium due to SHBP must be paid on or before the 45th day after electing continuation.

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Members who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Members are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Member qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact SHBP for additional information. The Member must contact SHBP promptly after qualifying for assistance under the Trade Act of 1974 or the Member will lose his or her special COBRA rights. COBRA coverage

elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

Terminating Events for Continuation Coverage under Federal Law (When COBRA Coverage Ends)

COBRA continuation coverage under the Plan will end on the earliest of the following applicable dates:

- A. Eighteen months from the date of the qualifying event, if the Qualified Beneficiary's coverage would have ended because the Member's employment was terminated or hours were reduced (i.e., qualifying event A.).

If a Qualified Beneficiary is determined to have been disabled under the Social Security Act at anytime within the first 60 days of continuation coverage for qualifying event A, then the Qualified Beneficiary may elect an additional 11 months of continuation coverage (for a total of 29 months of continued coverage) subject to the following condition: (i) notice of such disability must be provided within 60 days after the determination of the disability, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated by the Plan on the first day of the month that begins more than 30 days after the date of that determination.

- B. Thirty-six months from the date of the qualifying event for an Enrolled Dependent whose coverage ended because of the death of the Member, divorce of the Member, or loss of eligibility by an Enrolled Dependent who is a child (i.e. qualifying events B., C., or D.).
- C. For the Enrolled Dependents of a Member who was entitled to Medicare prior to a qualifying event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the qualifying event, or, 36 months from the date of the Member's Medicare entitlement, whichever is later.
- D. The date coverage terminates under the Plan for failure to make timely payment of the premium.
- E. The date, after electing continuation coverage, that coverage is first obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any pre-existing condition, continuation shall end on the date such limitation or exclusion ends. The other group health coverage shall be primary for all health services except those health services that are subject to the pre-existing condition limitation or exclusion.
- F. The date, after electing continuation coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this shall not apply in the event that coverage was terminated because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event F.).
- G. The date the entire Plan ends or the date the employer stops offering SHBP coverage.
- H. The date coverage would otherwise terminate under the Plan as described in this section under the heading *Events Ending Your Coverage*.

If a Qualified Beneficiary is entitled to 18 months of continuation and a second qualifying event occurs during that time, the Qualified Beneficiary's coverage may be extended up to a maximum of 36 months from the date coverage ended because employment was terminated or hours were reduced below the minimum hours for Plan eligibility. If the Qualified Beneficiary was entitled to continuation because the Plan Sponsor filed for bankruptcy, (i.e. qualifying event F.) and the retired Member dies during the continuation period, then the other Qualified Beneficiaries shall also be entitled to continue coverage for 36 months from the date of the Member's

death. Terminating events B. through G. described in this section will apply during the extended continuation period.

Continuation coverage for Qualified Beneficiaries whose continuation coverage terminates because the Member becomes entitled to Medicare may be extended for an additional period of time. Such Qualified Beneficiaries should contact the DCH, SHBP Division for information regarding the continuation period.

Continuation of Coverage

If your coverage ends under the Plan, you may be entitled to elect continuation coverage (coverage that continues on in some form) in accordance with federal law.

Continuation coverage under COBRA (the federal Consolidated Omnibus Budget Reconciliation Act) is available only to Plans that are subject to the terms of COBRA. You can contact your Plan Administrator to determine if we are subject to the provisions of COBRA.

If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed below, whichever is earlier.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who was covered under the Plan on the day before a qualifying event:

A Member.

A Member's Enrolled Dependent, including with respect to the Member's children, a child born to or placed for adoption with the Member during a period of continuation coverage under federal law.

A Member's former spouse.

Qualifying Events for Continuation Coverage under Federal Law (COBRA)

If the coverage of a Qualified Beneficiary terminates due to one of the following qualifying events, then the Qualified Beneficiary is entitled to continue coverage. The Qualified Beneficiary is entitled to elect to continue the same coverage that she or he had on the day before the qualifying event. When a Qualified Beneficiary has elected COBRA continuation coverage, that coverage can be extended due to a second qualifying event.

The qualifying events are:

- Termination of the Member from employment with us, for any reason other than gross misconduct reduction of hours below the minimum hours required for eligibility, or transfer to a position for which SHBP coverage is not offered; or
- Death of the Member; or
- Divorce from the Member; or
- Loss of eligibility by an Enrolled Dependent who is a child; or
- Entitlement of the Member to Medicare benefits; or
- The Plan Sponsor filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Member and his or her Enrolled Dependents. This is also a qualifying event for any retired Member and his or her Enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

When You Have a Complaint or an Appeal

For the purposes of this section, any reference to "you," "your," or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

"Physician Reviewers" are licensed Physicians depending on the care, service or treatment under review.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your benefit Identification card, explanation of benefits, or claim form and explain your concern to one of our Member Services representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Appeal Process – How to Appeal an Eligibility Decision

Wellness Promise Appeals

The Plan Administrator, Department of Community Health, SHBP Division has the final decision-making power for eligibility appeals.

The process for adding missing information to complete the Wellness Promise is described in the Wellness Benefit Plan Incentive section of this document. The process for appealing a determination by CIGNA that you have not completed the Wellness Promise is also set forth in that section.

If CIGNA determines that you are not eligible for the 2013 WELLNESS Plan Options, you may appeal this eligibility determination to the DCH, SHBP Division by following Wellness Promise appeal procedures. These procedures will be made available on the SHBP website and will be provided upon request.

For all other eligibility appeals, you should follow the standard process set forth below.

Wellness Promise Completion Period – the period of time during which you and your covered Spouse are required to complete the requirements of the Wellness Promise are as follows:

7/1/2011 – 6/30/2012 for Biometric Testing (including the submission of results to CIGNA by 6/30/2012);

1/1/2012 – 6/30/2012 for the online Health Assessment

The deadline for completing all activities is 6/30/2012. Whether or not you and your covered Spouse completed these requirements by the deadline will determine if you are eligible for any of the SHBP WELLNESS Plan options offered in 2013.

All Other Eligibility Appeals

The DCH, SHBP Division will handle all eligibility appeals. There are three steps in the appeal process:

STEP 1 – TELEPHONE REVIEW

Call the SHBP's eligibility unit and ask for a review within 90 days of the eligibility denial. If you disagree with the results of the review, you may file a written request for an Administrative Review. Contact the Eligibility Unit within 90 days of when the Plan advises you that your request cannot be approved.

Note: Any issue regarding the Plan's eligibility or participation should first be addressed to the Eligibility Unit and then through the Administrative Review process.

STEP II – ADMINISTRATIVE REVIEW

To file a request for Administrative Review, complete all applicable Sections on the Admin Review form, sign the form and send a copy of the denied action if applicable. Any additional facts or materials that are pertinent to the case should be attached and submitted with this form within 90 days of the denied action concerning your eligibility. Generally a decision is reached within 60 days of receipt unless additional information is needed.

STEP III – FORMAL APPEAL

If your request for Administrative Review is denied, you may file a Formal Appeal, which must be postmarked within 60 days following the date of the Administrative Review decision. To file a Formal Appeal, you must complete the applicable form and attach a copy of the decision of the Administrative Review. Instructions are on the Formal Appeal form. Generally a decision is issued within 90 days following receipt; however, the number of days may be extended by notice from the DCH, SHBP Division. If your claim has been denied because you were not eligible for coverage under the plan, a decision will be reached within 30 days of receipt unless additional information is needed. Please indicate on the appeal form that your claim was denied. The written notice of the decision by the Committee is the final step in the administrative proceedings and will exhaust all administrative remedies.

Please forward all written requests for Eligibility Administrative Reviews and Formal Appeals along with a completed appeal form to: State Health Benefit Plan, Vendor Program Management Unit, P. O. Box 1990, Atlanta, GA 30301. The appeal forms are available through your Personnel/Payroll office, website address www.dch.georgia.gov/shbp or directly from the DCH, SHBP Division. All member correspondence sent to the DCH, SHBP Division should include the enrolled member's Social Security Number (SSN) to prevent a delay in processing your request.

Appeals Procedure

CIGNA has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing to CIGNA within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask CIGNA to register your appeal by telephone. Call or write us at the toll-free number on your benefit Identification card, explanation of benefits, or claim form.

Level-One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level-one appeals, we will respond in writing with a decision within 15 calendar days after we receive an appeal for a required preservice or concurrent care coverage determination, and within 30 calendar days after we received an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CIGNA's Physician

reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

FDRL37

Level-Two Appeal

If you are dissatisfied with our level-one appeal decision, you may request a second review. To initiate a level-two appeal, follow the same process required for a level-one appeal.

Most requests for a second review will be conducted by the Committee, which consists of a minimum of three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness the Committee will consult with at least one Physician in the same or similar specialty as the care under consideration, as determined by CIGNA's Physician reviewer. You may present your situation to the Committee in person or by conference call.

For level-two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For required preservice and concurrent care coverage determinations the Committee review will be completed within 15 calendar days and for post service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within 5 business days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal process be expedited if, (a) the time frames under this process would seriously jeopardize your life, health or ability to regain maximum functionality or in the opinion of your Physician, would cause you severe pain which cannot be managed without the requested services; or (b) your appeal involves nonauthorization of an admission or continuing inpatient Hospital stay. CIGNA's Physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, CIGNA will respond orally with a decision within 72 hours, followed up in writing.

Voluntary External Review Program

If a final determination to deny benefits is made, you may choose to participate in our voluntary external review program. This program only applies if the decision is based on either of the following:

- Clinical reasons.
- The exclusion for Experimental, Investigational or Unproven Services.

NOTE: The external review program is not available if the coverage determinations are based on explicit benefit exclusions or defined benefit limits. Therefore, the second level appeal decision is final. Contact CIGNA at the telephone number shown on your ID card for more information on the voluntary external review program.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and other Relevant Information as defined; (4) a statement describing any voluntary appeal procedures offered by the plan; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

Relevant Information

Relevant information is any document, record or other information which: (a) was relied upon in making the benefit determination; (b) was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; (c) demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or (d) constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Over-the-Counter Medications

The Patient Protection Affordable Care Act (PPACA), commonly referred to as "health care reform", was signed into law on March 23, 2010. One of the immediate changes of this legislation requires that health plans provide in-network coverage of evidence-based preventive care services at no cost to eligible members. As part of the PPACA's Interim Final Rules for coverage of Preventive Services, CIGNA has determined there are four instances in which the regulations recommend the use of a medication or an over the counter (OTC) medication. SHBP will cover these medications under the pharmacy benefit at no cost to eligible SHBP members.

The following four prescriptions or OTC medications impacted by the regulations will be administered under the SHBP pharmacy benefits received through CIGNA and will require a prescription:

Medication	Examples	Ages
Aspirin to prevent cardiovascular disease (OTC)	Ascriptin Bufferin Halfprin	Men, ages 45 - 79 Women, ages 55 - 79
Iron Supplementation (OTC) (for children at increased risk for iron-deficiency anemia)	Fer In Sol Vitafol3 ICAR Fer-Gen-Sol	Children, ages 6-12 months
Folic Acid Supplementation (for women planning or capable of pregnancy)	Prenatal Natalcare Optinate Folic Acid	Women of childbearing age
Oral Flouride Supplementation (where water source does not contain fluoride)	Poly Vi Flor Fluor-A-Day Luride Fluritab	Children, ages 6 months to preschool

Note: Ocular topical medication for newborns is also referenced in the regulations; however, this medication is typically administered shortly after birth and covered under the medical benefit.

CIGNA expects ongoing clarification of the specific requirements of the PPACA legislation, and their policies and coverage standards will evolve accordingly. To get their most current information, you may visit www.informedonreform.com or www.CIGNA.com and click on the "Informed on Reform" link.
